Spiritual Life In The Congregation:

Spiritual Awakening John W. Ackerman, 1994 Ackerman parish pastor spiritual director and consultant on spiritual formation provides an excellent guide for clergy desiring a congregation wide approach to developing spirituality rooted in the life of the congregation A six week program focuses on developing individuals spirituality in small groups and includes leader training and course plans Practical suggestions assist in developing the corporate spirituality of congregations

Spiritual Life in the Congregation Rueben P. Job, 1997 In *Spiritual Life in the Congregations A Guide for Retreats* Reuben P Job answers the questions How can a church prepare for a retreat What is the difference between preparing and planning for a retreat And what happens after a retreat

Soul Searching : The Religious and Spiritual Lives of American Teenagers Christian Smith Dr William R Kenan Jr Professor of Sociology University of Notre Dame, Candidate University of North Carolina Melina Lundquist Denton Ph.D, Chapel Hill USA, 2005-01-25 In innumerable discussions and activities dedicated to better understanding and helping teenagers one aspect of teenage life is curiously overlooked Very few such efforts pay serious attention to the role of religion and spirituality in the lives of American adolescents But many teenagers are very involved in religion Surveys reveal that 35% attend religious services weekly and another 15% attend at least monthly 60% say that religious faith is important in their lives 40% report that they pray daily 25% say that they have been born again Teenagers feel good about the congregations they belong to Some say that faith provides them with guidance and resources for knowing how to live well What is going on in the religious and spiritual lives of American teenagers What do they actually believe What religious practices do they engage in Do they expect to remain loyal to the faith of their parents Or are they abandoning traditional religious institutions in search of a new more authentic spirituality This book attempts to answer these and related questions as definitively as possible It reports the findings of The National Study of Youth and Religion the largest and most detailed such study ever undertaken The NYSR conducted a nationwide telephone survey of teens and significant caregivers as well as nearly 300 in depth face to face interviews with a sample of the population that was surveyed The results show that religion and spirituality are indeed very significant in the lives of many American teenagers Among many other discoveries they find that teenagers are far more influenced by the religious beliefs and practices of their parents and caregivers than commonly thought They refute the conventional wisdom that teens are spiritual but not religious And they confirm that greater religiosity is significantly associated with more positive adolescent life outcomes This eagerly awaited volume not only provides an unprecedented understanding of adolescent religion and spirituality but because teenagers serve as bellwethers for possible future trends it affords an important and distinctive window through which to observe and assess the current state and future direction of American religion as a whole

The Vows of Religious Life in a Secular Society Judith A. Merkle, 2025-08-21 This book investigates religious vows shedding light on the type of faith that can sustain humanity in secular times It examines the personal impact of religious life as well as its

potential to foster a sense of completeness within society at large. Unbelief in today's society can be partially rooted in the shallowness of the sort of religion that the secular can abandon. Such a religion characterized as magical, shallow, illusory, or rooted solely in external rituals lacks the depth required to thrive in a secular society. It fails to address the profound aspects of human existence: the authentic freedom of the spirit and the enduring obedience of faith. This study of religious vows uncovers their deeper meanings in light of these challenges. It invites us to consider whether religious life despite contemporary criticisms can be seen as touching wholeness. This book does not only delve into the theological foundations of these vows but also key areas which impact their understanding and living in new contexts. It surveys sociological landscapes and goes beyond to encompass shifts in science, psychology, theology. Religious life in this sense is part of the renewal of the church as well as an agent in it. By focusing briefly on each vow, Judith A. Merkle illustrates how religious life serves as a bridge connecting the secular and the sacred. It is a life focused on love of God and service of others, which is a witness to the coming of Kingdom of God and values which truly matter in contemporary society.

Spiritual Traditions for the Contemporary Church Robin M. Van L. Maas, Gabriel O'Donnell, 1990-05-01. This volume offers a comprehensive intellectual and experiential introduction to Christian spirituality. It embraces spiritual traditions from the Patristic period to the present day. Part I: The Roots of Contemporary Western Spirituality covers spiritual types that have been fundamental in shaping spiritual practice. Part II: Distinctive Spiritual Traditions offers major introductory essays on spiritual traditions formed by such notable figures as Luther, Wesley, Ignatius, and John of the Cross, as well as ecclesiastical traditions such as Anglicanism. Part III: The Feminine Dimension in Christian Spirituality is devoted to Marian Spirituality, holy women, and feminism. Each of the fourteen chapters is followed by a practicum which enables readers to assimilate the practice prescribed into their own devotional life.

The Spirit Driven Church Terje Hegertun, 2017-06-28. Must the church be either charismatic or sacramental? In this book Terje Hegertun argues that she has the privilege of being both. The Day of Pentecost formed her identity and shaped her conviction of being lifted on the arms of grace and pushed forward by the power from on high. In the midst of her vulnerability and failure, the worldwide faith community is a composition of the Spirit. One of the greatest gifts the church may offer the world is simply to be church: a charismatic sacramental fellowship, a dwelling place of God's Spirit. A church nurtured by graceful charismatic and sacramental gifts fosters a mature congregational spirituality distinguished by hospitable relations. Thus the Spirit of God plays the main role of being the comprehensive principle of Christian unity across denominational lines.
