Spirituality In Interfaith Dialogue:

Spirituality in Interfaith Dialogue Tosh Arai, S. Wesley Ariarajah, 1989 *Spirituality and Interfaith Dialogue*, 2006

Getting to the Heart of Interfaith Don Mackenzie, Ted Falcon, Jamal Rahman, 2009 A deeply personal journey to interfaith collaboration that offers hope for an inclusive and healing way of being together in the world Too often religion seems to fuel more hatred than love more conflict than collaboration Interfaith Talk Radio's interfaith amigos a pastor a rabbi and an Imam provide a rich understanding of the road to interfaith collaboration by sharing their stories challenges and the inner spiritual work necessary to go beyond tolerance to a vital inclusive spirituality From their deep commitment and lived experience they present ways we can work together to transcend the differences that have divided us historically Together they explore The five stages of the interfaith journey The power of our stories The core of our traditions The promises and problems of our traditions New dimensions of spiritual identity And much more Along with inspiring insights and encouragement for tapping into the promise of interfaith dialogue they provide practical actions additional readings and discussion questions to help you embody their revolutionary spirit of healing *Finding Peace through Spiritual Practice* Pastor Don Mackenzie, PhD, Rabbi Ted Falcon, PhD, Imam Jamal Rahman, 2016-08-16 If we want to heal our personal and planetary problems we have to move beyond talking to spiritual practice Pastor Don Mackenzie Rabbi Ted Falcon and Imam Jamal Rahman who have become known as the Interfaith Amigos believe truly effective interfaith dialogue can inhibit the demonization of any religion Their work together which began with the horrors of 9 11 aims to help us see all authentic spiritual traditions as sacred avenues to a shared Universal Reality when we achieve this the healing of our shared personal and planetary problems begins In this their third book the Interfaith Amigos look at the specific issues we face in a pluralistic society and the spiritual practices that can help us transcend those roadblocks to effective collaboration on the critical issues of our time Focusing on the interconnection of spirituality and authentic interfaith dialogue they examine How Spiritual Awareness Can Heal Our Own Traditions Beyond Polarization Confronting Our Most Personal Obstacle Spiritual Paths to Environmental Stewardship Spiritual Paths to Social Justice How to Make Spirituality a Way of Life This book helps awaken readers to the spiritual consciousness within each of us that provides the foundation for much needed healing Each chapter includes spiritual practices to aid us in reclaiming the deep spiritual truths of our own being **Spirituality in Interfaith Dialogue** Tosh Arai, S. Wesley Ariarajah, 1989 **Interreligious Learning** Michael Barnes, 2012 Demonstrates how learning to engage with different religious traditions can deepen and reinvigorate one's own faith **Catholics in Interreligious Dialogue** Anthony O'Mahony, Peter Bowe, 2006 This volume brings together a wide ranging and engaging series of studies that witness to the depth of theological reflection that the contemporary Christian monastic and scholarly community are engaged in as the religious traditions seek to understand and relate to each other in a global context Catholic **Critical Conversations about Religion** Sachi Edwards, 2016-10-01 Interfaith initiatives are increasingly prevalent on

college and university campuses around the country In large part this trend responds both to ongoing religious violence throughout the world and to increasing religious tension in the United States As such these interfaith initiatives often attempt to bolster interfaith collaboration and increase awareness of different religious cultures identities beliefs and traditions In this book Edwards reviews the various goals and processes associated with the interfaith movement and offers both warnings and suggestions for those who are interested in pursuing an approach to interfaith dialogue that is oriented toward social justice In doing so this book fills a critical gap in academic literature surrounding the impact of religious identity and interfaith relations on pedagogy educational experiences and campus climates Through three descriptive case studies set in a large public university in the United States Edwards explores the use of Intergroup Dialogue as a pedagogical model for interfaith dialogue While the goal of this pedagogy is to increase student understanding of privilege oppression and social injustice pertaining to religious identity the cases in this book demonstrate how and why social justice oriented interfaith dialogue can be easily derailed and if so may potentially have harmful implications for religious minorities Accordingly Edwards offers five necessary conditions for assuring that social justice oriented interfaith dialogue which Intergroup Dialogue is intended to be succeeds By focusing on the unique perspectives of four particular student participants all of whom have religious identities outside of the three dominant Abrahamic religions Edwards also highlights the experiences of those from religious identity groups that are the most overlooked and under represented in the discourse on interfaith dialogue

The Art of Interfaith Spiritual Care Walter Blair Stratford, 2016-06-23 Relationships between people are frequently compromised as a result of religious viewpoints but appropriate spiritual care requires bridges to understanding that will allow for trust and justice to become visible The pattern for this book is shaped on the recognition that while religious expressions differ markedly in their presentation we can discern at the core of all religious expressions a supposition of sacred presence It is therefore helpful for us all in the daily events of our lives that we approach people of other faiths with a degree of humility recognizing that neither we nor they have a final answer to the question of faith The book is divided into four parts each part containing some chapters in which elements of interfaith care are considered Part one explores the complexities of interfaith engagement Part two discusses ways for caring for each other in the search for meaning Part three claims that spirituality is most difficult if not impossible to define but can be visible in a variety of experiences The fourth part explores ways in which all that has gone before may be put into practice as spiritual care

Sourcebook of the World's Religions Joel Diederik Beversluis, 2000 More than 300 articles documents prayers poems and sacred texts explore the intersection of people's world views and commitments in the revised and updated edition of this comprehensive resource
