Spirit Of The New Testament The:

The Spirit of the New Testament John Christopher Thomas, 2019-05-21 The essays in this volume on the one hand together form an exploration of the Spirit in the New Testament and on the other hand a demonstration of the spirit of the NT The focus is largely on the Johannine literature but there are also exegetical studies in Matthew and Luke The studies are either entirely new or have already been influential among Pentecostal theologians this publication makes them deservedly and conveniently available to a wider readership Essays include The Kingdom of God in Matthew Discipleship in Mark The Ending of Mark The Composition of the Fourth Gospel The Fourth Gospel and Rabbinic Judaism The Spirit in the Fourth Gospel Healing in the Atonement The Structure of Acts Footwashing Women Pentecostals and the Bible The Literary Structure of 1 John Pentecostal Theology in the 21st Century

Christ and Spirit in the New Testament Barnabas Lindars, Stephen S. Smalley, Charles Francis Digby Moule, 1973-12-06 English French or German Includes bibliographical references

The Holy Spirit in the New Testament Henry Barclay Swete, 1909

The Holy Spirit in the New Testament William A. Simmons, 2021-10-26 With an ever increasing number of Christians worldwide self identifying as Pentecostal or charismatic the church needs a Spirit centered interpretation of Scripture informed by a Pentecostal lens In this accessible New Testament introduction each chapter explores the presence of the Spirit in a biblical book then offers devotional applications to help readers respond to the text

The Holy Spirit in the New Testament David Ewert, 2004-10-14 In fifteen thorough chapters David Ewert surveys the whole range of New Testament authors to discover what they have to say on the Holy Spirit and what this means for the life of the believer and for the church To add another book on the Holy Spirit to the great number available is a daunting undertaking the author admits One can only hope that by ordering the biblical materials in a new way familiar truths will shine with new luster Perhaps by bringing the relevant biblical passages to bear on the life of the church in our day old truths can be seen in a new light The material is organized in three parts 1 The Promise of the Spirit considering all the passages of the Gospels that speak of the Holy Spirit 2 The Coming of the Spirit dealing with the Pentecostal outpouring of the Spirit in the book of Acts and the continual overflow of the Spirit in the expansion of the church and 3 The Spirit in the Life of the Believer studying what the apostles have to say about the Holy Spirit in the epistles Many have instinctively sensed that the teaching of the New Testament on the Holy Spirit is a key that unlocks many doors the author notes Jesus likened the Spirit to the wind with its mysterious and numinous character Just as we can hear and feel the blowing of the wind by God's grace we can experience the presence and the power of the Spirit if we are willing to get in the path of God's wind

The Spirit in the New Testament Ernest Findlay Scott, 1923

Holy Spirit's Interpretation of the New Testament Foundation for the Holy Spirit, 2008-03-28 A metaphysical interpretation of the New Testament which teaches oneness as the only truth and surrender or letting go as the practice that leads to spiritual enlightenment NTI stresses the importance of willingness acceptance gratitude mind watching and trust on the path of

enlightenment while teaching the reader to let go of unworthiness fear guilt and false or separation based thinking NTI has been described as a love letter and as a loving approach to letting go of the ego Following on from the strength of A Course in Miracles NTI teaches us how to experience the oneness of God here and now by showing us exactly how to release the obstacles that prevent us from having that experience

Discovering the Holy Spirit in the New Testament Keith Warrington,2005-08-01 The role of the Holy Spirit in the development of the early church was absolutely crucial as the New Testament documents were being written and circulated However many first century believers often unacquainted with the Old Testament had little knowledge of the work of God s Spirit Therefore the New Testament writers sought to explain his character and mission in the events they recorded and through the letters they penned Nevertheless many Christians today have only a vague understanding of the Holy Spirit the comfort he offers the gifts he imparts but few could articulate his vital role in the life of every believer Taking a text driven approach Warrington moves beyond the controversy and sensationalism associated with charismatic phenomena to examine the third person of the Trinity himself Progressing from Matthew to Revelation this in depth study allows the scriptures to speak out of their original contextual situations and into our lives today Readers will gain an appreciation of the Spirit as a complex wise creative powerful and personal member of the Godhead who is sent to equip empower affirm inspire gift and ultimately transform the people of God Each chapter concludes with helpful study questions and a useful bibliography
