THE HIDDEN HISTORY OF SPIRITISM: FROM MAGNETISM TO THE SPIRITUAL WORLD DUKE SOUZA, This book uncovers the hidden origins of Spiritism tracing its evolution from mesmerist practices to the establishment of communication with the beyond It offers a captivating journey through forgotten theories concealed experiences and enigmatic figures that shaped modern spiritual thought A must read for those seeking to understand the deep roots of mediumistic phenomena and its historical progression *International Handbook of the Religious, Moral and Spiritual Dimensions in Education* Marian de Souza, Gloria Durka, Kathleen Engebretson, Robert Jackson, Andrew McGrady, 2007-06-04

Traditionally spirituality has resided and been contained within religious frameworks but while the links between the two areas are still acknowledged by many in the contemporary world spirituality is perceived by some as an aspect of human life that is distinct from religion Consequently many are searching for meaning within and without religious traditions today and seeking answers to ethical and moral questions that have been generated by the knowledge and technological explosion One outcome is the renewed interest in the religious spiritual and moral dimensions of education throughout the life cycle This International Handbook presents the research and professional practice of scholars who are daily engaged in the consideration of these dimensions in education The result is a collection of essays which reflects the discipline in all of its internationality as it is today Embedded within the chapters is also an agenda for the future where the religious moral and spiritual dimensions in education are proposed as an exciting and challenging way forward for educators at all levels in society As well it offers a vision for the emergence of a peaceful and just world New Dimensions in Spirituality, Religion, and Aging Vern Bengtson, Merril Silverstein, 2018-09-03 New Dimensions in Spirituality Religion and Aging expands the traditional focus of religiosity to include and evaluate recent research and discoveries on the role of secular spirituality in the aging process Contributors examine the ways conventional religion and other forms of spirituality affect human development health and longevity and they demonstrate how myth creation enables humans to make meaning in their lives Taken together the book points to further research to enhance current knowledge approaches to care and social policies Lessons of Love from Above Teresa Thibodeau, 2019-08-07 This book is a guide to improve our daily lives through the practice of wisdom teachings from the masters These teachings are in agreement with those of A Course in Miracles as well as Gary Renard's later writings
