Spirit Paraclete In The Gospel Of John:

The Spirit-Paraclete in the Gospel of John George Johnston,2005-10-06 This book attempts to make a contribution to the New Testament doctrine of the Spirit with special reference to the paraclete problem Dr Johnston begins with the use of the word spirit in the Gospel of John and treats it as primarily impersonal It denotes divine power or energy God acts by his spirit both to create and to redeem The Fourth Evangelist shows Jesus as the incarnate Word a man uniquely inspired whose absence after death is compensated for by an outburst of spiritual powers in his Church The paraclete is representative of God or of Christ and the Johannine teaching is that no angelmediator no holy spirit like the Archangel Michael can take Christ s place But truly inspired leaders acting as teachers exegetes martyrs and the inspired Church itself as a communion of love do embody the spirit paraclete and do continue to represent Jesus Special attention is paid to recent research on this subject mainly in the area of the Dead Sea Scrolls Dr Johnston argues that in insisting that the true spirit paraclete must always exalt and interpret Jesus of Nazareth as the final revelation of God in man John was in fact combating heretical views

A Theology of the New Testament George Eldon Ladd,1993-09-02 Ladd s magisterial work on New Testament theology has well served scores of seminary students since 1974 Now this comprehensive standard evangelical text has been carefully revised by Hagner to include an update of Ladd s survey of the history of the field of New Testament theology an augmented bibliography and an entirely new subject index

The Spirit-Paraclete in the Fourth Gospel Hans Windisch,1968 The Spirit and Race in John's Gospel Rodolfo Galvan Estrada,2025-06-05 This book contends that ancient racial ideologies encompassing prevailing beliefs attitudes and practices regarding race provide valuable insights into the Gospel of John s portrayal of the Holy Spirit It examines the racial rhetoric surrounding lineages racial violence cross cultural encounters and the formation of a new familial identity all interpreted through the lens of the Holy Spirit By engaging with the Gospel s treatment of the Holy Spirit in light of these racial dynamics the study offers a more nuanced understanding of how conceptions of race intersect with the emerging theology of the Holy Spirit within the Johannine community

The Johannine Discourses and the Teaching of Jesus in the Synoptics Philipp F. Bartholomä,2012 **Mary According to Women** Carol Frances Jegen,1985 Mary According to Women presents a contemporary study of the woman of Nazareth who changes the course of human history The seven chapters develop familiar titles of Mary in the context of the Vatican II Church particularly its emphasis of justice and peace Following the lead of the second Vatican Council in its historic document Lumen Gentium the book develops implications of the Council s treatment of Mary in the mystery of Christ and the Church of one who is truly involved in the lives and struggles of Christians today Significantly the book is written by women whose experience and insight give new perspective to a revitalized appreciation and love of Mary

Theology of the New Testament Georg Strecker,2012-10-25 Contents are the theological conceptions of the authors of the New Testament considered from systematic viewpoints in the following sequence Paul the synoptics Jesus the saying source the Johannine
