Spilling The Beans On Boudicca:

Boudica and Her Stories Carolyn D. Williams, 2009 This is the first book to concentrate exclusively on texts about Boudica and to cover the full chronological range from the first surviving historical account by Tacitus in AD 98 to the triumphant conclusion of Manda Scott's series of novels in 2006 All our knowledge of the ancient British queen Boudica and her ferocious yet ultimately unsuccessful rebellion against the Romans is derived from a few accounts in ancient Greek and Latin Yet they have inspired a flood of history fictional narrative drama and poetry and there is no indication that the process has ended This study illuminates and celebrates the rich variety generated by the creative tensions between writers knowledge and their individual tastes beliefs and political or artistic aims and considers whether Boudica's textual metamorphoses are without limits or variations on a distinctive theme bounded by a flexible yet enduring narrative pattern

Book Jacket *Spilling the Beans on Boudicca* David Richard Morgan, 2000 The Spilling the Beans series reveals the horrible truth about history's famous and infamous characters While enjoying the irreverent and bean spilling contents children will be gathering facts about events people and past ways of life

Boudicca's Vengeance Richard Scholefield, 2021-05-26 There have been many books written and much research carried out about this Queen who is so well revered by this country and held up as a figure to be admired and remembered for all time that she has a statue in her honour in Westminster London Boudicca had her kingdom cruelly taken from her by the occupying Roman forces when her husband died We have a few paragraphs written by a Roman named Tacitus which tells us how Boudicca was invited to a meeting with the Romans which she thought was to welcome her as the Queen of the Iceni She did not receive the hospitality she expected and the treatment that she and her daughters received are believed to be the trigger for what happened next The Romans underestimated the strength and grit of Boudicca and the fanatical support of her people and came to regret their actions The book tells the story of Boudicca's campaign to reclaim her kingdom Written to inform the reader about the way of life of the ancient Britons it tells how the occupying Roman forces ruled them How Boudicca inspired her tribesmen and led them in a campaign that saw the destruction of Colchester London and St Albans

Voices Sarah Dobbs, 2011-11-07 Voices a thought provoking collection of memoir poetry prose and life writing from new and established authors All work is set in Blackburn or written by those with a strong connection to the town

The British National Bibliography Arthur James Wells, 2000 Thistles and Thieves Molly MacRae, 2020-01-07 The latest entry in the charming Highland Bookshop mystery series finds the women of Yon Bonnie Books embroiled in the death of a local doctor which sets off a chain of other curious and deadly events Out for a bicycle ride in the hills beyond Inversgail Janet Marsh discovers the body of Dr Malcolm Murray The elderly Murray and his own bicycle went off the road and down a steep slope he's sprawled in the burn at the bottom his damaged bike in a patch of thistles on the bank Janet calls the Police Scotland emergency number Tire tracks at the side of the narrow road suggest a vehicle might have been involved But if it was an accident the

driver hasn't come forward And if it wasn't an accident But who would want the well loved retired doctor dead A few days after the death a box of vintage first editions is left on the doorstep of Yon Bonnie Books with a note Please look after these books Thank you Janet and her crew at the shop are at first delighted and then mystified what exactly does look after mean Are they free to sell them And what are the odd notes penciled in the margins With a little digging the women decide the books might belong to Malcolm Murray or his reclusive brother Gerald When Janet and Christine call at Malcolm's house they find his confused angry sister and evidence of a burglary When they go to Gerald's modest croft house they find the door ajar and Gerald dead inside stabbed with a regimental dagger While the police try to determine if the Murray brothers' deaths are connected and who's responsible Janet and the bookshop owners try to find out how and why the box of books ended up on their doorstep The police are interested in those questions too and they're more than a little suspicious Are the Yon Bonnie women as good with burglar tools as they are with books and at finding bodies

Practical Utopia Anna Neima, 2022-04-28 Tells the compelling story of Dartington Hall a far reaching social cultural and education experiment in Devon in the interwar years

A Not Quite Perfect Family Claire Sandy, 2017-04-06 Funny feisty and all too true *A Not Quite Perfect Family* by Claire Sandy is for anyone who loves their family so much they'd just like a weekend away from them Fern Carlile has a lot on her plate It's a good thing she loves her big imperfectly perfect family because she's the one who washes their pants de-fleas the dog and runs her own business A hearty meal is the one thing that brings the Carliles together but over the course of a year the various courses also pull them apart Around the table sits an eight year old militant feminist a pair of teenage accidental parents and a cantankerous OAP Fern's husband needs an extra seat for his spectacular midlife crisis Will Fern's marriage be over by the time coffee is served Perhaps she'll give in and have the hot new dish that looks so tempting

Decisions decisions

Trail of the Viking Finger John Bean, 2016-07-26 As Swiss psychiatrist and psychotherapist Carl Jung wrote history is not contained in thick books but lives in our very blood Set mainly in Yorkshire and Tyneside this historical novel deals with the descendants of the Byrne family whose founder was a Danish Viking Bjorne the Red *Trail of the Viking Finger* follows the lives of the Byrne family over a 900 year period from 1066 onwards In particular John Bean is interested in the shared DNA of the family and comments on how several behavioural characteristics often violent move between each generation Although the story is fictitious *Trail of the Viking Finger* uses much of John's own family tree as a basis to this story John weaves the characters in and out of historical situations throughout the centuries as they deal with the ever changing society making it a fascinating unusual read In particular John explores how the Byrnes react to British social and political events throughout history including the post Norman Conquest the Black Death the Peasants Revolt The English Civil War the Industrial Revolution and World War One Whilst exploring the family politics of the Byrnes John also mirrors some of his own life experiences in *Trail of the Viking Finger* one of which includes the result of having an unsuccessful operation to cure Dupuytren's Contracture known as the Viking Finger After the

operation John learns that his DNA was recognised as being of Anglo Saxon or Danish Viking origin something that has been descended from his ancestors This book will appeal to those who enjoy historical fiction as well as those who are particularly interested in family trees In addition readers of Edward Rutherfurd s historical novels may compare Trail of the Viking Finger to his works not least his first Sarum with its 10 000 year storyline New Statesman ,1980
