Odette C. Bell, Harvey Brink has one thing going for him He never gives up Which is exactly what the Supreme Outer Guardian Commander Frost needs now Because hell is on its way When she receives a warning that a dangerous piece of technology has been stolen by her greatest enemy the Underside she hopes she has time She doesn't The Underside have already deployed it and they're coming for her But Harvey stands in their way A self processed cold hearted soldier all he wants to do is spend time in his mech detached from reality and far away from people When an accident sends him halfway across the multiverse and deposits him at the feet of the mysterious Rae Harvey's solitude ends He and Rae are thrust headfirst into a fight for everything With no time to breathe they'll be pushed from planet to planet as they unravel the Underside's dangerous new operation To win they'll need to find out who they are what they want and most importantly what can tie them together before they're broken apart for good Brink's End follows a cold hearted mech pilot and a mysterious alien fighting to stop an ancient enemy from rising If you love your space operas with action heart and a splash of romance grab Brink's End Book One today and soar free with an Odette C Bell series Brink's End is the 4th Supreme Outer Guardian series A massive exciting and heroic sci fi world where the day is always saved and hearts are always won each series can be read separately so plunge in today **Big Stick-Up at Brink's!** Noel Behn,2016-06-14 A riveting and frequently hilarious insider account of one of the twentieth century's most outrageous capers On the evening of January 17 1950 armed robbers wearing Captain Marvel masks entered the Brink's Armored Car building in Boston Massachusetts They walked out less than an hour later with more than 27 million in cash and securities It was a brazen and expertly executed theft that captured the imaginations of millions of Americans and baffled the FBI and local law enforcement officials But what appeared on the surface to be the perfect crime was in fact the end result of a mind boggling series of mistakes miscalculations and missteps The men behind the masks were not expert bank robbers but a motley crew of small time crooks who bumbled their way into a record breaking payday and managed to elude the long arm of the law for six years New York Times bestselling author Noel Behn tape recorded nearly one thousand hours of interviews with the surviving robbers including motormouthed mastermind Tony Pino a character so colorful he might have been dreamed up by a Hollywood screenwriter to tell the uncensored story of the heist forever known as the Great Brink's Robbery Fun and suspenseful from first page to last Behn's
