The Dawning Coming Of Age A Collection Of Parables:

The Dawning Akhenaton,1998 **Proclaiming the Parables** Thomas G. Long,2024-03-12 In *Proclaiming the Parables* noted preacher and scholar Thomas G Long moves away from past treatment of the parables primarily as literary devices and moves toward an emphasis on their theological impact as pointers to the kingdom of God While the parables are indeed significant poetic literary creations that have enchanted readers over the centuries their main power he claims lies in their disclosure of the kingdom of God which is not merely an idea nor even just a complex symbol with generative and centrifugal force but an event the inbreaking of the life of God into human history and experience Long sees parables not merely as creative figures of speech but as GPS devices taking hearers to those places where the event of God is happening all around us This book provides two chapters for each synoptic Gospel The first focuses on the Gospel as a whole and the parables place in it and the second provides preachers and teachers with detailed exegetical and homiletical commentary for each major parable in that Gospel Two introductory chapters additionally situate this book in the history and theology of the parables interpretation and address questions that preachers have about preaching the parables Preachers who consult this volume will be informed about each major parable guided through the controversies regarding interpretation and stimulated to preach on the parable in fresh faithful and creative ways *Jesus' Parables and the War of Myths* Amos N. Wilder,2013-12-01 Amos Wilder is widely known as a pioneer of an indigenously North American approach to biblical interpretation which takes language to be an expression not only of psychological but also of sociological and concrete reality Recording the history of his interest in eschatological language Wilder further advances the literary and rhetorical criticism of Scripture especially by alerting interpreters to the deeper modes of language and communication often overlooked The essays in this volume recaptured and edited to clarify their relatedness are presented in two groups The first group includes essays that situate the parables of Jesus within the broader context of the biblical narrative The second is a series of essays dealing with the problem of adequately interpreting the kingdom language of Jesus The book includes an essay in which Wilder chronicles and advances his long interest in the task of doing justice to the imaginative dimension of biblical language Wilder develops a contemporary hermeneutic that combines the full range of historical critical methods with approaches generated by various modern disciplines which attempt to do full justice to the interrelationship of language and reality The preface by James Breech offers an exposition of the main features of Wilder s hermeneutic together with a discussion of Wilder s understanding of parabolic narrative and Jesus symbolics The Parable of His-Story Nick Taylor,2011-12-09 If History is written by the victors then this is His Story as corrected by the losers The *Parable of His Story* is a telling of the age where men have been in charge Inspired by ideas of feminism and spirituality it suggests that eternal rules are temporary examples of a one sided story repeatedly told to glorify the masculine and denigrate the feminine Charting the origin of this story at the dawn of civilization the book details how his story spread across the world through successive

masculine driven empires and affected our ideas of sex gender sexuality and race As the financial system crumbles as religious and political ideologies grow more extreme and as more of us contribute to a collective consciousness through the Internet The Parable offers suggestions as to what we need to remember in order to bring ourselves and our relations with our planet back into balance If you ve ever wondered why zero has been taught to mean nothing why gay has come to be synonymous with rubbish and why all the major monotheistic gods are blokes then this book is for you **Rays of the Dawn**

The Mark Commentary Collection David E. Garland,Mark L. Strauss,Walter W. Wessel,2016-12-20 This Mark commentary bundle features volumes from the NIV Application Commentary Series Zondervan Exegetical Commentary Series and Expositor s Bible Commentary series authored by David E Garland Mark L Strauss and Walter W Wessel The diverse features from each of the volumes gives you all the tools you need to master the book of Mark **The Mission of the Church: In Paul's Letter to the Philippians in the Context of Ancient Judaism** J. Patrick Ware,2005 Illumining the Jewish context of early Christian mission this study through close exegesis of Paul s letter to the Philippians reveals the crucial place of the mission of the church in Paul s thought *"Come Out My People!"* Wes Howard-Brook,2010 A compelling view of two competing religious visions one of creation and the other of empire that run throughout the Bible A remarkable offering for those who care about the interface of power and faith with all the threats and seductions that go with it As I read I felt overwhelmed both by the mass of data and by the cunning of interpretation I could not put it down and expect to continue to be instructed by it Walter Brueggemann Howard Brook undertakes what few dare anymore an introductory primer for the whole Bible This book invites disciples to connect the dots in order to recover our ancient anti imperial identity and to embrace a radical faith and practice that are personal and politica Ched Myers Howard Brook illuminates how ancient empires exercised control and manipulation of people not simply by political and military means but also through the religion of empire Throughout he makes clear that the core message of the God of creation is to call people out of empire to refuse to cooperate with the forces of destruction and domination today Richard Horsley Will become a classic for communities that seek first to receive the gracious gift of God s alternative future to Empire Jarrod McKenna If we who sojourn in America are to be a community that can both name and resist the lure of Empire we need a story more powerful than the story called America Wes Howard Brook knows than the Bible tells such a story May its story be ours as we re set free from our imperial imaginations to dream with our Creator of a new world here and now Jonathan Wilson Hartgrove
