The Upper Room Dictionary of Christian Spiritual Formation Keith Beasley-Topliffe, 2017-02-01 This reference book compiled with the help of more than 50 scholars from many denominations provides a basic guide to Christian spiritual formation through more than 470 entries It covers such subjects as great spiritual teachers of the past and present important topics in Christian spirituality and ways to pray

and lead groups in prayer and spiritual growth Containing enough information to get you started but not so many details as to overwhelm the entries in this dictionary answer such questions as What is spiritual formation What is grace How does it help me grow What is centering prayer How do I do it Who is Hildegard of Bingen What did she write How can I grow in forgiveness What are Fowler s stages of faith What are other ways of talking about stages of spiritual growth This dictionary also includes a chart that compares various Christian spiritual traditions plus a list of significant spiritual classics by title and author

Personality and Wholeness in Therapy Daniel J. Siegel,PDP Group,2024-11-19 A new way to consider patterns of personality with the combined application of neurobiology and traditional wisdom Personality and Wholeness in Psychotherapy applies the perspective of interpersonal neurobiology to a traditional wisdom framework widely known as the Enneagram of Personality This framework describes a lifespan developmental personality model of nine distinct key strategies that people use to make sense of and cope with their experiences and interactions with the world These strategies can be understood as nine Patterns of Developmental Pathways or PDPs This book provides mental health practitioners with both a theoretical understanding of PDPs and practical tools for implementing the framework in clinical settings Readers will find detailed descriptions of the nine core patterns of personality as well as integrative practices specific to each of these patterns that can help people work towards states of well being and wholeness This innovative book has the potential to unlock deep and lasting change in problematic and perplexing patterns of thinking feeling and behaving transforming personality from a prison to a playground for readers and clients alike

Where Two Or Three Are Gathered Daniel L. Prechtel,2012-04 Much has been written about the practice of one to one spiritual directions but much less about small group communities that offer in depth mutual spiritual support and guidance to its members But small groups are most likely the more usual setting for spiritual companionship and have strong biblical theological and historical foundation in the Christian tradition This book offers a detailed presentation of ten small group models plus guidance in group leadership dynamics It also presents material related to group retreat work spiritual guidance with organizations and peer supervision consultation model for supporting leaders of spiritual companionship groups and retreats Church leaders spiritual directors and educators are looking for the kinds of resources this book provides to assist them in understanding and leading groups and retreats

Jacob's Dream Gene W. Marshall,2009-02 *The Gift of Being Yourself* David G. Benner,2015-09-24 In the expanded edition of this profound exploration of Christian identity David G Benner illuminates the spirituality of self discovery He exposes the false selves that you may hide behind and calls you to discover the true self that emerges from your uniqueness in Christ Deepen your experience of God through discovering the gift of being yourself

The True Self and False Self Matthew Brett Vaden,2022-01-06 We go through life focusing our attention on many things But how much do we focus on ourselves We may be aware of many things but are we self aware This is a question our contemporary culture asks us to consider more and more and words like self awareness personal identity authenticity and mindfulness are becoming not

just buzz words but virtues The ancient dictum know thyself reverberates in all corners of our lives from Disney characters on our TVs to DISC profiles at our workplaces Some of the more mindful members of our society may even be tempted to disdain those who are not as mindful as they are But what if our self aware culture hailing us to pursue our true selves is unaware of itself What if our definitions of true and false self understanding are myopic slanted towards a narrow solipsism that is actually leading people away from authenticity while all the while championing it If so how would we know Who is best able to define these things and to teach us how to know ourselves truly Matthew Brett Vaden traces the wisdom of past and modern day sages to discover how we can truly discover ourselves
