## **The Diblos Notebook:**

**The (Diblos) Notebook** James Merrill, 1994 Best known as a poet James Merrill is also an accomplished novelist and in *The Diblos Notebook* artfully lays bare the process of writing a novel A young American writer keeps a notebook that records at one and the same time a series of events on the Greek island of Diblos in which he is deeply involved and his attempts to transform these events into a novel Everything that might be found in such a notebook is used here with great cunning the false starts that end in the middle of a thought the endless revisions canceled out in the search for the right word or phrase the many approaches and backtrackings as the writer seeks an entrance to the materials through several possible doors the musings on how the material is to be treated and the wrestlings with the problem of appearance and assumed reality The author has written an afterword for this new edition of his 1965 novel **The (Diblos) Notebook** J. Merrill, 1975 *The (Diblos) Notebook* James Ingram Merrill, 1865 **The Diblos) Notebook** James Ingram Merrill (Schriftsteller), 1965

James Merrill Langdon Hammer, 2015-04-14 Langdon Hammer has given us the first biography of the poet James Merrill 1926 95 whose life is surely one of the most fascinating in American literature Merrill was born to high privilege and high expectations as the son of Charles Merrill the charismatic cofounder of the brokerage firm Merrill Lynch and Hellen Ingram a muse ally and antagonist throughout her son's life Wounded by his parents bitter divorce he was the child of a broken home looking for repair in poetry and love This is the story of a young man escaping yet also reenacting the energies and obsessions of those powerful parents It is the story of a gay man inventing his identity against the grain of American society during the eras of the closet gay liberation and AIDS Above all it is the story of a brilliantly gifted fiercely dedicated poet working every day to turn his life into art After college at Amherst and a period of adventure in Europe Merrill returned to the New York art world of the 1950s he was friendly with W H Auden Maya Deren Truman Capote Larry Rivers Elizabeth Bishop and other midcentury luminaries and began publishing poems plays and novels In 1953 he fell in love with an aspiring writer David Jackson They explored boys and bars as they made their life together in Connecticut and later in Greece and Key West At the same time improbably they carried on a forty year conversation with spirits of the Other World by means of a Ouija board The board became a source of poetic inspiration for Merrill culminating in his prizewinning uncanny one of a kind work *The Changing Light at Sandover* In his virtuosic poetry and in the candid letters and diaries that enrich every page of this deliciously readable life Merrill created a prismatic art of multiple perspectives and comic self knowledge expressing hope for a world threatened by nuclear war and environmental catastrophe Holding this life and art together in a complex evolving whole Hammer illuminates Merrill's chronicles of love loss and the poignant personal journey they record

Routledge is an imprint of Taylor Francis an informa company **Collected Novels and Plays of James Merrill** James Merrill,2011-03-09 Following the widely celebrated Collected Poems this second volume in the series of James Merrill s works brings us Merrill as novelist and playwright Just as in his poems we come upon prose pieces dramatic dialogue and even a short play in verse in his novels and plays we find the rhythms of his poetry reflected and given new form Merrill s first novel The Seraglio is a daring roman clef derived in large part from his early life as the cosmopolitan son of Charles Merrill one of America s most famous twentieth century financiers Written in a highly refined prose that owes something to Henry James the book is a compelling portrait of the luxury and treachery swirling around the Southampton beach house of an irrepressible family patriarch with his many mistresses and ex mistresses in attendance told from the point of view of his lively but troubled son At the other end of the narrative spectrum we find The Diblos Notebook an experimental novel in which a young American s adventures on a Greek island are deconstructed and assembled into a tentative fiction before our eyes Merrill s plays including the one act comedy of manners The Bait and the Chekhovian The Immortal Husband a reinvention of the myth of Tithonus who was granted eternal life but not eternal youth are also fresh turns on his characteristic themes home and travel reality and artifice simplicity and complication And for the first time in print here is Merrill s short play The Birthday a fledgling effort written in 1947 and a fascinating window onto the concern with spiritual communication and the otherworldly that would later blossom into his great epic The Changing Light at Sandover **The Consuming Myth** Stephen Yenser,1987 Yenser ranges over all of Merrill s writing to date from a precocious book printed

when its author was fifteen to his most recent publication a verse play He writes about both of the poet's novels and pays particular attention to the epic poem *The Changing Light at Sandover*      **The Music of what Happens** Helen Vendler, 1988
