The Dead Of Winter:

The Dead of Winter Chris Priestley, 2012-01-31 When Michael's parents die he is invited to stay with his guardian in a desolate country house. When Michael spots a woman out in the frozen mists on the day he arrives he suspects something is not quite right. But little can prepare him for the solitude of the house itself. His guardian is rarely seen and there's a malevolent force lurking in an old hallway mirror. Michael soon realises that the house and its grounds harbour many secrets both dead and alive.

The Dead of Winter Rennie Airth, 2009-07-23 Rennie Airth's meticulously detailed procedural mysteries are beautifully written, well worth reading and rereading. Marilyn Stasio, The New York Times Book Review. Rennie Airth's *The Decent Inn of Death* is forthcoming. On a freezing London night in 1944 Rosa Novak is brutally murdered during a blackout. Scotland Yard suspects the young Polish refugee was the victim of a random act of violence and might have dropped the case if former police investigator John Madden hadn't been her employer. Madden feels he owes it to Rosa to find her killer and pushes the investigation, uncovering her connection to a murdered Parisian furrier, a member of the Resistance, and a stolen cache of diamonds. Delivering the atmospheric writing and compelling characters that have already established Rennie Airth as a master of suspense, as well as style, this long-awaited third installment in the John Madden series is historical crime writing at its best.

The Dead of Winter Sarah Clegg, 2024-11-12 Discover the monsters, witches, and other ghoulish creatures that make up lesser-known Christmas folklore in this gleefully creepy guide, perfect for horror fans who love the wintry holidays. When you think about Christmas, you likely picture mangers, glowing fireplaces, sweet carolers, and snow-blanketed hills. But behind all this bright magic, there's something much darker lurking in the shadows. In *The Dead of Winter*, Cambridge-trained historian Sarah Clegg delves deep into the folklore of the Christmas season in Europe, detailing the way its terrifying and often debauched past continues to haunt and entertain us now in the twenty-first century. Perfect for the growing mainstream audience obsessed with horror and monsters, this guide makes the perfect gift, beautifully packaged in a stocking-stuffer friendly trim size.

The Dead of Winter J. C. Kenney, 2021-06-22 When her brother calls to say he's been in an accident and needs her help, literary agent and amateur sleuth Allie Cobb doesn't hesitate to go to him. And though she's worried for his safety, her concern turns to confusion when she learns that he ran his truck into a ditch to avoid hitting a large safe sitting in the middle of the road. Stranger still, when the safe is opened, police discover the grisly remains of the local gun club president. All the evidence indicates the dead man was poisoned by lethal injection, and that the drugs could only have come from Allie's favorite veterinarian. Determined to prove the woman's innocence, Allie's digging reveals that the victim's wife may have wanted him out of the picture, and also that he was embroiled in a long-running dispute with a local businessman. With no shortage of suspects and a very ominous sense of danger lurking around her, Allie will have to watch her back because until the killer is caught, nobody's safe. Praise for the Allie Cobb Mysteries: Mr. Kenney has written a complicated mystery. The killer reveal was so entertaining, and the takedown was something I had never seen in
