Sonnets and Other Poems George Braithwaite, 1875

WORDSWORTH & COLERIDGE: Lyrical Ballads and Other Poems Samuel Taylor Coleridge, William Wordsworth, 2017-08-07 This carefully edited collection has been designed and formatted to the highest digital standards and adjusted for readability on all devices Lyrical Ballads two collections of poems by William Wordsworth and Samuel Taylor Coleridge are generally considered to have marked the beginning of the English Romantic movement in literature The immediate effect on critics was modest but they became and remain a landmark changing the course of English literature and poetry Most of the poems in the 1798 edition were written by Wordsworth with Coleridge contributing only five poems to

the collection including one of his most famous works *The Rime of the Ancient Mariner*. A second edition was published in 1800 in which Wordsworth included additional poems and a preface detailing the pair's avowed poetical principles.

Samuel Taylor Coleridge (1772–1834) was an English poet, literary critic, and philosopher who, with his friend William Wordsworth, was a founder of the Romantic Movement in England and a member of the Lake Poets. He wrote the poems *The Rime of the Ancient Mariner* and *Kubla Khan*, as well as the major prose work *Biographia Literaria*.

William Wordsworth (1770–1850) was a major English Romantic poet who, with Samuel Taylor Coleridge, helped to launch the Romantic Age in English literature with their joint publication *Lyrical Ballads* (1798).

LYRICAL BALLADS WITH OTHER POEMS 1800

Vienna Blood & Other Poems Jerome Rothenberg, 1980

Vienna Blood Other Poems is in some ways the most synthesizing of Jerome Rothenberg's recent collections, pulling together work from the 1970s that stands apart from *Poland* (1931/1974) and *A Seneca Journal* (1978), yet at the same time continuing the enactment of past and present begun in those books. But where before he chose to restrict his exploration to ancestral Jewish and Amerindian poetics, Rothenberg now takes us on a series of broader journeys through the collapsed landscape of what he calls the new wilderness, evoked as place as structure as mind. Written both to be read quietly on the printed page and aloud in performance, the poems in *Vienna Blood*, though experimental and language-centered, are nevertheless the work of a poet who, by his own admission, is crazy for content. Make no mistake about it: As if to underscore this point, he has appended brief comments to most of the major sections of the book in order, as he says, to give it some context in the way of oral tradition, usually reserved for poetry readings, etc. a little of which I now commit to writing.

a Year & other poems Jos Charles, 2022-03-15

From the celebrated author of *feeld* comes a formally commanding third collection, dexterously recounting the survival of a period suffused with mourning. Jos Charles's poems communicate with one another as neurons do, sharp-charged in language that predates language. A scandal, three cartons red in a hedge, in each the thousand-eye research of flies. With acute lyricism, she documents how a person endures seemingly relentless devastation: California wildfires, despotic legislation, housing insecurity amid illusions of safety. I wanted to believe, Charles declares, a corner a print leaned to a corner can save a people. Still, the house falls apart. Death visits and lingers. Belief proves again and again that belief alone is not enough. Yet miraculously, one might still manage to seek, propelled by love or hope or sometimes only momentum, something better. There is a place where there are no futile longings, no persistent institutional threats to one's life. Poems might take us there, tenderness too, as long as we can manage to keep moving. A current gives as much as it has, writes Charles, despite fire, despite loss. Harrowing and gorgeous, *a Year & other poems* is an astonishing new collection from a poet of unusual beauty and lyricism.

Irwin, 2011-11-17 In one of his letters Hart Crane wrote Appollinaire lived in Paris I live in Cleveland Ohio comparing misspelling and all the great French poet's cosmopolitan roots to his own more modest ones in the midwestern United States Rebelling against the notion that his work should relate to some European school of thought Crane defiantly asserted his freedom to be himself a true American writer John T Irwin long a passionate and brilliant critic of Crane gives readers the first major interpretation of the poet's work in decades Irwin aims to show that Hart Crane's epic The Bridge is the best twentieth century long poem in English Irwin convincingly argues that compared to

other long poems of the century The Bridge is the richest and most wide ranging in its mythic and historical resonances the most inventive in its combination of literary and visual structures the most subtle and compelling in its psychological underpinnings Irwin brings a wealth of new and varied scholarship to bear on his critical reading of the work from art history to biography to classical literature to philosophy revealing The Bridge to be the near perfect synthesis of American myth and history that Crane intended Irwin contends that the most successful entryway to Crane s notoriously difficult shorter poems is through a close reading of The Bridge Having admirably accomplished this Irwin analyzes Crane s poems in White Buildings and his last poem The Broken Tower through the larger context of his epic showing how Crane in the best of these worked out the structures and images that were fully developed in The Bridge Thoughtful deliberate and extraordinarily learned this is the most complete and careful reading of Crane s poetry available Hart Crane may have lived in Cleveland Ohio but as Irwin masterfully shows his poems stand among the greatest written in the English language School Work ,1903 **Children's Book Review Index 1995 Cumulative** Beverly Baer,George Baer,1996-04 Provides access to reviews of children s books and periodicals that are indexed by Book Review Index **The Publishers Weekly** ,1877
