Spirituality As Insight Mystical Texts And Theological Reflections:

Spirituality as Insight Frans Maas, 2004 This book is concerned with mystical texts and theological reflection with reference to spiritual insight in the first place the author shows with reference to two great figures in the Christian mystical tradition Meister Eckhart and John of the Cross how coming to insight involves a three fold rhythm being touched losing one's sight and the finding of insight as this relates to the quality of life The author discusses in the next chapters three other authors Therese of Lisieux Etty Hillesum and Dag Hammarskjöld They were themselves readers of mystical literature and stand closer to us in time Current questions of meaning especially as it relates to suffering influence the framework in which they viewed quality of life In their writings one can see an unmistakable growth to an extraordinarily intensive experience of God which enables them to face life with a more than ordinary power and inspiration *Spirituality in the Writings of Etty Hillesum* Klaas Smelik, Ria van den Brandt, Meins G. S. Coetsier, 2010-10-25 Much of the previous scholarship on Etty Hillesum 1914-1943 was done by individual scholars within the analyses of their fields After the proceedings of the international Etty Hillesum Congress at Ghent University in November 2008 this Congress volume is the first joined effort by more than twenty Hillesum experts worldwide It is an absorbing account of international scholarship on the life works and vision of the Dutch Jewish writer Etty Hillesum whose life was shaped by the totalitarian Nazi regime Hillesum's diaries and letters illustrate her heroic struggle to come to terms with her personal life in the context of World War II Building on new interest in theology philosophy and psychology this book revives Hillesum research with a comprehensive rereading of both her published works and lesser known secondary discourses on her life The result is fascinating With the current explosion of interest in inter religious dialogue peace studies Judaism the holocaust gender studies and mysticism it is clear that this Congress volume will be invaluable to students and scholars in various disciplines *Mystical Theology and Contemporary Spiritual Practice* Christopher C. H. Cook, Julianne McLean, Peter Tyler, 2017-09-08 In *Mystical Theology and Contemporary Spiritual Practice* several leading scholars explore key themes within the Christian mystical tradition contemporary and historical The overall aim of the book is to demonstrate the relevance of mystical theology to contemporary spiritual practice Attention is given to the works of Baron von Hugel Vladimir Lossky Margery Kempe Ludwig Wittgenstein Thomas Merton and Francisco de Osuna as well as to a wide range of spiritual practices including pilgrimage spiritual direction contemplative prayer and the quotidian spirituality of the New Monasticism Christian mystical theology is shown to be a living tradition which has vibrant and creative new expressions in contemporary spiritual practice It is argued that mystical theology affirms something both ordinary and extraordinary which is fundamental to the Christian experience of prayer *The Lasting Significance of Etty Hillesum's Writings* Klaas A.D. Smelik, 2025-10-01 *The Lasting Significance of Etty Hillesum's Writings* contains the proceedings of the third international Etty Hillesum Conference held in Middelburg in September 2018 It brings together the work of 33 experts from all over the world to shed new light on life works inspiration

The Existential Philosophy of Etty Hillesum Meins G. S. Coetsier, 2014-01-09 In *The Existential Philosophy of Etty Hillesum* Meins G. S. Coetsier breaks new ground by demonstrating the Jewish existential nature of Etty Hillesum's spiritual and cultural life in light of the writings of Martin Buber Emmanuel Levinas and Dietrich Bonhoeffer Hillesum's diaries and letters written between 1941 and 1943 illustrate her struggle to come to terms with her personal life in the context of the Second World War and the Shoah By finding God under the rubble of the horrors she rediscovers the divine presence between humankind while taking up responsibility for the Other as a way to embrace justice and compassion In a fascinating accessible and thorough study Coetsier dispels much of the confusion that assails readers when they are exposed to the bewildering range of Christian and Jewish influences and other cultural interpretations of her writings The result is a convincing and profound picture of Etty Hillesum's path to spiritual freedom

Etty Hillesum Ria van den Brandt, 2014 The diaries and letters of the Dutch Jewish Etty Hillesum Middelburg 1914 Auschwitz 1943 have received worldwide attention and have inspired many readers This book offers a transparent and concise introduction to the thought and life of Etty Hillesum It succeeds in evoking Hillesum's testimony of life through the reflection on her crucial themes and the use of many impressive citations from her diaries and letters Series Adjustment Self Assertion Resistance Anpassung Selbstbehauptung Widerstand Vol 36

innovators profiled here The Blue Sapphire of the Mind Douglas E. Christie, 2013 In The Blue Sapphire of the Mind Douglas E. Etty Hillesum and the Flow of Presence Meins G. S. Coetsier, 2008 Although she died cruelly at Auschwitz at the age of twenty nine Etty Hillesum left a lasting legacy of mystical thought in her letters and diaries Hillesum was a complex and powerful witness to the openness of the human spirit to the call of God even under the most harrowing circumstances Her life was as much shaped by Hitler's regime as was that of philosopher Eric Voegelin and as Meins Coetsier reveals her thought lends itself to interpretation from a uniquely Voegelinian perspective Etty Hillesum and the Flow of Presence analyzes the life and writings of Hillesum from the standpoint of Voegelin's views on consciousness especially his philosophy of luminous participation in the transcendent ground of being Through a careful reading of her letters and diaries Coetsier reveals the inner development of Hillesum's mystically grounded resistance to Nazism as he guides readers through the symbolism of her spiritual journey making effective use of Voegelin's analytics of experience and symbolization to trace her path to spiritual truth Intertwining the lives works and visions of these two mystical thinkers Coetsier demonstrates his mastery of both Voegelin's philosophy and Hillesum's Dutch language materials He shows how mystical attunement to the flow of presence Voegelin's designation for human responsiveness to the divine is the key to the development of Hillesum's life and writings He displays a special affinity for the suffering and grace filled transformation that she underwent as she approached the end of her life and gained insight into the ultimate purpose of each individual's contribution to the well being and maintenance of the human spirit Retrieving one of the lesser known but most compelling figures of the Holocaust Etty Hillesum and the Flow of Presence is an original contribution to both Voegelin and Hillesum scholarship that reflects these writers strong valuation of the human person It presents Hillesum's life and work in an original and provocative context shedding new light on her experiences and their symbolizations while further broadening the application of Voegelin's thought
