The Details Of Time Conversations With Ernst Junger

G Thomas

The Details Of Time Conversations With Ernst Junger:

The Details of Time Julien Hervier, 1995 From a series of informal interviews at the time of the author's ninetieth birthday *The Details of Time Conversations with Ernst Junger* is the intense account of a life spanning the whole of the twentieth century Both witness and active player in some of our century's most dramatic and often tragic moments Junger talks here with remarkable candor of the events and ideas that shaped him as a writer Scarred by terrible ironies and contradictions Junger's extraordinary career holds as much fascination as his writing escape to Africa as a teenager to join the French foreign legion wounded fourteen times in the trenches and awarded Germany's highest distinction during World War I service as an officer in Occupied France during World War II while writing *On the Marble Cliffs* a thinly veiled attack on the Nazi regime that slipped past the censors to gain notoriety as an international best seller his association with the July 20 assassination attempt against Hitler and finally the difficult years of a notorious man of letters who would also become a noted entomologist and a onetime dabbler in hallucinogenics These conversations are an intense reflection on the major events of the author's life from a childhood marked by the Dreyfuss Affair and the sinking of the Titanic to his meetings with such major figures as Heidegger Borges Picasso and Braque Junger treats ambiguous sometimes alarming beliefs with rare honesty affording an absorbing often haunting look into the mind of one of Europe's most renowned writers Full of wit and wisdom *The Details of Time* is a perfect introduction to Junger's work as well as a personal testament to a life in which *joie de vivre* and intellect are inevitably intertwined

The Dawn of Political Nihilism Professor David Ohana, 2008-12-04 In the turbulent period between 1870 and 1930 the contours of modernity were taking shape especially the connections between technology politics and aesthetics The trilogy *The Nihilist Order* traces the genealogy of the nihilist totalitarian syndrome Until now nihilism and totalitarianism were considered opposites one an orderless state of affairs the other a strict regimented order On closer scrutiny however a surprising affinity can be found between these two concepts that dominated the history of the first half of the twentieth century Starting with Nietzsche's philosophy this book traces the development of an intellectual school characterised by the paradoxical dual purpose of a wish to destroy coupled with a strong desire to create imposing structures This explosive combination of nihilist leanings together with a craving for totalitarianism was an ideal of philosophers cultural critics political theorists engineers architects and aesthetes long before it materialised in flesh and blood not only in technology but also in fascism Nazism bolshevism and radical European political movements Friedrich Nietzsche Georges Sorel the Italian Futurists led by Filippo Tommaso Marinetti and Ernst Junger were all well known intellectual and cultural figures Here they are seen and understood in a different light as creators of a modern political mythology that became a source of inspiration for belligerent ideological camps Among the ideas propagated by this school and later adopted by totalitarian regimes were historical nihilism a revolt against the rationalistic and universalistic pretensions of the Enlightenment an affirmation of the dynamism of modern life and the replacement of the traditional Judeo

Christian values of good and evil by other dualities such as authenticity and decadence Concurrently there took place affirmation of the technological era the creation of a new man and a violent order and the birth of a new political style in place of traditional world views When channelled into the political sphere these aesthetic nihilist ideas paved the way for the rise of totalitarianism

Kabbalah and Modernity ,2010-09-15 The persistence of kabbalistic groups in the twentieth century has largely been ignored or underestimated by scholars of religion Only recently have scholars begun to turn their attention to the many faceted roles that kabbalistic doctrines and schools have played in nineteenth and twentieth century culture Often and necessarily this new interest and openness went along with a contextualization and re valuation of earlier scholarly approaches to kabbalah This volume brings together leading representatives of this ongoing debate in order to break new ground for a better understanding and conceptualization of the role of kabbalah in modern religious intellectual and political discourse

The Road of Excess Marcus Boon,2005-03-15 From the antiquity of Homer to yesterday s Naked Lunch writers have found inspiration and readers have lost themselves in a world of the imagination tinged and oftentimes transformed by drugs The age old association of literature and drugs receives its first comprehensive treatment in this far reaching work

