Spirit Unto The Churches:

A Compendium of Evangelical Theology Given in the Words of Holy Scripture. By W. Passmore ,1873 **The Seven Spirits for the Local Churches** Witness Lee,1989 **Ear of the Spirit** J. C. Beaver,2014-08-15 Rev 2 7 He that has an ear let him hear what the Spirit says unto the Churches He says it to each of the seven churches giving them warning as to what will happen if they don t listen Later in the same book he says something that opened my understanding to the reason people don t hear He says If any man have an ear let him hear This indicates to me the Spirit will no longer be speaking to people because He is no longer in the world Those left behind will only be able to hear with the natural ear what is going on around them I would warn the church to listen NOW while there is still time to hear the Spirit and obey the Lord There is coming a time when the Spirit will no longer speak to the hearts of man for judgment will be falling on the world who would not listen It will be a time of famine of the Word I pray the church wake up now Don t be like the five virgins who feel asleep with no oil in their lamps and woke up left behind Now is the day of salvation now is the day to listen with the ear of the Spirit and have a Holy Spirit encounter that will change your life You can t change yourself you can only die to the self life and grow in the God life the savior provided for you at the cross Living in the Last Days is not a popular phrase but it is what is happening We have no leadership and preachers are preaching to itching ears and tickling ears Hearts are cold or very lukewarm with no attention span to help one another to grow Evil is growing and good people are doing nothing because they are too busy to overworked to far asleep 666 is now here and is going to be required by government and good people are doing nothing because they don t care don t see what it happening right in front of them The evil that is in the middle east will be in American unless people wake up and listen with the ear of the Spirit and do it soon *Lecturs on the Seven Churches of Asia Minor* John Cumming,1850 **The Genesis of the New England Churches** Leonard Bacon,1874 The history of Protestant Christianity in the United States of America is the history not of a national church but of voluntary churches I have attempted to show how it began and to trace the origin and development of the idea which generated the churches of New England Preface **Compendium of the Faith and Doctrines of the Church of Jesus Christ of Latter-Day Saints** Franklin D. Joseph Smith, 2023-11-15

In *History of Joseph Smith the Prophet and the Church of Jesus Christ of Latter-day Saints*, Joseph Smith presents a profound narrative that chronicles the rise of a religious movement through the lens of his own experiences and revelations. Written in an autobiographical style, the book combines personal anecdotes with a broader historical account, contextualizing the establishment of the Latter-day Saint movement in the early 19th century. Smith employs a straightforward yet impassioned prose, aiming to deliver an authoritative and personal account of the challenges faced by the church from its inception in upstate New York to its burgeoning congregations across America. Encountering religious diversity and fervent spiritual search, Smith's own visionary experiences led him to articulate a new theology that addressed contemporary spiritual needs. His leadership was marked by both visionary zeal and significant persecution, which shaped the narrative of his life and the foundational history of his church, reflecting his commitment to religious innovation and the struggles associated with it. This meticulous historical account is essential reading for anyone interested in early American religion, the dynamics of religious leadership, and the development of new
