The Country David Plante, 2004-12-08 First published in 1981 to wide acclaim a haunting family novel by a daringly skillful writer Philip Roth Foreword by Mary Gordon First published in 1981 to wide acclaim *The Country* follows the last visits of a son Daniel Francoeur to his parents home before the death of his father Wanting to understand this enigmatic man Daniel seeks insight through the particulars of his father's life handling his father's tools and tending to his father's feeble body Through this contact his father's mysteries are revealed his Native American heritage his lifelong work as a toolmaker and his deep and conflicted relationships with his invalid wife and his seven sons Written quietly with great force *The Country* illuminates the ties of family the relationships between fathers and sons and the love that is often hidden but ever present Becoming a Londoner David Plante, 2013-09-24 The first volume of National Book Award finalist David Plante's extraordinary diaries of a life lived among the artistic elite in 1960s London Nikos and I live together as lovers as everyone knows and we seem to be accepted because it's known that we are lovers In fact we are according to the law criminals in our

making love with each other but it is as if the laws don't apply. It is as if all the conventions of sex and clothes and art and music and drink and drugs don't apply here in London. In the 1960s strangers to their new city and from the different worlds of New York and Athens, David and Nikos embarked on a life together, a partnership that would endure for forty years. At a moment of absolute respect for differences, London offered a freedom in love unattainable in their previous homes. Friendships with Stephen and Natasha Spender, Francis Bacon, Sonia Orwell, W. H. Auden, Christopher Isherwood, Steven Runciman, David Hockney, and R. B. Kitaj; meetings with such Bloomsbury luminaries as E. M. Forster and Duncan Grant; and a developing friendship with Philip Roth living in London with Claire Bloom opened up worlds within worlds. Connections appeared to crisscross invisibly through the air, interconnecting everyone. David Plante has kept a diary of his life for more than half a century. Both a deeply personal memoir and a fascinating and significant work of cultural history, this first volume spans his first twenty years in London, beginning in the mid sixties and piecing together fragments of diaries, notes, sketches, and drawings to reveal a beautiful, intimate portrait of a relationship and a luminous evocation of a world of writers, poets, artists, and thinkers.

The British National Bibliography Arthur James Wells, 1971 *Critical Survey of Long Fiction* Frank Northen Magill, 1987. Presents critical studies of fifty novelists from all over the world who were not included in the original multi-volume surveys of long fiction.
