Campaign 2010 Nicholas Jones,2011-10-31 In the run up to the general election of May 2010 it was universally acknowledged that whatever the outcome this vote would start a fresh chapter in British political history But no one anticipated just how fresh that chapter would be Twists and turns made it an election like no other David Cameron launched the Tories poster campaign with an unblemished photograph of himself and it became the most parodied image of the election Nick Clegg went into the first of the leaders television debates derided as The Other One and emerged as a major player with I agree with Nick the campaign s unlikely catchphrase Mrs Gillian Duffy went out to buy a loaf of bread in Rochdale and happened to encounter Gordon Brown with disastrous consequences for the Labour cause But none of the soap opera of the weeks leading up to 6 May could match the drama of the days following the election s inconclusive result the positioning the posturing the negotiating and the bargaining which eventually saw David Cameron moving into 10 Downing Street in a coalition government with the Liberal Democrats A fresh chapter in political history and a fresh level of political theatre incisively described by Nicholas Jones *Editorials on File* ,1997 *Annual Index* ,2000 *British Hit Singles & Albums* David Roberts,2006 This reference guide to both singles and albums in the UK pop charts lists titles artists labels catalogue numbers highest positions attained number of weeks on chart and US no 1 information as well as selected biographies and pop news **The New Zealand Law Journal** ,2000 *California Business* ,1988 **New York Magazine** ,1988-12-12 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea
