Slave Narratives:

Six Women's Slave Narratives William L. Andrews, 1988 Six narrations by slave women about their lives during and after their years in bondage honoring the nobility and strength of African American women of that era *Maryland Slave Narratives* Federal Writers Project, 1938-01-01 From 1936 to 1938 the Works Projects Administration WPA commissioned writers to collect the life histories of former slaves This work was compiled under the Franklin Roosevelt administration during the New Deal and economic relief and recovery program Each entry represents an oral history of a former slave or a descendant of a former slave and his or her personal account of life during slavery and emancipation These interviews were published as type written records that were difficult to read This new edition has been enlarged and enhanced for greater legibility No library collection in Maryland would be complete without a copy of *Maryland Slave Narratives* *Memories of the Enslaved* Spencer R. Crew, Lonnie G. Bunch III, Clement A. Price, 2015-09-15 This book offers a first person perspective on the institution of slavery in America providing powerful engaging interviews from the WPA slave narrative collection that enable readers to gain a true sense of the experience of enslavement Today's students understandably have a hard time imagining what life for slaves more than 150 years ago was like The best way to communicate what slaves experienced is to hear their words directly The material in this concise single volume work illuminates the lives of the last living generation of enslaved people in the United States former slaves who were interviewed about their experiences in the 1930s Based on more than 2 000 interviews the transcriptions of these priceless interviews offer primary sources that tell a diverse and powerful picture of life under slavery The book explores seven key topics childhood marriage women work emancipation runaways and family Through the examination of these subject areas the interviews reveal the harsh realities of being a slave such as how slave women were at the complete mercy of the men who operated the places where they lived how nearly every enslaved person suffered a beating at some point in their lives how enslaved families commonly lost relatives through sale and how enslaved children were taken from their parents to care for the children of slaveholders The thematic organizational format allows readers to easily access numerous excerpts about a specific topic quickly and enables comparisons between individuals in different locations or with different slaveholders to identify the commonalities and unique characteristics within the system of slavery Great Slave Narratives Arna Bontemps, 1969 This genre an exciting and too little known part of American literature and history has played an important role in the development of such distinguished authors as Richard Wright James Baldwin and Ralph Ellison **Slave Narratives after Slavery** William L. Andrews, 2011-04-25 The pre Civil War autobiographies of famous fugitives such as Frederick Douglass William Wells Brown and Harriet Jacobs form the bedrock of the African American narrative tradition After emancipation arrived in 1865 former slaves continued to write about their experience of enslavement and their upward struggle to realize the promise of freedom and citizenship *Slave Narratives After Slavery* reprints five of the most important and revealing first person narratives of slavery and freedom

published after 1865 Elizabeth Keckley's controversial *Behind the Scenes* 1868 introduced white America to the industry and progressive outlook of an emerging black middle class The little known *Narrative of the life of John Quincy Adams When in Slavery and Now as a Freeman* 1872 gave eloquent voice to the African American working class as it migrated from the South to the North in search of opportunity William Wells Brown's *My Southern Home* 1880 retooled the image of slavery delineated in his widely read antebellum *Narrative* and offered his reader a first hand assessment of the South at the close of Reconstruction Lucy Ann Delaney used *From the Darkness Cometh the Light* 1891 to pay tribute to her enslaved mother and to exemplify the qualities of mind and spirit that had ensured her own fulfillment in freedom Louis Hughes's *Thirty Years a Slave* 1897 spoke for a generation of black Americans who perceiving the spread of segregation across the South sought to remind the nation of the horrors of its racial history and of the continued dedication of the once enslaved to dignity opportunity and independence

Indiana Slave Narratives Federal Writers' Project, 2006 Autobiographical accounts of former slaves compiled in the 1930s by the Federal Writers Project of the Works Progress Administration

The Slave's Narrative Henry Louis Gates, 1985 The autobiographical narratives of black ex slaves published in the eighteenth and nineteenth centuries constitute the largest body of literature produced by slaves in human history Black slaves in the New World created a veritable literature of escape depicting the overwhelming horrors of human bondage These narratives served the abolitionist movement not only as evidence of the slaves degradation but also of their intellectual capacity Accordingly this literature has elicited a wealth of analysis and controversy from its initial publication right up to our day This volume charts the response to the black slave's narrative from 1750 to the present The book consists of three sections selected reviews of slave narratives dating from 1750 to 1861 essays examining how such narratives serve as historical material and essays exploring the narratives as literary artifacts

