The Historical Jesus Guidelines For Contemporary Catholics:

The Historical Jesus Michael LaVelle Cook,1986 A Guide to Contemporary Hermeneutics Donald K.

McKim,1999-05-25 Acknowledging that hermeneutics has become an increasingly important major focus in theological study Donald McKim's A Guide to Contemporary Hermeneutics presents a series of essays by various writers assessing current hermeneutical approaches and methods of biblical hermeneutics from their own personal experience The Historical Jesus of the Gospels Craig S. Keener,2012-04-13 The earliest substantive sources available for historical Jesus research are in the Gospels themselves when interpreted in their early Jewish setting their picture of Jesus is more coherent and plausible than are the competing theories offered by many modern scholars So argues Craig Keener in The Historical Jesus of the Gospels In exploring the depth and riches of the material found in the Synoptic Gospels Keener shows how many works on the historical Jesus emphasize just one aspect of the Jesus tradition against others but a much wider range of material in the Jesus tradition makes sense in an ancient Jewish setting Keener masterfully uses a broad range of evidence from the early Jesus traditions and early Judaism to reconstruct a fuller portrait of the Jesus who lived in history Divine Revolution Dean Brackley,2004-09-27 A compelling exploration of one of the central issues if not the central issue facing theology in our time the relation between transcendent salvation and temporal liberation What does the salvation that the church proclaims mean for the poor of the world In Divine Revolution Dean Brackley presents in a comprehensive yet manageable way what Catholic theology has to say about this complex and urgent topic He addresses the historical as well as the systematic dimensions of the question providing insights that point toward an understanding of the issues that challenge conservative and liberal interpretations alike In a work of great daring and clarity Brackley surveys the confusion surrounding the social historical dimension of salvation in Catholic thought He shows the irony of the fact that after 2 000 years what salvation means for the poor in relationship to their concrete plight remains a quaestio disputata for official Magisterial teaching Going deeply into the relationship of salvation and liberation Brackley explores the thought of Maritain Rahner and Gutierrez to demonstrate how the synbolon of the Reign of God that Jesus announces transcends the tired theological distinctions of all sides in the debate Drawing from developments in feminist and Protestant theology as well as contemporary social theory Divine Revolution offers a fresh understanding of what it means to participate in God's revolutionary reign Catholic tradition Brackley argues has great potential to articulate a hope which responds to the suffering of the poor in our time When conventional wisdom says compassion fatigued Americans are tired of hearing about the poor Brackley responds The poor are far more tired of being poor They too would like to move on to other things but they cannot **The Critic** ,1985 **The Historical Jesus: Jesus' mission, death, and Resurrection** Craig A. Evans,2004 Including a range of materials dating from the nineteenth century to the present this comprehensive collection brings together the essential research into the historical reality of Jesus the man his teachings and the acts and events ascribed to him that comprise the foundational story

of one of the world's central religions. The set features a substantial new introduction by the editor in the first volume and a full index in the last and provides work covering all of the key aspects of the field including the recent discussions concerning anti-Semitism in early Christianity and the political and ideological filtering of the Jesus story through the Roman empire and beyond.

Contemporary Catholic Theology Michael A. Hayes, Liam Gearon, 1999-03-01 The contents of this volume offer the reader a broad insight into Catholic theology. Established as an indispensable introduction to six areas of study: The Old Testament, The New Testament, The Person of Jesus, The Church, Christian Morality, and The Sacraments. This collection provides key texts from some of the most distinguished writers in Catholic theology today. Contributors include Philippe B. T. Guerie and Claude Duchesneau, Christopher Butler, Raymond Brown, S. S. Joseph, A. Fitzmyer, S. J. Gideon Goosen, and Margaret Tomlinson, John H. Hayes, Monika Hellwig, Aidan Kavanagh, O. S. B. Dermot A. Lane, Enda Lyons, Vincent MacNamara, Richard P. McBrien, Enda McDonagh, Joseph Martos, Robert Murray, S. J. Denis F. O. Callaghan, Timothy E. O. Connell, John F. O. Grady, Jean Pierre Prêtre, Thomas P. Rausch, S. J. Jeffrey S. Siker, Daniel L. Smith, Christopher Francis Sullivan, S. J.

Uniform Trade List Annual, 1989 *Jesus, the Christ* Brennan Hill, 1991 Comprehensive and up to date research combined with the author's great gift of communication makes this a particularly popular text for introducing the historical Jesus to college students and adults. Current issues are treated with clarity and candor.

A Thematic Access-Oriented Bibliography of Jesus's Resurrection Michael J. Alter, 2019-12-31 The keystone of Christianity is Jesus's physical bodily resurrection. Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus. The literature measures well over seven thousand sources in English language books alone. This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task. Even when a specific book is relevant, finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort. A Thematic Access Oriented Bibliography of Jesus's Resurrection addresses these challenges in several ways. First, the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently. Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views: theistic e.g. Christian, Jewish, Muslim, etc. agnostic and nontheistic. The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease.
