Soul Communication Olivia Blakey, 2020-10-07 Designed to help sensitive souls intentionally align with the callings of their higher self Soul Communication is a guide to becoming the creator of one's unique path of abundance Shaped by a story of the cyclic nature of death and rebirth through an astrological metaphor the journey includes twelve powerful exercises of intentional soul work used for transcending darkness to light and fear to love in all areas of life

Western medicine call it mental illness Shamanic traditions call it spiritual emergence I call it rebirth Rebirth does not have to be painful but rather enables you to release old patterns that no longer serve your highest good so that you can receive the new Rebirth does not have to create suffering but rather empowers you to heal and free yourself from limiting belief systems Rebirth does not have to be resisted but rather awakens you to the beauty and liberation of limitless possibility Rebirthing the soul is a natural process of evolution and is often mistaken as a problem but Soul Communication transcends this stigma reflecting the exact reason why humanity must surrender to rebirth When you align with the language of your soul you become the creator of your own life

Soul Breathing Carrie L'Esperance, 2016-05-17 An exploration of the multidimensional interplay between body mind and spirit Identifies the frequencies that support life and the dissonant frequencies incompatible with life such as the imbalances of EMFs Explains how to cultivate higher consciousness by building a strong light body Includes techniques and exercises for psychic cleansing physical and emotional detox chakra and aura strengthening and oracular dreaming Civilization has reached a critical threshold in time unlike any other Whether life continues to evolve or devolve depends upon our ability to reach higher states of consciousness en masse This requires calling upon the transformative power of the soul a power not handed to us but earned We are living proof that the physical and spiritual realms of existence work together in unity Yet for many of us our natural soul light and inner spiritual intuition are suppressed due to the distractions of day to day living and the electromagnetic pollution of our screen filled technological world In this exploration of the multidimensional interplay between the body mind and spirit Carrie L Esperance reveals how we can restore the flow of spiritual light in everyday living through the art of self mastery She explains how technology has severely reduced humanity's natural abilities and spiritual power She shows how EMFs and wi fi toast our energetic bodily systems and suppress our immune systems blocking the ethereal frequencies of light and suppressing our creative intuition and higher powers Detailing the spiritual bio geometry of light and the holographic principle she explores how the cells of our bodies receive light's deeper vibratory frequencies to support conscious evolution and soul development as well as

Consciousness and Purpose Kevin Hunter,2019-06-27 Soul Consciousness and Purpose looks at the many areas that one s

physical and spiritual life all play a big part in the evolving nature of your soul's consciousness which is connected to your life missions and purposes. The more enlightened you become and the more you raise your soul consciousness, then the less strain is experienced as you navigate through the treacherous waters of the practical world. Your vibration is made up of undetectable cells to the human eye but visible to the spiritual eye. It is an invisible energy field that exists within your soul's aura and physical body. These cells fluctuate and change colors depending on your mood, your thought processes, your actions, who you surround yourself with, as well as what you ingest into your body. You are in control of this vibration energy field, able to oversee and dictate how well you would like it to function through your life choices. A raised soul consciousness gives you wider psychic perception that allows room for stronger cognitive input. This is the area where divinely guided information from above falls into and is planted. Some of the topics discussed include opening the pathway to divinity, knowing when your soul is transforming and evolving, awakening your creative consciousness, soul contracts, life purposes, healing and transformation, soul groups and earth angels, the earthly birth of the soul and spirit, the higher self, soul growth through grief, soul growth through health issues, soul growth through relationships, soul growth through work and career, soul growth through superficiality, soul growth through emotional healing, the human influences on the soul consciousness, and much more. Let more Light into your soul's life with the Metaphysical Divine Wisdom collection of books. Each cover a variety of distinctive themes connected to the spiritual and the practical, interwoven and back around again. The Metaphysical Divine Wisdom practical motivational guide to spirituality series of books include: *Psychic Spirit Team Heaven Communication*, *Soul Consciousness and Purpose*, *Manifesting Fearless Assertive Confidence*, *Balancing the Body, Mind and Soul*, *Increasing Prayer with Faith for an Abundant Life*, and *Universal Physical, Spiritual and Soul Love*. Light, Love and Soul Progression Roy P Harding, 2025-11-28. The spiritual messages and writings received by a well-respected medium, Sheila Margarets. These messages will bring hope and upliftment, especially for those humans who live in fear and are oppressed. **The Complete Idiot's Guide to Communicating with Spirits** Deb Baker, Rita Berkowitz, 2002-09-01. You're no idiot of course. You know life is a journey and that physical birth and death are its points of transition. Many people across cultures and faiths believe the spirit lives on and have experienced contact with the spirits of loved ones who have passed to the higher side.
