Spirit Of The Bog:

The Spirits of the Bog Mary Arrigan, 1998 Arty and Susy are staying with their Irish Grandma Kate in her cottage on the bog When she shows them her latest painting the children react to it as if it were terrifyingly alive That night a storm blows through and strange things began happening Another chiller from the author of *Seascape with Barber's Harp* *Edgewood* Kristen Ciccarelli, 2022-03-01 *Edgewood* has everything I love in a Kristen Ciccarelli book lyrical prose a romance that will hurt and themes rooted in raw and intimate questions making for a timeless tale Joan He New York Times bestselling author of *The Ones We're Meant to Find* Can love survive the dark No matter how far she runs the forest of *Edgewood* always comes for Emeline Lark The scent of damp earth curls into her nose when she sings and moss creeps across the stage It's as if the woods of her childhood shrouded in folklore and tall tales are trying to reclaim her But Emeline has no patience for silly superstitions When her grandfather disappears leaving only a mysterious orb in his wake the stories Emeline has always scoffed at suddenly seem less foolish She enters the forest she has spent years trying to escape only to have Hawthorne Fell a handsome and brooding tithe collector try to dissuade her from searching Refusing to be deterred Emeline finds herself drawn to the court of the fabled Wood King himself She makes a deal her voice for her grandfather's freedom Little does she know she's stumbled into the middle of a curse much bigger than herself one that threatens the existence of this eerie world she's trapped in along with the devastating boy who feels so familiar With the help of Hawthorne an enemy turned reluctant ally who she grows closer to each day Emeline sets out to not only save her grandfather's life but to right past wrongs and in the process discover her true voice Haunting and romantic Kristen Ciccarelli's *Edgewood* is an exciting novel from a bold unforgettable voice in fantasy Darkly gorgeous and moving *Edgewood* is full of curses and fae magic that will capture your heart and wrap it in thorns before setting you free again forever changed I devoured *Edgewood* whole and couldn't put it down Evelyn Skye New York Times bestselling author of *The Crown's Game* **Country Life**, 1910 *Ainu Spirits Singing* Sarah M. Strong, 2011-10-31 Indigenous peoples throughout the globe are custodians of a unique priceless and increasingly imperiled legacy of oral lore Among them the Ainu a people native to northeastern Asia stand out for the exceptional scope and richness of their oral performance traditions Yet despite this cultural wealth nothing has appeared in English on the subject in over thirty years Sarah Strong's *Ainu Spirits Singing* breaks this decades long silence with a nuanced study and English translation of Chiri Yukie's *Ainu Shin yoshu* the first written transcription of Ainu oral narratives by an ethnic Ainu The thirteen narratives in Chiri's collection belong to the genre known as kamui yukar said to be the most ancient performance form in the vast Ainu repertoire In it animals and sometimes plants or other natural phenomena all regarded as spiritual beings kamui within the animate Ainu world assume the role of narrator and tell stories about themselves The first person speakers include imposing animals such as the revered orca the Hokkaido wolf and Blakiston's fish owl as well as the more humble Hokkaido brown frog snowshoe hare and pearl mussel Each has its own story and own signature refrain Strong

provides readers with an intimate and perceptive view of this extraordinary text Along with critical contextual information about traditional Ainu society and its cultural assumptions she brings forward pertinent information on the geography and natural history of the coastal southwestern Hokkaido region where the stories were originally performed The result is a rich fusion of knowledge that allows the reader to feel at home within the animistic frame of reference of the narratives Strong s study also offers the first extended biography of Chiri Yukie 1903 1922 in English The story of her life and her untimely death at age nineteen makes clear the harsh consequences for Chiri and her fellow Ainu of the Japanese colonization of Hokkaido and the Meiji and Taisho governments policies of assimilation Chiri s receipt of the narratives in the Horobetsu dialect from her grandmother and aunt both traditional performers and the fact that no native speakers of that dialect survive today make her work all the more significant The book concludes with a full integral translation of the text The Story of Draon Jonathan Batchelder,2013-06-04 This is the story of magic making a choice for others and its outcome *The Flaming Serpent* Aine Armour,2007-09-21 A magical mythical tale The Flaming Serpent tells of a love that transcends time and space a love lost and regained encompassing the Celtic lore of Ireland intertwined with the reality of present day Weaving past and present history and Irish legend The Flaming Serpent is a landmark in consciousness truly a walk between worlds On a beautiful remote island on the southwest coast of Ireland the Tuatha D Danann the Sidhe and the world of the Druids merge through the enthralling relationships of five characters from present time The ancient wisdom of Ireland and all of the magical secrets held within become real in ine Armour s compelling saga The Flaming Serpent Secretive Spirits Brian Monahan, Second book in a series about adventures in both the physical world and the world of spirit beings Alternative realities for all ages organic traditional spiritual beliefs of Old Ireland The Sidh The Good People The Fairy Folk of lore and modern new age understanding While taking a pilgrimage tour of Connemara as far as The Twelve Pins Mountains *Simon of Cyrene, Dimachaerus Splendens* Thomas Hall Shastid,1923 **Nature Spirits, Spirit Guides, and Ghosts** Atala Dorothy Toy,2012-05-29 A specialist in interdimensional communication helps readers recognize the subtle energy all around them to become more in tune with Faeries angels ghosts orbs and other spirits as well as offering explanations of time travel portals and vortexes Original **Dictionary of Nature Myths** Tamra Andrews,2000 Comprehensive and cross referenced this informative volume is a rich introduction to the world of nature as experienced by ancient peoples around the globe 51 halftones
