Summer Place Patrick Little, 2023-08-10 *Summer Place* is an overt passionate view of the golf industry traced through the writings of a Canadian golf professional during the late twentieth century. It's a story a young golfer's devout dream of one day becoming a club pro aspirations eventually annulled through the injustice of industry. Written in journalistic expression *Summer Place* shares insight into golf swing theory industry background golf course architecture and the extraordinary woman in his life. Interpretations glimpsed through past portals and those met along his journey. In an innocent quest it also aspires to understand the inner core of golf's mystique. En route however it affectionately attempts to bridge the gap between golf AND life while examining the contamination of politics. *Summer Place* is fondly dedicated. And while it slices out lessons learned along the fairways of life it also asks readers to stand back and assess audit and perhaps appreciate pasts. Pasts of music before rap and heavy metal. Of political pasts before Trump and echoes of golf as it too was.

Hook Up William P. Singley, 2014-05-29 It was an Army between wars Korea was a fresh memory for some soldiers and Vietnam was only an insignificant blip on the military radar It was an Army in which reluctant draftees mixed with aimless volunteers looking for adventure and ways to test or confirm their manhood In those days and in that Army hook up was a jump command for paratroopers rather than a romantic liaison Hook Up A Novel of Fort Bragg takes us inside that Army and introduces fascinating characters who are struggling to become paratroopers and survive in a starch stiff U S Army airborne regiment based at Ft Bragg North Carolina Side by side in that demanding trek are officers like Lieutenant Sy Margolin a potential nebbish who instead becomes a strong leader and enlisted men like Privates Willie Patterson and Scott Breslin who challenge

authority every step of the way to winning their paratrooper wings In Hook Up we get a close up very personal and fascinating look at an Army that no longer exists an Army populated with soldiers who have either learned hard life lessons or are about to learn them in a crucible where failure can land you in the stockade or in the morgue From the rigors of barracks life to the raucous off post adventures to the thrilling jump sequences Hook Up is a fast paced thrilling story of military excellence pursued and human innocence lost Hilarious irreverent irrelevant racist profane vulgar tragic all describe the lives of teenage paratroopers in William Singley s Hook Up a novel about of the 82nd Airborne Division at Fort Bragg in the late 1950s I recommend Hook Up All the Way Joe Epley Military Writers Society of America
