The Homewoods:

Fear & Hope Luke Marusiak, 2013-06 The collapse of the steel industry in the 1970s hit Western Pennsylvania hard Hundreds of thousands lost their livelihoods population sank schools closed and despair ruled many In the midst of these trials the destinies of three who came of age during that time Philip Bennet Liam Conti and Ruth O'Brien were determined by the choice they made that of fear or that of hope As the three grapple with their situation and their yearning for significance they discover their fight is part of a much larger struggle Excerpt from the preface Barack Obama referring to Pennsylvanians April 2008 It's not surprising then that they get bitter they cling to guns or religion or antipathy to people who aren't like them That characterization is so far from the truth an answer is in order Fear Hope is intended to be that answer This novel is meant first of all to entertain because the Western Pennsylvania tragedies and triumphs are one heck of a story But it is also in some small measure meant to both rebuff Mr Obama's pompous marginalization and point out the cautionary tales of high cost mistakes made then that are being repeated today This novel is part of the Good Fight Series and overlaps times and characters of Marx Ford Loud Clear and the upcoming Gold Glory *The Home Office*, 1928

Wartime Edward Butts, 2017-10-31 The First World War was the cause of dramatic changes in every Canadian community What it meant to daily life becomes clear in this book about the war years in Guelph Ontario The first months were the easiest as young men rushed to enlist Once news of casualties and deaths started arriving the atmosphere changed drastically Mothers dreaded the arrival of the telegraph boy Newspapers published fulsome obituaries which could not obscure the tragedy of their deaths Tensions emerged one compelling example being a secret military and police night time raid on a Catholic seminary just outside the town looking for young men hiding from conscription With these stories Edward Butts offers a compelling portrait of people trying to make sense of a war with little evident logic His account helps explain why the cause of the League of Nations and efforts to ensure peace in the 1920s and 1930s were so powerful amongst Canadians who had learned about the real impact of wartime on ordinary people Through the use of primary resources including articles from the local press letters from overseas and newsreels in the cinema Butts captures the reality of the First World War for Canadians at home Highland Park and River Oaks Cheryl Caldwell Ferguson, 2014-08-27 In the early twentieth century developers from Baltimore to Beverly Hills built garden suburbs a new kind of residential community that incorporated curvilinear roads and landscape design as picturesque elements in a neighborhood Intended as models for how American cities should be rationally responsibly and beautifully modernized garden suburban communities were fragments of a larger if largely imagined garden city the mythical good city of U.S. city planning practices of the 1920s This extensively illustrated book chronicles the development of the two most fully realized garden suburbs in Texas Dallas's Highland Park and Houston's River Oaks Cheryl Caldwell Ferguson draws on a wealth of primary sources to trace the planning design financing implementation and long term management of these suburbs She analyzes homes built by such architects as H.B.

Thomson C D Hill Fooshee Cheek John F Staub Birdsall P Briscoe and Charles W Oliver She also addresses the evolution of the shopping center by looking at Highland Park s Shopping Village which was one of the first in the nation Ferguson sets the story of Highland Park and River Oaks within the larger story of the development of garden suburban communities in Texas and across America to explain why these two communities achieved such prestige maintained their property values became the most successful in their cities in the twentieth century and still serve as ideal models for suburban communities today

Dogdom ,1919 *Masquerade* Lowell Cauffiel,2014-07-08 A psychologist s secret life on the seedy side of Detroit gets him entangled with a prostitute and her murderous pimp in a compelling work of true crime Detroit Free Press In the exclusive suburb of Grosse Pointe Alan Canty was a respected psychologist with clients drawn from wealthy families across Detroit But at night he ventured into the city s seedy south side where under the name Dr Al Miller he met with prostitutes One girl in particular caught Dr Al s eye a skinny teenage drug addict named Dawn an ex honor student who had fallen under the spell of a pimp named Lucky Canty became their sugar daddy spending thousands to buy them clothes cars and gifts But when the money ran out Canty s luck went with it and he was soon found hacked to pieces his body scattered across Michigan Covering the trial for the local press Lowell Cauffiel became enthralled by this story of double lives and double crosses In this thrilling true crime tale Cauffiel shows what happens when deception turns fatal **Signature Dishes of**

America Sherry Monahan,2023-10-03 America s chefs and cooks have reveled in serving meals to their customers since this country s early beginnings creating their own recipes based on available ingredients creativity or at the request of others Some took humble home recipes and made them into their signature specialties many of which have become synonymous with certain hotels and restaurants in America These culinary treasures are household names but their true origin has slipped back into history Signature Dishes of America captures nearly 100 of these well known dishes and their origins Foods like Eggs Benedict Green Goddess Dressing and Hot Browns were created decades ago and remain mainstays in our culinary world today Discover the story behind Los Angeles Brown Derby s Cobb Salad whose recipe was created by a hungry owner or how an old pie recipe discovered in an antique drawer became a favorite at the Golden Lamb restaurant This collection of recipes and their background is a tasty way to share American food history and culture *Garden Magazine and Home*

Builder ,1916 **Good Housekeeping Magazine** ,1896 Houston's River Oaks Ann Dunphy Becker,George Murray,2013

In the early 1920s when T W House Jr A C Guthrie and Thomas Ball came to the conclusion that Houston needed a new country club complete with an 18 hole golf course they formed Country Club Estates They chose to build on land called the House tract just west of downtown Very quickly 300 memberships were sold with each including one share of stock in the company Within a year Will and Mike Hogg along with Hugh Potter recognized this as a perfect idea for the bustling city of Houston They purchased 1 100 acres eventually creating the River Oaks Corporation Images of America Houston s River Oaks takes the reader from 1923 to 1970 and tells the story of one of the most carefully planned subdivisions in America

Today River Oaks is known as an enviable place to call home. The careful planning undertaken by these Houstonians 90 years ago produced results of unmatched beauty and a quality of life still enjoyed today.
