Slipping To Normal A Matter Of Leadership:

Slipping to Normal Bill Arthur,2004-08 Leaders reported for white collar mischief by the media haven t done it the first time in their lives Life just isn t that way Immorality is a habit one develops that usually ends in headlines In Slipping to Normal author Bill Arthur applies an adage Every society normalizes its own moral sickness to show why we make bad choices Slipping to Normal is about the leader whose bad choice is simply to look the other way and rationalize misconduct with attitudes such as Everybody does it so why bother trying to change it As long as subordinates do their work I don t worry about how It is hard enough for corporate executives just to sustain focus on business objectives deep into the organization without trying to make people good Financial reward is the only goal in business is a frequent complaint about business but this doesn t reach the deep seeded motivations down in the trenches The declining influence of the church is also a factor but it is still a player in our society Slipping to Normal draws upon Biblical teachings to offer some ideas to regain our moral backbone **Educational Leadership** Patrick Duignan,2012-07-30 The second edition of Educational Leadership Together Creating Ethical Learning Environments is a groundbreaking work at the forefront of current research into the ethical challenges inherent to leadership Patrick Duignan combines a new perspective of leadership as an influence relationship with a collective ethic of responsibility Educational Leadership draws together cutting edge research theory and best practice on learning teaching and leadership to assist leaders and teachers to better understand contemporary educational challenges and respond to them wisely creatively and effectively This book is indispensable for all system and educational professionals engaged in policy making leadership development leading learning in schools and those in academe responsible for programs aimed at the improvement of learning teaching and leadership **Reflexive Leadership** Mats Alvesson,Martin Blom,Stefan Sveningsson,2016-11-24 Making a case for a reflexive approach to leadership the authors draw upon decades of carrying out in depth studies of professionals trying to do leadership Through interviews with managers and their subordinates getting a good understanding of organizational context and critically interpreting their observations considering both leadership theories and a wealth of other perspectives their celebration of reflexivity is used to question dominant leadership thinking Considering and challenging various departures from lines of reasoning results in a book that draws upon rich empirical material and which has a number of new provocative critical and constructive ideas that help to develop sharper and more thoughtful thinking and practice both in academic and practical contexts Suitable for leadership and organisation courses at upper level undergraduate and upwards including MBA classes and Executive Education and a thought provoking read for practitioners and management development professionals interested in leadership thought

Leadership in Science and Technology: A Reference Handbook William Sims Bainbridge,2011-10-20 Tackling 100 key topics and providing case studies in the area of science and technology leadership this reference handbook is an essential resource for students in this area **Navigating an Organizational Crisis** Harry Hutson,Martha Johnson,2016-01-18 How are leaders facing a crisis supposed to handle and overcome an unknowable set of issues This book demonstrates how effective leaders under pressure work from an understanding of the situation at hand and of their impact on others and explains how leaders can best apply their internal strengths Most leaders are steeped in risk management crisis response tactics readiness for disaster continuity of operations planning and logistical and agility capabilities These preparations are critical but not complete The reality is that even experienced leaders themselves need guidance when it comes to managing a crisis This standout book fills that need drawing on interviews with successful leaders research findings on trauma neuroscience and crisis management and the authors own extensive career experiences The chapters suggest and probe ideas from various angles rather than promoting simplistic formulas or nostrums that are unlikely to apply to all circumstances and present new angles on self awareness and management under pressure for the practitioner The book leads off with a description of organizational disaster and crisis leadership topics of considerable concern as disasters are becoming the new normal The authors then explore three critical but very different types of responses by leaders at such a time recognition and response care of self and others and storytelling A detailed case study of a leader in the midst of Hurricane Katrina the most expensive natural disaster in U S history provides readers with a real world practicum for the theories and ideas suggested The Hospitable Leader Terry A. Smith,2018-10-02 Successful leaders today don t dictate they invite They don t dismiss they welcome They don t neglect they care Now more than ever we must pay attention to the soft side of leadership if we want hard results As leaders from parents to CEOs we must learn gracious leadership to truly positively change our spheres of influence In this passionate powerful book pastor and leadership mentor Terry Smith fleshes out five vital principles you need to become a hospitable leader He shows that this type of leadership is not superficial niceness or allowing people to do whatever they want Hospitable leadership is result oriented because it s motivated by genuine love It s how you create environments where people and dreams can thrive where vision turns to action and where great things happen regularly Here is everything you need to become the type of leader people want to follow **The New Generation of Leadership** Nelson David Bassey,Rajasvaran Logeswaran,Sarah Michel,2013-08-21 While there are millions of graduates leaving colleges and universities every year major statistics show that more than 53 percent of these graduates are either unemployed or underemployed In addition many young people today fail to live up to their potential or even

attempt to achieve their dreams due to lack of confidence in their abilities that often results from not being given permission to be and develop who they truly are In THE NEW GENERATION OF LEADERSHIP the authors gives outright that permission and shares practical steps inspiring stories and anecdotes helpful principles and uncommon truths in the nurturing of those innate qualities that will help young people increase their value excel and stand out from the crowd
