The Daylight Moon, and Other Poems Les A. Murray, 1988 *The Daylight Moon* Les Allan Murray, 1988 Since the publication of *The Vernacular Republic* in 1982 Les A Murray has gained recognition as Australia's major poet and one of the best poets now writing anywhere in English In *The Daylight Moon and Other Poems* he offers a wide array of subject matter There are polemics on religion and politics a richly detailed account of a boat ride in the Kakadu National Park and poems about deafness a lottery winner and *The Dream of Wearing Shorts Forever* This is work of vigor and freshness Persea Books

Landscape of the Daylight Moon Jeremy Hooker, 1978 Les Murray Steven Matthews, 2001 In the only full critical study of Les Murray's work Steven Matthews provides a complete account of the poet's career to date A controversial figure Murray's version of Australian republicanism has caused heated argument about the future direction of his country as it moves away from its colonial past With detailed readings of major poems and literary and cultural contexts surrounding the work Matthews gives an overview of Murray's place in Australian literature and national thought "*Les Murray Country*" Ulla Fürstenberg, 2004 **The Observatory** , 1919 A review of astronomy varies In Black and Gold , 2022-06-08 In *Black and Gold* indicates that opposed styles of poetry reveal subterranean correspondences that occasionally meet and run together Austerity or tomfoolery are two of the many valid responses to the human condition that create the contiguous traditions that cannot help touching and reacting to each other The poetry discussed in this book deals with the relation of individuals to strange or to familiar landscapes and what this means to their own sense of displacement or rootedness with the use of history as an escape from or as a challenge to an apparently failing present and with the role of nationalism either as a refuge for angry frustration or as a weapon against the affronting world or as an ambivalent loyalty that needs to be scoured or as all three Here we find poetry as a means of discovering true or false allegiances and valid or invalid public and private identities poetry as a medium for exploring the uses of the demotic in confronting the breakdowns and injustices of modern democracy poetry as play in the midst of private and public woe poetry as a spiritual quest as a spiritual scourging as a wrestling with spiritual absences and poetry as an intermittent and sporadic commemoration of the triumphs and delights of epiphanic encounters with the physical world