Germany at War David T. Zabecki,2014-10-28 Written by experts for use by nonexperts this monumental work probes Germany s Genius for War and the unmistakable pattern of tactical and operational innovation and excellence evident throughout the nation s military history Despite having the best military forces in the world some of the most advanced weapons available and unparalleled tactical proficiency Germany still lost both World Wars This landmark four volume encyclopedia explores how and why that happened at the same time examining Germany as a military power from the start of the Thirty Years War in 1618 to the present day Coverage includes the Federal Republic of Germany its predecessor states and the kingdoms and principalities that combined to form Imperial Germany in 1871 The Seven Years War is discussed as are the Napoleonic Wars the Wars of German Unification including the Franco Prussian War World War I World War II and the Cold War In all more than 1 000 entries illuminate battles organizations leaders armies weapons and other aspects of war and military life The most comprehensive overview of German military history ever to appear in English this work will enable students and others interested in military history to better understand the sociopolitical history of Germany the complex role conflict has played in the nation throughout its history and why Germany continues to be an important player on the European continent

Nihilist Order Professor David Ohana,2016-04-19 The explosive combination of nihilist leanings together with a craving for totalitarianism was an ideal of philosophers cultural critics political theorists engineers architects and aesthetes long before it materialised in flesh and blood not only in technology but also in fascism Nazism bolshevism and radical European political movements The Nihilist Order originally published in three hardcover volumes and now published in a consolidated paperback edition with an encompassing new Introduction inspired excellent review endorsements both amongst the academic and public spheres and has been heralded as a great achievement in

European intellectual and cultural history **1946** Victor Sebestyen, 2016-11-29 Nineteen forty six is the year that would signal the beginning of the Cold War the end of the British Empire and the beginning of the rivalry between the United States and the USSR Victor Sebestyen reveals the year's events by chronologically framing what was taking place in Europe the Middle East and Asia with seminal decisions made by heads of state that would profoundly change the old order forever The map of Eastern Europe would be redrawn Chinese communists would gain decisive victories in their fight for power and the world would witness the birth of Israel 1946 was a year of seismic and dramatic events Drawing on personal testimonies and new archival research Sebestyen has written a vivid and compelling narrative that brilliantly evokes the beginning of the Cold War set against a devastated landscape of dystopian horrors With 16 pages of black and white photographs **Cold**

Modernism Jessica Burstein, 2012 Explores a significant but overlooked aspect of early twentieth century modernism one that focuses on surface appearance rather than interiority or psychological depth Looks at the writers Wyndham Lewis and Mina Loy the artists Balthus and Hans Bellmer and the fashion designer Coco Chanel Provided by publisher World War I Spencer C. Tucker, 2014-10-28 Offering exhaustive coverage detailed analyses and the latest historical interpretations of events this expansive five volume encyclopedia is the most comprehensive and detailed reference source on the First World War available today One hundred years after the beginning of World War I in 1914 this conflict still stands as perhaps the most important event of the 20th century World War I toppled all of the existing empires at the time transformed the Middle East and vaulted the United States to becoming the world's leading economic power Its effects were profound and lasting and included outcomes that led to World War II This multivolume encyclopedia provides a wide ranging examination of World War I that covers all of the important battles key individuals both civilian and military weapons and technologies and diplomatic social political cultural military and economic developments Suitable as a reference tool for high school and undergraduate students as well as faculty members and graduate level researchers World War I The Definitive Encyclopedia and Document Collection offers accessible in depth information and up to date analyses in a format that lends itself to quick and easy use The set comprises alphabetically arranged cross referenced entries accompanied by further reading selections as well as a comprehensive bibliography A fifth volume provides chronologically arranged documents and an A Z index