The Oxford Handbook of the African American Slave Narrative John Ernest, 2014 Given the rise of new interdisciplinary and methodological approaches to African American and Black Atlantic studies *The Oxford Handbook of the African American Slave Narrative* will offer a fresh wide ranging assessment of this major American literary genre The volume will begin with articles that consider the fundamental concerns of gender sexuality community and the Christian ethos of suffering and redemption that are central to any understanding of slave narratives The chapters that follow will interrogate the various agendas behind the production of both pre and post Emancipation narratives and take up the various interpretive problems they pose Strategic omissions and veiled gestures were often necessary in these life accounts as they revealed disturbing too painful truths far beyond what white audiences were prepared to hear While touching upon the familiar canonical autobiographies of Frederick Douglass and Harriet Jacobs the Handbook will pay more attention to the under studied narratives of Josiah Henson Sojourner Truth William Grimes Henry Box Brown and other often overlooked accounts In addition to the literary autobiographies of bondage the volume will anatomize the powerful WPA recordings of interviews with former slaves during the late 1930s With essays on the genre's

imaginative afterlife its final essays will chart the emergence and development of neoslave narratives most notably in Styron's *The Confessions of Nat Turner* Toni Morrisons *Beloved* and Octavia Butler's provocative science fiction novel *Kindred* In short the Handbook will provide a long overdue assessment of the state of the genre and the vital scholarship that continues to grow around it work that is offering some of the most provocative analysis emerging out of the literary studies discipline as a whole

Slave Culture Spencer R. Crew, Lonnie G. Bunch III, Clement A. Price, 2014-05-28 For the first time the WPA Slave Narratives are organized by theme making it easier to examine and understand specific aspects of slave life and culture There is no better way to appreciate history than to experience it through the eyes of those who lived it Slave Culture A Documentary Collection of the Slave Narratives from the Federal Writers Project brings together the memories of the last generation of enslaved African Americans gathered through interviews conducted between 1936 and 1938 This three volume work stands apart from previous Slave Narrative collections in that it organizes the narratives thematically bringing the rich tapestry of slave culture to life in a fresh way Within each thematic area multiple excerpts span time gender and geography An introductory essay for each theme and a contextual explanation for each narrative help readers draw lessons from this vast collection while an introduction to the work explains the Works Progress Administration's Slave Narrative project illuminating still another era in American history

The WPA Oklahoma Slave Narratives T. Lindsay Baker, Julie Philips Baker, 1996 I never talk to nobody bout this was the response of one aged African American when asked by a Works Project Administration field worker to share memories of his life in slavery and after emancipation He and other ex slaves were uncomfortable with the memories of a time when black and white lives were interwoven through human bondage Yet the WPA field workers overcame the old people's reticence and American West scholars T Lindsay Baker and Julie P Baker have collected all the known WPA Oklahoma slave narratives in this volume for the first time including fourteen never published before Their careful editorial notes detail what is known about the interviewers and the process of preparing the narratives

Voices of Freedom Solomon Northup, Frederick

Douglass, Harriet Jacobs, Sojourner Truth, 2017-10-03 Four of the most important and enduring American slave narratives together in one volume Until slavery was abolished in 1865 millions of men women and children toiled under a system that stripped them of their freedom and their humanity Much has been written about this shameful era of American history but few books speak with as much power as the narratives written by those who experienced slavery firsthand The basis for the film of the same name Twelve Years a Slave is Solomon Northup's heartrending chronicle of injustice and brutality Northup was born and raised a freeman in New York State until he was kidnapped and sold into slavery in the Deep South Before returning to his family and freedom he suffered smallpox the overseer's lash and an attempted lynching Perhaps the most famous of all slave chronicles Narrative of the Life of Frederick Douglass immediately struck a chord with readers when it was first released in 1855 After escaping to freedom Douglass became a well known orator and abolitionist drawing on his own experiences to condemn the evils of slavery One of the few female slave narratives Incidents in the Life of a Slave Girl was originally published under a pseudonym by Harriet Jacobs After she escaped to freedom in North Carolina where she became an abolitionist Jacobs described the particular suffering of female slaves including sexual harassment and abuse Published in 1850 The Narrative of Sojourner Truth is Truth's landmark memoir of her life as a slave in upstate New York and her transformation into a pioneer for racial equality and women's rights These narratives serve as a timeless testament to the strength and bravery and as a voice to the millions of people enslaved in this dark period of American history This ebook has been professionally proofread to ensure accuracy and readability on all devices
