Phil Baker

The Holy Paragon:

City of the Beast Phil Baker, 2022-08-16 A work that combines biography and psychogeography to trace Aleister Crowley's life in London I dreamed I was paying a visit to London Aleister Crowley wrote in Italy continuing It was a vivid long coherent detailed affair of several days with so much incident that it would make a good sized volume Crowley had a love hate relationship with London but the city was where he spent much of his adult life and it was the capital of the culture that created him Crowley was a post decadent with deviant Victorian roots in the cultural ferment of the 1890s and the magical revival of the Golden Dawn Not a walking guide although many routes could be pieced together from its pages this is a biography by sites A fusion of life writing with psychogeography steeped in London's social history from Victoria to the Blitz it draws extensively on unpublished material and offers an exceptionally intimate picture of the Great Beast We follow Crowley as he searches for prostitutes in Hyde Park and Pimlico drinks absinthe and eats Chinese food in Soho and find himself down on his luck in Paddington Green and never quite losing sight of the illumination that drove him the abiding rapture he wrote in his diary which makes a bus in the street sound like an angel choir **The Holy Paragon** Bob

Karnes, 2016-02-21 Twenty five years after the fact the author relives his high school experience With subject photographs and references to the 1970s **Holy Rulers and Blessed Princesses** Gábor Klaniczay, 2002-03-14 A study of medieval Hungarian and central European royal saints **The Miraculous Flying House of Loreto** Karin Vélez, 2018-12-11 In 1295 a house fell from the evening sky onto an Italian coastal road by the Adriatic Sea Inside awestruck locals encountered the Virgin Mary who explained that this humble mud brick structure was her original residence newly arrived from Nazareth To keep it from the hands of Muslim invaders angels had flown it to Loreto stopping three times along the way This story of the house of Loreto has been read as an allegory of how Catholicism spread peacefully around the world by dropping miraculously from the heavens In this book Karin Vélez calls that interpretation into question by examining historical accounts of the movement of the Holy House across the Mediterranean in the thirteenth century and the Atlantic in the seventeenth century These records indicate vast and voluntary involvement in the project of formulating a branch of Catholic devotion Vélez surveys the efforts of European Jesuits Slavic migrants and indigenous peoples in Baja California Canada and Peru These individuals contributed to the expansion of Catholicism by acting as unofficial authors inadvertent pilgrims unlicensed architects unacknowledged artists and unsolicited cataloguers of Loreto Their participation in portaging Mary's house challenges traditional views of Christianity as a prepackaged European export and instead suggests that Christianity is the cumulative product of thousands of self appointed editors Vélez also demonstrates how miracle narratives can be treated seriously as historical sources that preserve traces of real events Drawing on rich archival materials *The Miraculous Flying House of Loreto* illustrates how global Catholicism proliferated through independent initiatives of untrained laymen WHY ANYTHING - WHY NOT NOTHING: THE GOLDBLOCKS PARAGON Captain Robert Cowley, 2019-09-24 Captain Robert Cowley

walked a deserted Pacific beach it was pre dawn dark and chilly Suddenly he heard a voice Robert look up He looked up and observed the faint glow of Mars and billions of stars The voice spoke again Why anything Why not nothing Cowley an archetypal on and off believer wrote Why Anything Why Not Nothing for atheists theists scientists evolutionists and more He asks are humans the remnants of a natural big bang that coalesced into a universe or might we be the creation of a supernatural God Asking difficult questions and challenging the bounds of human reason logic and intelligence he reviews Biblical science against modern science and the limitations inherent in matter he seeks to understand how and why we are here Cowley searches for answers in the cosmos and in the supernatural philosophy of two monotheistic religions Judaism and Christianity He ponders with amazing intelligible lucidity is evolution or God responsible for life **The Catholic**

Invasion of China D. E. Mungello, 2015-07-01 The culmination of D E Mungello s forty years of study on Sino Western history this book provides a compelling and nuanced history of Roman Catholicism in modern China As the author vividly shows when China declined into a two century cycle of poverty powerlessness and humiliation the attitudes of Catholic missionaries became less accommodating than their famous Jesuit predecessors He argues that invasion accurately characterizes the dominant attitude of Catholic missionaries especially the French Jesuits in their attempt to introduce Western religion and culture into China during the nineteenth and early twentieth century Elements of this attitude lingered until the end of the last century when many Chinese felt that Pope John Paul II s canonization of 120 martyrs reflected the imposition of an imperialist mentality In this important work Mungello corrects a major misreading of modern Chinese history by arguing that the growth of an indigenous Catholic church in the twentieth century transformed the negative aspects of the invasion into a positive Chinese religious force Peerless Martial God 2 Captain Q, 2019-12-24 There was
