Spiritual Living What Matters And What Doesn't:

Spiritual Living Helen Hills, 2003-09 Spiritual Living What Matters and What Doesn't is for the person who wants a more rewarding spiritual life. Written in a lucid conversational style, the book focuses on issues that really matter, clearing away linguistic and doctrinal stumbling blocks that often prevent spirituality from developing into religion. Pertinent questions after each chapter make this book ideal for discussion groups and spiritual retreats as well as for the individual. It includes an annotated bibliography. Without promoting a particular theological agenda, Helen Hills explores a wide range of questions with candor, clarity, and freshness. I heartily recommend this book as a mature starting point for deepening the journey of faith and a resource for discussion groups. Rev. Andrew Foster, Rector, Church of the Ascension, New York, N.Y. Spiritual Living will be helpful not only to spiritual directors, clergy, and faith communities but also and perhaps especially for secular souls yearning for affirmation and advice beyond the boundaries of a particular religious tradition. Rev. K. Jeanne Person, Grace Church, Brooklyn, N.Y. Helen Hills leaves room for skeptics to become believers and for believers to be skeptical. Her definition of spirituality is expansive rather than narrow. The book is written in a way that invites the reader into a dialogue with the author. Why Everything That Doesn't Matter, Matters So Much Andi Ashworth, Charlie Peacock, 2024-03-12 A hopeful and practical model for what it means to be a Christian and a culture maker in a world of hurt and wondrous possibility from multi-Grammy winner Charlie Peacock and his wife and author Andi Ashworth. Do you feel powerless and overwhelmed by the pain and suffering all around you? Have you ever asked, "What can I do to mend the world, my family, or my own life?" And if I could, why bother? Does my own small part even matter? If so, here comes hope from two guides who are further down the road. Charlie and Andi have written a collection of letters to Christians and spiritual seekers who think deeply and care acutely about the state of the world and their personal spheres of influence. In *Why Everything That Doesn't Matter Matters So Much*, beloved and trusted mentors Charlie and Andi offer you thought-provoking explorations into the many facets of Christian culture, care, and making, from the kitchen to Carnegie Hall. Practical guidance for how to care for and improve the quality of human life locally and globally, no matter your vocation. A theology of imagination and creativity that provides a framework for all of life. A model for expressing love in marriage, friendship, citizenship, and every kind of work, even in the midst of cynicism, fear, exhaustion, and oppression. It might be said of Christians that our lives are either moving in the direction of the redemption Jesus has on offer or away from it. Each of these letters is a gentle nudge in the direction of God's powerfully ordinary purpose for each of us, no matter what the future holds, to participate fully in the beautiful redemptive work of Christ.
