Audio Study In The Book Of Hebrews. Irving Risch, Pat Christenson, 2016-03-05 This is an Audio Study with Lessons from Pat Christenson who in my opinion is a gifted speaker teacher Pat has the ability to get your attention and then keep it I have been fellowshipping with Pat for many years now and we have become very good friends Pat is a good brother in the Lord and a very funny guy I know you will enjoy listening to him Back on August 4th 2013 Pat started a study in The Book of Hebrews and this ebook contains 25 lessons with almost 20 hours of audio This was an ongoing study until February 28th 2016 The Book of Hebrews is an amazing book filled with so many lessons for Christians of our day even though this book was written so many years ago This book is set up with Links to all the lessons in MP3 format with the complete Outline to each lesson plus extra notes on the book of Hebrews You should be able to listen to these audio lessons on most devices but you will need the Internet because these are links and you can use a browser or audio player to listen to them I was going to embed the audios but found that almost 20 hours of audio would have made this ebook so large that that it would have been impossible to download because there is over a gigabyte of audio linked to this ebook You will find the Links embedded in the notes so that you can listen to the lesson as you look through the notes My hope is that you get a rich blessing as you go through this study I know I did When you get done with this study you should have a good understanding of the Book of Hebrews

Why Spiritual Capital Matters Craig E. Mattson, 2021-05-21 When personal life splinters from professional life as it does for so many people today we often hold forth a vision of human life in which everything fits together work family community and the common good Organizational leaders love this dream because frankly when people bring their whole selves to work they are more productive What's good for the company in this case looks to be good for the staff member too And that's no small accomplishment in a time when pandemic and racial inequity have made organizational leadership so economically and socially challenging But all too often this dream of holistic living and work relies too heavily upon the inner resources of individuals The result is burnout as leaders grow fatigued and team members feel manipulated This book's research among social entrepreneurs with close attention to the experience of entrepreneurs of color suggests that workplace communities have the economic and social resources needed for commonwealth But the goods remain latent Instead of obsessing about what individual inwardness can do we should catalyze those latent resources This book shows leaders how to start new conversations and tell new stories in order to cultivate spiritual capital and activate those latent goods

Audio App Daily Devotion Mearl La Gene Martin III, 2015-10-09 Audio App Daily Devotional is the complete Bible We have removed the verse numbers from the text itself which gives an almost poetic feel to the Scriptures as you read while maintaining the chapter and verse references ahead of each day's portion of Scripture This enables you to reference and study the Scriptures in a more in depth manner Inside you will find an average of twenty three New Testament verses seven Psalms verses three Proverbs verses and fifty five Old Testament verses per day While I never recommend rushing through

your time with our Lord I felt it important to make each day's readings and portions as equal as possible allowing you to set times throughout the day for reading in order to regroup or refocus on your task at hand Look for and expect to hear from our Lord Look for God to move in your life more and more as you draw closer to Him daily