Source Magic Carl Abrahamsson, 2023-02-21 An exploration of how magic can be found within all human activities Offers a magical anthropological tour from ancient Norse shamanism to the modern magick of occultists like Genesis P Orridge Looks at how human beings are naturally attracted to magic and how this attraction can be corrupted by both religious organizations and occult societies Examines magic as it relates to psychedelics Witchcraft shamanism pilgrimage Jungian individuation mortality and the literary works of Beat icons like Burroughs and Ginsberg Since the dawn of time magic has been the node around which all human activities and culture revolve As magic entered the development of science art philosophy religion myth and psychology it still retained its essence that we have a dynamic connection with all other forms

of life Exploring the source magic that flows beneath the surface of culture and occulture throughout the ages Carl Abrahamsson offers a magical anthropological journey from ancient Norse shamanism to the modern magick of occultists like Genesis P Orridge He looks at how human beings relate to and are naturally attracted to magic He examines in depth the consequences of magical practice and how the attraction to magic can be corrupted by both religious organizations and occult societies He shows how the positive effects of magic are instinctively grasped by children who view the world as magical The author looks at magic and occulture as they relate to psychedelics Witchcraft shamanism The Temple of Psychick Youth TOPY the panic rituals of the Master Musicians of Joujouka in Morocco psychological individuation processes literary magical realism and the cut up technique of Beat icons like William S Burroughs and Brion Gysin He explores the similarities in psychology between poet Ezra Pound and magician Austin Osman Spare He looks at the Scandinavian Fenris Wolf as a mythic force and how personal pilgrimages can greatly enrich our lives He also examines the philosophy of German author Ernst Jünger the magical techniques of British filmmaker Derek Jarman and the quintessential importance of accepting our own mortality Sharing his more than 30 years of experiences in the fields of occulture and magical anthropology Carl Abrahamsson explores ancient and modern magical history to reveal the source magic that connects us all past and present

Ernst Jünger Julien Hervier, 2014-01-15 T moin exceptionnel du XXe si cle mort cent deux ans Ernst Jünger a v cu en Allemagne sous quatre r gimes politiques et particip deux conflits mondiaux H ros de la Grande Guerre d un nationalisme agressif apr s la d faite allemande laquelle il ne se r signe pas il fait l loge du progr s technique et de la mobilisation totale dans les ann es trente mais il refuse sans ambigu t les avances du r gime nazi avant d adopter dans la seconde moiti de sa vie une position cologique aussi radicale qu indiff rente aux clivages politiques Passionn ment controvers en Allemagne o il a autant d adversaires r solus que de partisans enthousiastes il ne saurait laisser personne indiff rent Avant tout il est domin par sa passion de la langue depuis ses premiers balbutiements litt raires en 1909 il n a jamais cess d crire jusqu aux derni res lignes de son journal en 1996 Grand lecteur de Bloy de Malraux et de tant d autres il a suscit l admiration de Gide ou de Borges crois Braque et Picasso et incarn la r conciliation franco allemande aux c t s de Kohl et de Mitterrand La biographie de Julien Hervier est la premi re r pondre avec une pr cision clairante la curiosit qu il suscite aupr s du public fran ais

Contemporary Democracy and the Sacred Jon Wittrock, 2018-07-26 Debates on the impact of religious traditions upon secular politics have raged throughout the last century and continue today Exposing the ambiguity of secularity in political life Jon Wittrock investigates the contemporary relevance of the sacred beyond established religious communities and within wider civic society In the context of globalization characterized by the spread of capitalist commodification and new technologies of transportation and communication determining the legitimacy of democratic nation states is particularly urgent Questioning ontological challenges to democracy this book confronts the public narratives symbols and rituals of the political domain It analyses modern scholarship on the impact of eschatological figures of thought on government and

political ideologies what hopes there are for universal rights or justice and the public worship of contemporary democracies Bridging the analytical and continental sides of the philosophical divide this book draws upon conceptual analysis as well as phenomenology and deconstruction It advocates neither a left nor a right wing political approach but seeks to outline what political secularization could and should mean

Reference Guide to World Literature Tom Pendergast,2003 Covers writers from the ancient Greeks to 20th century authors Includes biographical bibliographical entries on nearly 500 writers and approximately 550 entries focusing on significant works of world literature Each author entry provides a detailed overview of the writer s life and works Work entries cover a particular piece of world literature in detail

