Spill Your Guts The Ultimate Conversation Game:

Spill Your Guts! Bob Basso, 2011-03-23 Spill Your Guts is the quintessential hip in your face conversation game book. Containing nearly 900 no holds barred questions guaranteed to elicit provocative funny and intriguing responses. Game of Fear: A gripping psychological thriller Gledé Browne Kabongo, 2016-02-24 Sometimes good girls do very bad things. Academic overachiever and popular good girl Abbie Cooper is used to being in control and strives to keep it that way. As senior year at her elite New England private school kicks off, she's focused on one goal: getting into the Ivy League. But even good girls have dark secrets. One morning Abbie discovers a cryptic note in her locker: "I know what you did. Hypocrite. Justice will be served. The Avenger." Then a photo arrives in the mail. It captures in great detail the explosive secret she's kept hidden from everyone: the shocking blunder that could get her expelled from Saint Matthews Academy and keep her out of the Ivy League for good. Determined to protect her future and the people she loves, Abbie is drawn into a diabolical game of blackmail, cyber spying, and deception. For 50,000, the mystery girl known as The Avenger assures Abbie that her secret will remain safe. There's only one problem: The Avenger may not exist at all. So who's stalking Abbie with anonymous text messages that disappear after they've been read? Who's out to ruin her, and why? To uncover the horrifying truth, Abbie must play the game all the way to its stunning conclusion. Provided by publisher. *Their Wicked Games* D.K. Hood, 2023-06-13 As she scans the dark pine forest, the unmistakable sound of a twig snapping breaks the silent stillness. She isn't alone. She begins to run, but she hardly has time to scream before her world goes black. On a secluded path near Black Rock Falls, three bodies lie bloodied, and still, the arrows that killed them removed, and polished penny coins carefully placed on their frozen eyes. When Sheriff Jenna Alton and Deputy David Kane are called in, they are shocked to recognise the hallmarks of an infamous serial killer. But he's been in prison for ten years. Jenna is convinced that the attacker knew the trio and lured them into the forest. But who would want to harm three innocent teenagers? And how does a convicted murderer fit in? Jenna knows she must question James Earl Stafford, one of America's most dangerous killers, if she's to save more innocent young lives. With Stafford refusing to give answers, Jenna is convinced that a copycat killer is stalking her small town. And her worst fears are realised when a local fisherman discovers another teenager's lifeless body floating in the shallows of a local watering hole, with the same penny coins covering her eyes. As parents panic for their children's lives, Jenna works around the clock to track down the murderer, but little does she know that one of her own team is now being watched. Can Jenna play the killer's wicked game and prevent another life from being taken? Perfect for fans of Lisa Regan, Melinda Leigh, and Kendra Elliot, *Their Wicked Games* is a nail-biting crime thriller from USA Today and Wall Street Journal bestselling author D.K. Hood that will have you hooked from the very first page. Each Kane and Alton book can be read as part of the series or as a standalone.
