Spirituality That Makes Sense:

Spirituality That Makes Sense Douglas Taylor, 2000 An accessible overview of Swedenborgian thought a theology that makes sense Douglas Taylor's book explains the concepts of Creator as the Redeemer the spiritual world redemption and the Trinity Taylor looks at personal morality in Swedenborgian terms addressing such concerns as what is saving faith what is the nature of evil how to escape from evil feelings and why we must take responsibility for our actions **Spirituality and the Good Life** David McPherson, 2017-10-19 This book presents a broad philosophical study of the nature of spirituality and its relationship to human well being addressing an area of contemporary philosophy that has been largely underexplored David McPherson brings together a team of scholars to examine the importance of specific spiritual practices including prayer contemplation and ritual observance and spiritually informed virtues such as piety humility and existential gratitude for the good life This volume also considers and exemplifies how philosophy itself when undertaken as a humanistic rather than scientific enterprise can be a spiritual exercise and part of a spiritual way of life Clarifying key concepts and engaging with major religious traditions such as Judaism Christianity Islam Buddhism and Confucianism this book will appeal to students and scholars from various disciplines including theology sociology and psychology as well as to philosophers ethicists and other readers who are interested in modern spiritual life **Spirituality** Roger S. Gottlieb, 2013 Roger S. Gottlieb provides a lucid and accessible overview of what spirituality is enabling a clear eyed understanding of the concept its manifold connections to other aspects of personal and social life its role as a positive psychological and social phenomenon and some of the risks that attend it **The Spiritual Wisdom of Anthony de Mello** Anthony de Mello, 2012 Anthony de Mello was a Jesuit priest from India He fuses spiritual ideas from many religions in a way that makes them accessible to readers This book is in the form of a lecture at a retreat and it deals with the notion that we walk through life in a kind of sleep that prevents us from achieving a real connection to God and to ourselves This book contains the following lectures On Waking Up Will I Be Of Help To You On The Proper Kind Of Selfishness On Wanting Happiness Are We Talking About Psychology In This Spirituality Course Neither Is Renunciation The Solution Listen And Unlearn What's On Your Mind Good Bad Or Lucky Our Illusion About Others Self Observation Awareness Without Evaluating Everything The Illusion Of Rewards Finding Yourself Stripping Down To The I Negative Feelings Toward Others On Dependence How Happiness Happens Fear The Root Of Violence Awareness And Contact With Reality Good Religion The Antithesis Of Unawareness Labels Obstacles To Happiness Four Steps To Wisdom All's Right With The World Sleepwalking Change As Greed A Changed Person Arriving At Silence Losing The Rat Race Permanent Worth Desire Not Preference Clinging To Illusion Hugging Memories Getting Concrete At A Loss For Words Cultural Conditioning Filtered Reality Detachment Addictive Love More Words Hidden Agendas Giving In Assorted Landmines The Death Of Me Insight And Understanding Not Pushing It Getting Real Assorted Images Saying Nothing About Love Losing Control Listening To Life The End Of Analysis Dead Ahead The