World War I Spencer Tucker,Priscilla Mary Roberts,2005 Publisher description *Heidegger's Being and Time* Thomas Sheehan,2025-05-06 This important new book condenses and rephrases paragraph by paragraph the entirety of Heidegger s magnum opus *Being and Time* Leading Heidegger scholar Thomas Sheehan renders the text in reader friendly language that avoids the worst of the Heideggerese that persists in the wider scholarship He helpfully outlines each of the six chapters and in turn each of the eighty three individual sections of the book providing a critical and insightful commentary that draws on Heidegger s comments on *Being and Time* throughout his career The book also includes commentary and guidance on the terminology scope arguments achievements and limitations of *Being and Time* This reader s guide is an essential resource for students scholars and anyone engaging with Heidegger s complex work

Conversations with Rilke Maurice Betz,2025-07-29 An intimate portrait of Rainer Maria Rilke s life and art in interwar Paris by his friend and translator offering unparalleled insight into the creative process A stunningly written deeply personal biography that s also a master class in the art of translation perfect for fans of Richard Holmes Lydia Davis Kate Briggs and Julian Green From walks in the Luxembourg Garden to letters describing tea with an irascible Tolstoy Rainer Maria Rilke s French translator Maurice Betz enjoyed a rare intimacy with the great poet This book inspired by their time working together on the 1st French translation of Rilke s only novel invites the reader into that friendship offering glimpses of Rilke s creative process and the glittering cultural scene of interwar Paris Betz first came to Rilke as an admirer carrying a book of his poems in his kit bag while serving as a soldier in World War I No other writer meant so much to him and Rilke would come to mean even more once their fruitful partnership began lasting until the poet s death in 1926 Together they spent the spring and summer of 1925 editing Betz s translation of *The Notebooks of Malte Laurids Brigge* a painstaking process interrupted by companionable walks through the streets of Paris and vivaciously told anecdotes from the poet s starry social world This elegant and poignant look at the great writer s final years drawn from Betz s memories and the letters Rilke sent from his travels across Europe provides a portrait of a brilliant mind an evocation of a lost world and a testament to an enduring friendship

The Publishers Weekly ,1995 **The Nature Essay** Simone Schröder,2019-01-04 *The Nature Essay* Ecocritical Explorations is the first extended study of a powerful literary form born out of the traditions of Enlightenment and Romanticism It traces the

varied stylistic paradigms of the nature essay down to the present day Reading essays as platforms for ecological discourse the book analyses canonical and marginalised texts mainly from German English and American literature Simone Schröder argues that the essay's environmental impact is rooted in its negotiation of scientific poetic spiritual and ethical modes of perceiving nature Together the chapters on these four aspects form a historical panorama of the nature essay as a genre that continues to flourish in our time of ecological crisis Authors discussed include Alexander von Humboldt Henry David Thoreau Virginia Woolf Robert Musil Ernst Jünger W G Sebald Kathleen Jamie and David Foster Wallace **François Mitterrand** Ronald Tiersky, 2003 Tiersky examines the three major themes of Mitterrand's presidency socialism national reconciliation and the reconstruction of Europe and shows that on each count Mitterrand left a decisive mark The Lesson of Carl Schmitt Heinrich Meier, 2011-08-26 Heinrich Meier's work on Carl Schmitt has dramatically reoriented the international debate about Schmitt and his significance for twentieth century political thought In The Lesson of Carl Schmitt Meier identifies the core of Schmitt's thought as political theology that is political theorizing that claims to have its ultimate ground in the revelation of a mysterious or suprarational God This radical but half hidden theological foundation underlies the whole of Schmitt's often difficult and complex oeuvre rich in historical turns and political convolutions intentional deceptions and unintentional obfuscations In four chapters on morality politics revelation and history Meier clarifies the difference between political philosophy and Schmitt's political theology and relates the religious dimension of his thought to his support for National Socialism and his continuing anti-Semitism New to this edition are two essays that address the recently published correspondences of Schmitt particularly with Hans Blumberg and the light it sheds on his conception of political theology

Whispering the Secrets of Language: An Mental Journey through **The Details Of Time Conversations With Ernst Junger**

In a digitally-driven earth wherever monitors reign great and quick transmission drowns out the subtleties of language, the profound strategies and mental subtleties concealed within words frequently move unheard.
