

The Model That Brings Our Mission to Life

Our efficient and effective three-step model provides kids with the essentials they need, free of charge. This enables us to engage communities that have, connecting them with communities that need.

- New and nearly new children's items are collected through grassroots community drives and corporate donations.
- Donations are then processed and packaged by volunteers in our warehouse, The Giving Factory®.
- Packages from The Giving Factory are distributed to local children — through our collaborative network of diverse service partners.
