Spinning On A Dream Thread:

Spinning on a Dream Thread Rix Weaver, 1977 **The Darkening Spirit** David Tacey, 2013-06-26 The twenty first century could well be Jung's century just as the twentieth century was Freud's Jung predicted the demise of secular humanism and claimed we would search for alternatives to science atheism and reason We would experience a new and even unfashionable appetite for the sacred Educated people however would not return to unreconstructed religions because these do not express the life of the spirit as discerned by modern consciousness The sacred has developed a darker hue and worshipping symbols of light and goodness no longer satisfies the longings of the soul The new sacred cannot be contained by the formulas of the past but nor can we live without a sense of the sacred We stand in a difficult place between traditional religions we have outgrown and a pervasive materialism we can no longer embrace These changes in our culture have come sooner than Jung might have imagined In his time Jung struck many as eccentric or unscientific But his works speak to our time since we have experienced the full gamut of Jungian transformations the unsettlement of Judeo Christian culture the rise of the feminine the onslaught of the dark side the critique of modernism and positivism and the recognition that the Western ego is neither the pinnacle of evolution nor the lord of creation A new life is needed beyond the ego but we do not yet know what it will look like The outbreak of strong religion and terrorism are signs of the times but these are expressions of a distorted and repressed spirit and not one hopes genuine pointers to the future What the future holds is uncertain but Jung's prophetic vision helps to prepare us for what is to come and this will be of great interest to analytical psychologists and psychoanalysts as well as to theologians futurists sociologists and the general reader Wings of Starlight Allison Saft, 2025-02-04 AN INSTANT 1 NEW YORK TIMES USA TODAY AND 1 INDIE BESTSELLER A Kids Indie Next Pick BookPage Most Anticipated YA Books of 2025 selection Goodreads Most Anticipated Releases of 2025 selection Brimming with magic and romance a young fairy queen must form an unlikely alliance or risk an unspeakable danger destroying all she holds dear in this fantasy adventure from New York Times bestselling author Allison Saft Enchanting and achingly romantic Readers will feel as if they've stepped right into Pixie Hollow Sasha Peyton Smith New York Times bestselling author of The Witch Haven It's been centuries since a warm season fairy in Pixie Hollow has crossed into the Winter Woods and while most fear the legends of monsters lurking in the frozen lands Clarion can't help being intrigued by Winter's stoic beauty But under the watchful eyes of the current monarch and the court's seasonal ministers Clarion has little time to dwell on daydreams while the days to her coronation dwindle away That is until reports of a monster crossing from Winter into Spring make their way to the palace Clarion sees defeating this threat as an opportunity to prove that she is worthy of her new role But instead of finding a monster at the edge of Winter she finds Milori a young guardian of the Winter Woods Together they form an unlikely bond as they race to save their lands But as their alliance warms to something more they will discover there is a reason a warm season fairy and a winter fairy must not be together And the cost could be just as deadly as the monsters that
