Skinhead Nation:

Skinhead Nation George Marshall,1996 **Skinheads** Tiffini Travis,Perry Hardy,2012-04-13 This book provides a fascinating examination of one of the most notorious countercultures in the United States Skinheads A Guide to An American Subculture is an insider s look at the history of skinheads in the United States from their emergence from the U S hardcore underground in the 1980s in New York City Chicago Washington DC and Los Angeles to the current scene that thrives in many major metropolitan areas today What makes this revelatory book so compelling is its one of a kind view of skinhead culture from the inside out Coauthor Perry Hardy is a skinhead bass player for the band The Templars and veteran member of the American skinhead scene since the onset of the movement Based on his experiences plus interviews with dozens of skinheads of all kinds Skinheads draws back the curtain to reveal a world that more often is simply a haven for those disaffected from society rather than a subculture of hatred or violence **Skinhead History, Identity, and Culture** Kevin Borgeson,Robin Valeri,2017-11-08 Skinheads go beyond the societal stereotype of hate mongers bigots and Neo Nazis The community of skins also includes traditional skins those that adhere to the original philosophy of the British movement in 1969 Skinheads Against Racial prejudice SHARPS and gay skins female skins and Neo Nazi or Racist Nationalist skins Skinhead History Identity and Culture covers the history identity and culture of the skinhead movement in Europe and America looking at the total culture of the skins through a cross sectional analysis of skinheads in various countries Authors Borgeson and Valeri provide original research data to cast new light into the skinhead community Some of the data is ethnographic drawing on face to face interviews with skins of all kinds while other data is compiled from the Internet and social media about various skinhead groups within the United States Europe and Australia The book covers the history of the subculture explores the unique cultures of female gay and Neo Nazi skins and explores manifestations of the culture as represented on the Internet and in music The work discusses how skinheads derive their values and morals and how they fit into the larger social structure **In the Name of the Nation** M. Laruelle,2009-10-26 This book deconstructs the equation of nationalism with the extreme right in Russia Nationalism now extends throughout all of the country and can not be seen as a phenomenon confined to the margins of society This study rejects the interpretation that understands Kremlin backed patriotism as simply part of a fascist trend in Russia and as a rapprochement between the political authorities and the extreme right A simplistic analysis of such a paradoxical phenomenon addresses neither the basic issue of social consensus nor that of the inherent relationship between national identity and citizenship *American Skinheads* Mark S. Hamm,1994-06-30 *American Skinheads* is the first criminological analysis of organized hate crime violence Mark Hamm presents historical specificity for a modern theory of hate crime then rigorously tests the theory with interview data derived from skinheads who have committed an array of violent acts against persons because of their race religion or sexual preference people who are members of the classic outgroups of American society Part One traces the roots of the Skinhead

Nation through the Beats Mods Hippies and Punks in London and then examines the rise of the Neo Nazi Skinheads in the United States including a look at Neo Nazi offshoots Romantic Violence The Aryan Youth Movement recruiters Tom Metzger and recruitment tools W A R Magazine and Hotline electronic mail Race and Reason and appearances on the Oprah Winfrey and Geraldo Rivera shows In Part Two Hamm discusses the accepted sociological perspectives on terrorist youth subcultures not gangs then presents findings of his own study of 36 skinheads including social and economic characteristics psychological profiles the role of skinhead girls use of drugs and weapons satanism and neo fascism Part Three assesses the future for American Neo Nazism and recommends steps for preventing skinhead terrorism
