

Spinouts Silver Lost In Space

James W. Green

Spinouts Silver Lost In Space:

Australian Children's Books, 1980-2000 Marcie Muir, Kerry White, 2004 All Australian children's books published from 1989 to 2000 are listed in this essential reference for those who appreciate the richness of Australian writing for children Following the same format as volumes 1 and 2 in this series chronicling books published as early as 1774 entries include publishing details the number of illustrations and the awards received for each book This third volume follows the continuing careers of authors such as Mem Fox Bob Graham Robin Klein and Paul Jennings and traces changes in the popularity of Australian themes and settings to identify publishing trends Varied cultural aspects of modern day life are shown from globalization commercialism and the rise of the middle class in Asia to desktop publishing outcome based school curricula and the modern obsession with celebrities all of which are reflected in the type and quantity of books produced by Australian writers and publishers The wealth of included material will extend researchers understanding of the range of Australian children's books

Beyond the Good Death James W. Green, 2012-03-15 In November 1998 millions of television viewers watched as Thomas Youk died Suffering from the late stages of Lou Gehrig's disease Youk had called upon infamous Michigan pathologist Dr Jack Kevorkian to help end his life on his own terms After delivering the videotape to 60 Minutes Kevorkian was arrested and convicted of manslaughter despite the fact that Youk's family firmly believed that the ending of his life qualified as a good death Death is political as the controversies surrounding Jack Kevorkian and more recently Terri Schiavo have shown While death is a natural event modern end of life experiences are shaped by new medical demographic and cultural trends People who are dying are kept alive sometimes against their will or the will of their family with powerful medications machines and heroic measures Current research on end of life issues is substantial involving many fields Beyond the Good Death takes an anthropological approach examining the changes in our concept of death over the last several decades As author James W Green determines the attitudes of today's baby boomers differ greatly from those of their parents and grandparents who spoke politely and in hushed voices of those who had passed away Dr Elisabeth Kbler Ross in the 1960s gave the public a new language for speaking openly about death with her five steps of dying If we talked more about death she emphasized it would become less fearful for everyone The term good death reentered the public consciousness as narratives of AIDS cancer and other chronic diseases were featured on talk shows and in popular books such as the best selling Tuesdays with Morrie Green looks at a number of contemporary secular American death practices that are still informed by an ancient religious ethos Most important Beyond the Good Death provides an interpretation of the ways in which Americans react when death is at hand for themselves or for those they care about

The 1961-1970: American Film Institute Catalog of Motion Pictures Produced in the United States American Film Institute, 1997 Back in print after more than fifteen years this American Film Institute Catalog covers the decade of the sixties This was the era in which films began to challenge the taboos on sex and violence and treated social issues in a new light Included in this volume are
