

AMERICA ON ITS KNEES:

☆☆☆ not beaten there by the hammer & sickle, but FREELY, INTELLIGENTLY, RESPONSIBLY, CONFIDENTLY, POWERFULLY. America now knows it can destroy communism & win the battle for peace. We need fear nothing or no one... ...except God.

OUR FATHER IN HEAVEN:

WE PRAY that YOU save us from ourselves.

The world that YOU have made for us, to live in peace,
we have made into an armed camp.
We live in fear of war to come.

We are afraid of "the terror that flies by
night, and the arrow that flies by day,
the pestilence that walks in darkness
and the destruction that wastes at noon-day."

We have turned from YOU to go our selfish way.
We have broken YOUR commandments
and denied YOUR truth. We have left YOUR altars
to serve the false gods of money and pleasure and power.

FORGIVE US AND HELP US

Now, darkness gathers around us and we are confused
in all our counsels. Losing faith in YOU,
we lose faith in ourselves.

Inspire us with wisdom, all of us of every color, race and creed,
to use our wealth, our strength to help our brother,
instead of destroying him.

Help us to do YOUR will as it is done in heaven
and to be worthy of YOUR promise of peace on earth.

Fill us with new faith, new strength and new courage,
that we may win the Battle for Peace.

Be swift to save us, dear God,
before the darkness falls ☆☆☆

Ralph Young

The Day America Hit Its Knees:

The American Friend, 1923 **American Patriots** Ralph Young, 2024-01-09 A concise history that proves that dissent is patriotic The history of America is a history of dissent Protests against the British Parliament's taxation policies led to the American Revolution and the creation of the United States At the Constitutional Convention the founders put the right to protest in the First Amendment of the Bill of Rights In the nineteenth century dissenters protested against the War of 1812 and the Mexican War they demanded the abolition of slavery suffrage for women and fair treatment for workers In the twentieth century millions of Americans participated in the Civil Rights Movement the antiwar movement and second wave feminism In the twenty first century hundreds of thousands protested the war in Iraq joined the 2011 Occupy movement the 2017 Women's March and the 2020 Black Lives Matter uprisings The crowds grew larger than ever but the sentiments expressed were familiar There have been dissenting Americans for as long as there has been an America In *American Patriots* historian Ralph Young chronicles the key role dissent has played in shaping the United States He explains that activists are not protesting against America but pushing the country to live up to its ideals As he guides the reader through the history of protest Young considers how ordinary Americans from moderates to firebrands responded to injustice He highlights the work of organizations like SNCC and ACT UP and he follows iconic individuals like Ida B Wells Barnett and Woody Guthrie charting the impact of their dissent Some of these protesters are celebrated heroes of American history while others are ordinary people frequently overlooked whose stories show that change is often accomplished through grassroots activism Yet not all dissent is equal In 2021 thousands of rioters stormed the US Capitol and Americans on both sides of the aisle watched the destruction with horror *American Patriots* contrasts this attack with the long history of American protest and challenges us to explore our definition of dissent Does it express a legitimate grievance or a smokescreen for undermining democracy What are the limits of dissent Where does dissent end and sedition begin In a time when legitimate dissent is framed as unpatriotic Young reminds us of the dissenters who have shaped our country's history *American Patriots* is a necessary defense of our right to demand better for ourselves our communities and our nation *The American Press* *Humorists' Book* Frank Thompson Searight, 1907 *Highway 61 Revisited* Gene Santoro, 2004 An exploration of the pervasive influence of jazz on all forms of American music this work maps the unexpected musical and cultural links between Louis Armstrong Willie Nelson Bob Dylan Herbie Hancock and many others **American Orphan** Jimmy Santiago Baca, 2021-03-31 There's no way you can do this reentry thing Orlando Lucero tells himself after getting out of prison He has spent most of his life institutionalized first in an orphanage and then in the Denver Youth Authority for smuggling weed Orlando knows nothing about freedom What does one do with it What is it His brother promised to teach him the carpentry trade but Orlando quickly discovers Camilo is like their parents an addict robbing and stealing to feed his habit So he turns to Lila his prison pen pal who encouraged both his poetry writing and sexual fantasies Soon he moves in with her and

engages in the acts he dreamed about while incarcerated but living the straight life seems impossible Freedom is full of hazards lots of sharp edges and they cut me at every turn As he is sucked back into a life of crime he can't help but think going back to prison would be a relief Renowned poet Jimmy Santiago Baca explores in lyrical prose one young man's attempts to break free from the cycle of addiction violence and abuse that contributed to his imprisonment and impede his search for happiness and a productive life In a society that considers him a criminal because of his brown skin and where those in authority including a parade of priests when he was just a boy take advantage of him Orlando must learn to believe in himself against all the odds in spite of the institutionalized racism he has endured since boyhood
