

THE SPIRIT OF BRITISH POLICY

AND THE MYTH
OF THE ENCIRCLEMENT OF GERMANY

BY
HERMANN KANTOROWICZ

Professor of Law at the University of Kiel

WITH A PREFACE BY
GILBERT MURRAY

ENGLISH EDITION REVISED BY THE AUTHOR
AND TRANSLATED BY

W. H. JOHNSTON

"The purpose of this remarkable book," as the *Times Literary Supplement* observed in a long review of the German edition, is "to do justice to England and especially to clear English policy of the charge of 'encircling' Germany." The author himself originally shared the prevailing German belief in the "encirclement" idea, but he is now convinced that the British Government followed no such policy—which would, indeed, have been incompatible with the British character. It is one of the most appreciative books ever written by a foreigner about England, and at the same time an extraordinarily interesting psychological study of national characters.

Spirit Of British Policy The Myth Of T

Mark Narthey

Spirit Of British Policy The Myth Of T:

Political Myth-making, Nationalist Resistance and Populist Performance Mark Nartey, 2022-11-30 Using the socio political discourse of Kwame Nkrumah a pioneering Pan Africanist and Ghana's independence leader Nartey investigates the notion of political myth making in a context underexplored in the literature He examines Nkrumah's construction of a myth described in the book as the Unite or Perish myth i.e the idea of a United States of Africa being a prerequisite for the survival of Africa in the post independence period exploring the rhetorical resources he deployed categorizing and analyzing key tropes and metaphors and setting out the myth's basic components This book focuses on three areas an investigation of political myth making as a social and discursive practice in order to identify particular semiotic practices and linguistic patterns deployed in the construction of mythic discourse the unpacking of the discursive manifestation representation features and functions of political mythic themes and finally to propose and implement an integrated discourse analytical framework to account for the complexities of mythic discourse and political narratives in general It analyzes how Nkrumah deployed his discourse to concurrently construct heroes and villains protagonists and antagonists as part of an ideological mechanism aimed at galvanizing support for and instigating action on the part of the masses towards his lifelong African dream Nartey's book steps out from the conventional domain of critical discourse studies to focus on myth as a form of populist performance It will be of interest to postgraduate students and academics in critical discourse studies rhetorical discourse analysis African and Diaspora studies and African history as well as non academics such as journalists political commentators and people who consider themselves to be Nkrumaists and Pan Africanists *The Politics of Written Language in the Arab World*, 2017-07-31 The Politics of Written Language in the Arab World connects the fascinating field of contemporary written Arabic with the central sociolinguistic notions of language ideology and diglossia Focusing on Egypt and Morocco the authors combine large scale survey data on language attitudes with in depth analyses of actual language usage and explicit and implicit language ideology They show that writing practices as well as language attitudes in Egypt and Morocco are far more receptive to vernacular forms than has been assumed The individual chapters cover a wide variety of media from books and magazines to blogs and Tweets A central theme running through the contributions is the social and political function of doing informality in a changing public sphere steadily more permeated by written Arabic in a number of media

Affect and Belonging in Political Uses of the Past David Farrell-Banks,2022-09-29 Affect and Belonging in Political Uses of the Past examines key political events of the past decade to analyse the relationship between the representation of certain pasts in official heritage settings and the use of the same pasts in political discourse Drawing on data gathered from museums heritage sites news articles political speeches manifestos and through digital media such as Twitter Farrell Banks demonstrates how a connection with a shared past can move people emotionally and give them the confidence to engage in political action The book considers how heritage and the past moves in time and space examining how it shapes political beliefs and action in the present The work is a timely intervention calling attention to the political responsibilities that come with heritage work when these same languages of heritage are adopted to promote a politics of division Introducing the concept of the moving moment a framework by which to research and understand uses of the past the book demonstrates how the past becomes a potent political tool Combining critical heritage studies critical discourse memory studies and political theory the book demonstrates new approaches to interdisciplinary studies within heritage Affect and Belonging in Political Uses of the Past will thus be essential reading for academics and students engaged in the study of heritage memory politics history and media

Transnational Tourism Experiences at Gallipoli Jim McKay,2018-05-24 This book offers a fresh account of the Anzac myth and the bittersweet emotional experience of Gallipoli tourists Challenging the straightforward view of the Anzac obsession as a kind of nationalistic military Halloween it shows how transnational developments in tourism and commemoration have created the conditions for a complex dissonant emotional experience of sadness humility anger pride and empathy among Anzac tourists Drawing on the in depth testimonies of travellers from Australia and New Zealand McKay shines a new and more complex light on the history and cultural politics of the Anzac myth As well as making a ground breaking empirically based intervention into the culture wars this book offers new insights into the global memory boom and transnational developments in backpacker tourism sports tourism and dark or dissonant tourism

Publishers' Circular and Booksellers' Record of British and Foreign Literature ,1933 Saturday Review of Literature ,1926 The Discourse of Financial Crisis and Austerity Darren Kelsey, Frank Mueller, Andrea Whittle, Majid KhosraviNik,2018-12-07 This book demonstrates the importance of understanding how political rhetoric financial reporting and media coverage of austerity in transnational contexts is significant to the communicative social and economic environments in which we live It considers how aspects of

moral storytelling language representation and ideology operate through societies in financial crisis and through governments that impose austerity programmes on public spending Whilst many of the debates covered here are concerned with UK economic policy and British social contexts the contributions also consider examples from other countries that reflect similar concerns on the ideological operations of austerity and financial discourse The multiple discursive contexts of austerity demonstrate the breadth of social concerns and conflicts that have developed in societies and institutions following the global economic crisis of 2008 Through its interdisciplinary focus on this topic this book provides an important contribution across multiple subject areas with shared interests in critical and analytical approaches to discourse power and language in social contexts reflecting the healthy collaborative scope of critical discourse studies as a field of research This book was originally published as a special issue of Critical Discourse Studies The Routledge Handbook of Critical Discourse Studies John Flowerdew, John E. Richardson, 2017-07-06 The Routledge Handbook of Critical Discourse Studies provides a state of the art overview of the important and rapidly developing field of Critical Discourse Studies CDS Forty one chapters from leading international scholars cover the central theories concepts contexts and applications of CDS and how they have developed encompassing approaches analytical methods interdisciplinarity social divisions and power domains and media Including methodologies to assist those undertaking their own critical research of discourse this Handbook is key reading for all those engaged in the study and research of Critical Discourse Analysis within English Language and Linguistics Communication Media Studies and related areas **RecordCovid19** Kristopher Lovell, 2023-08-21 RecordCovid19 Historicizing Experiences of the Pandemic provides insights into the experience of the Covid19 pandemic from an historical and sociological perspective Using the first hand testimonies submitted as part of the RecordCovid19 project as its inspiration the chapters in this edited collection explore and contextualise the initial responses to the Covid19 pandemic The collection examines people's relationships with Covid19 as an historical event including their own experiences of living through history their relationship with their surroundings including their relationships with family the soundscapes and the emotional environments of a pandemic world the impact and tone of political rhetoric including the use and misuse of wartime myths and language in the United Kingdom and finally what lessons can be learnt from how people discuss their own personal stories and what lessons can we draw from previous examples of storytelling in moments of crisis The result is a fascinating and rich discussion derived from an archive full of idiosyncratic experiences of life changing during the Covid19 pandemic
