Spirit Of Carnival Magical Realism And The Grotesque

J. Adams

Spirit Of Carnival Magical Realism And The Grotesque:

The Spirit of Carnival David K. Danow, 2004-05-01 The remarkable meshing of these two diametrically opposed yet inextricably intertwined facets of literature and of life makes for an intriguing sphere of investigation for the carnival spirit is animated by a human need to dissolve borders and eliminate boundaries including symbolically those between life and death in an ongoing effort to merge opposing forces into new configurations of truth and meaning

The Spirit of Carnival David Keevin Danow, 1995

Ordinary Enchantments Wendy B. Faris, 2004 Ordinary Enchantments investigates magical realism as the most important trend in contemporary international fiction defines its characteristics and narrative techniques and proposes a new theory to explain its significance In the most comprehensive critical treatment of this literary mode to date Wendy B Faris discusses a rich array of examples from magical realist novels around the world including the work not only of Latin American writers like Gabriel Garcia Marquez but also of authors like Salman Rushdie Gunter Grass Toni Morrison and Ben Okri Faris argues that by combining realistic representation with fantastic elements so that the marvelous seems to grow organically out of the ordinary magical realism destabilizes the dominant form of realism based on empirical definitions of reality gives it visionary power and thus constitutes what might be called a remystification of narrative in the West Noting the radical narrative heterogeneity of magical realism the author compares its cultural role to that of traditional shamanic performance which joins the worlds of daily life and that of the spirits Because of that capacity to bridge different worlds magical realism has served as an effective decolonizing agent providing the ground for marginal voices submerged traditions and emergent literatures to develop and create masterpieces At the same time this process is not limited to postcolonial situations but constitutes a global trend that replenishes realism from within In addition to describing what many consider to be the progressive cultural work of magical realism Faris also confronts the recent accusation that magical realism and its study as a global phenomenon can be seen as a form of commodification and an imposition of cultural homogeneity And finally drawing on the narrative innovations and cultural scenarios that magical realism enacts she extends those principles toward issues of gender and the possibility of a female element within magical realism

Challenging Realities: Magic Realism in Contemporary American Women's Fiction M. Ruth Noriega Sánchez, 2011-11-28 Les arrels del realisme màgic en els escrits de Borges i altres autors d'Amèrica Llatina han estat plenament reconeguts i ben documentades produint una sèrie d'estudis crítics molts dels quals figuren en la bibliografia d'aquest treball Dins d'aquest marc aquest llibre presenta als lectors una varietat d'escriptors de grups ètnics coneguts i menys coneguts i les col·loca en un context literari en el que es tracten tant a nivell individual com a escriptors així com a nivell col·lectiu com a part d'un moviment artístic més ampli Aquest llibre és el resultat del treball realitzat a les universitats de Sheffield i la de València i representa una valuosa investigació i una important contribució als estudis literaris

Moments of Magical Realism in US Ethnic Literatures R. Perez, 2012-12-06 A collection of essays that explores magical realism as a momentary interruption of realism

in US ethnic literature showing how these moments of magic realism serve to memorialize address and redress traumatic ethnic histories

Magical Realism and Deleuze Eva Aldea, 2010-12-08 Since the success of Gabriel García Márquez's 1967 novel *One Hundred Years of Solitude* and the following Latin American literary boom of the late sixties and seventies magical realism has had a steady following an international influence and become established as a literary genre Yet its definition has remained vague Through the philosophy of Gilles Deleuze this study rethinks magical realism making an argument for using Deleuzian readings of literature in general while dealing with the implications of a new approach for prevalent postcolonial studies in particular With *One Hundred Years of Solitude* used as a model Eva Aldea takes a Deleuzian approach to major anglophone works by Rushdie Okri Morrison and Ghosh She shows how the power of magical realism lies not as is commonly held in its subversion of the real and the magical but in allowing the two to remain radically different and yet indiscernible at the same time challenging existing readings of the genre

Multiculturalism and Magic Realism in Zadie Smith's novel *White Teeth: Between Fiction and Reality* Sylvia Hadjetian, 2014-03-01 Since the 1970s there has been increasing concern with the impact of post colonialism on British identities and culture *White Teeth* by Zadie Smith is the story of three families from three different cultural backgrounds set mostly in multicultural London The first part of this book provides an overview of the former British Empire the Commonwealth and the history of Bangladesh Jamaica and the Jews in England as relevant to *White Teeth* Following this the role of the former centre of London will be presented Subsequently definitions and postcolonial theories Bhabha Said etc shall be discussed The focus of this book is on life in multicultural London The main aspects analysed in these chapters deal with identity the location where the novel is set and racism A further aim of the book is a comparison between the fictional world of *White Teeth* and reality One chapter is devoted to the question of magic realism and the novel's position between two worlds In a summary the writer hopes to convince the readers of the fascination felt when reading the novel and when plunging into the buzzing streets of contemporary multicultural London

[A Study Guide for "Magic Realism"](#) Gale, Cengage Learning, 2016 A Study Guide for Magic Realism excerpted from Gale's acclaimed *Literary Movements for Students* This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust *Literary Movements for Students* for all of your research needs

[The Palgrave Handbook of Magical Realism in the Twenty-First Century](#) Richard Perez, Victoria A. Chevalier, 2020-04-30 The Palgrave Handbook of Magical Realism in the Twenty First Century examines magical realism in literatures from around the globe Featuring twenty seven essays written by leading scholars this anthology argues that literary expressions of magical realism proliferate globally in the twenty first century due to travel and migrations the shrinking of time and space and the growing encroachment of human life on nature In this global context magical realism addresses twenty first century politics aesthetics identity and social national formations where contact between and within cultures has exponentially increased

altering how communities and nations imagine themselves This text assembles a group of critics throughout the world the Americas Europe Africa Asia the Middle East and Australia who employ multiple theoretical approaches to examine the different ways magical realism in literature has transitioned to a global practice thus signaling a new stage in the history and development of the genre **Magic Realism in Holocaust Literature** J. Adams, 2011-10-03 A major contribution to Holocaust studies the book examines the capacity of supernatural elements to dramatize the ethical and representational difficulties of Holocaust fiction Exploring texts by such writers as D M Thomas and Markus Zusak it will appeal to scholars and students of Holocaust literature magic realism and contemporary fiction