Land Of Love **The Destructive Path of Neoliberalism** ,2008-01-01 The Destructive Path of Neoliberalism An International Examination a compilation of twelve essays by leading scholars and educators sheds light on the social political economic and historical forces behind the rise of neoliberalism the dominant ideological doctrine impacting developments in schools and other social contexts across the globe for over thirty years Several authors provide rich empirical data from schools across the globe to capture how neoliberal imperatives discourses and practices are impacting teachers students and communities at today s historical juncture Finally several contributors have developed pedagogical initiatives suggest policy considerations and convey theoretical insights designed to assist us in the struggle against the corporatization of schooling and social life Ken Wilson,2008-05-27 An exploration of four dimensions of the spirituality Jesus left in his wake engages those drawn to the fascinating figure buried in the messy field of religion Spiritual Intelligence and the Neuroplastic Brain Charles W. Mark Ph. D.,Charles W. Mark,2010 Our brains are getting wired differently in the world of digital technology information revolution and in the inter cultural world of global society Think of the new vocabulary Global brain collective intelligence global village and cyberspace That should tell us something about the neural rewiring that is taking place inside of our brains whether or not we are aware of it The fact that the human brain changes throughout a person s life in response to intellectual stimulation physical exercise exposure to new cultural environments learning opportunities and challenges is a revolutionary discovery Till twenty years ago neuroscientists believed in the conventional theory that the brain s ability at making new neural connections stopped before a child entered adolescence That is the old dogma There is a Second Copernican Revolution taking place inside of our brains writes the author quoting Carl Zimmer Some experts are suggesting that we are already living in what Richard Restack calls the neurosociety Ray Kurzweil the futurist is predicting that by 2045 A D human beings will be living in an era of singularity when non biological machines invented by human brains and human ingenuity are going to outsmart human intelligence billions of times What is going to be the fate of the human spirit human spirituality the feeling of connection to a force and power that is greater than us God our ability to use spiritual imagination and our intelligence Are we progressively moving away from religion and community based spirituality into the spirituality of different strokes for different folks In his groundbreaking book *Spiritual Intelligence and The Neuroplastic Brain A Contextual Interpretation of Modern History* Charles W Mark takes the reader on a journey through modern history and shows the glimpse of what is to come <http://www.spiritualityintelligence.com> *Spiritual Assessment in Healthcare: A Resource Guide* Linda Ross,Wilfred McSherry,2025-05-23 This new edition led by two prominent Professors of Nursing explores issues of spiritual assessment in healthcare practice while adopting a lifespan approach and also including expertise from nursing midwifery medicine mental health children and adolescents meaningful ageing and intellectual disability The importance of cultural sensitivity and diversity are explored because it is recognised that these are themes that have been neglected in discussions about spiritual assessment It provides nurses and other healthcare professionals with a valuable

resource that will assist them with identifying and meeting their patients and clients spiritual needs The book as previously commenced by providing an overview of what is meant by spirituality this operational definition is derived from the authors research and experiences in teaching these subjects to a wide range of healthcare professionals The updated and expanded text will assist readers to engage with the conceptual and theoretical challenges and developments associated with spirituality and spiritual care The book offers very practical insights and steps for introducing and advancing spiritual assessment in a wide range of healthcare settings The adoption of a life span approach means that concepts such as spirituality spiritual care and assessment can be better understood by healthcare professionals working in specialist fields of practice Each chapter will draw upon up to date evidence to demonstrate the development of both the art and science of spiritual assessment The book will continue to challenge contemporary thinking asking for healthcare professionals working within a diverse range of care settings organisations institutions educational contexts to evaluate their practice in relation to spiritual assessment A primary goal of this 2nd Edition is to continue to advance thinking and practice in spiritual assessment by using a lifespan approach that offers insight into the dilemmas obstacles deficits that inhibit or prevent nurses and other allied healthcare providers from supporting clients and patients with their spiritual needs **Religion and American**

Education Warren A. Nord, 2014-07-01 Warren Nord's thoughtful book tackles an issue of great importance in contemporary America the role of religion in our public schools and universities According to Nord public opinion has been excessively polarized by those religious conservatives who would restore religious purposes and practices to public education and by those secular liberals for whom religion is irrelevant to everything in the curriculum While he maintains that public schools and universities must not promote religion he also argues that there are powerful philosophical political moral and constitutional reasons for requiring students to study religion Indeed only if religion is included in the curriculum will students receive a truly liberal education one that takes seriously a variety of ways of understanding the human experience Intended for a broad audience Nord's comprehensive study encompasses American history constitutional law educational theory and practice theology philosophy and ethics It also discusses a number of current controversial issues including multiculturalism moral education creationism academic freedom and the voucher and school choice movements Jesus

Brand Spirituality Ken Wilson, 2008-05-27 Jesus wants his religion back so it can be for the world again So begins this expertly written book by Ken Wilson a pastor practitioner and pilgrim to engage those drawn to the fascinating figure buried in the messy field of religion Jesus Brand Spirituality is for those disillusioned by the current swirl of cultural conflict moralism and religious meanness that amounts to a form of trademark infringement on the movement that bears his name Combining candor curiosity and rare insight the author explores four dimensions of the spirituality Jesus left in his wake active contemplative biblical and communal Practical engaging and compelling this fresh illumination of an ancient path is both moving and thought provoking Phyllis Tickle founding editor of the Religion Department at Publisher's weekly calls

Wilson one of America's most gifted evangelicals a thoughtful unflinching pastor for thinking Christians but he has outdone even his own reputation here Candid confessional and full of stories these conversational chapters from a man enthralled with Jesus are shot through with the passion and the realism of an eternally vital romance
