Jensen,2018-01-25 Dennis Jensen looks at two very important problems that have led many to reject religious belief generally and Christianity in particular Why has God allowed the extreme suffering we find in our world And Can religion be blamed for much of this suffering He looks at not only the evil so often associated with religions inquisitions holy wars pogroms witch hunts but also some of the difficulties found specifically in the Bible Did the God of the Bible command or advocate mass murder homophobia slavery Is the New Testament anti Semitic Jensen argues persuasively that a fully biblical teaching does not advocate subservience of women in today s society church or family It does not condemn all same gender sexual relations or transgender identity It does not teach an eternal hell As just one of the many fascinating topics he tackles one of the more important biblical reasons suggested for the existence of evil is that God wants to know whether we will seek to stop or alleviate the suffering we see whether we will learn to have God s heart whether we will hate evil and anguish over the hurting as God does Faith Development in Early Childhood Doris A. Americans now regularly attend church In 1990 20 4% attended church In 2000 the percentage dropped to 18 7% By the year 2050 if the church doesn't change it is estimated church attendance will drop to 11 7% This can be reversed if we adopt the evangelistic strategy used by Jesus and the apostles This book gives you a detailed breakdown of the gospel the apostle Peter presented on the Day of Pentecost that ended with 3 000 baptisms in one day The book will also show you how Luke the author of Acts packaged the never changing gospel to ten different types of neighbors the hurting religious spiritualist seeker fanatic good person abuser skeptic misinformed and pleasure seeker This book and its training manual identify over one hundred questions about spiritual matters and help you have the answers your neighbors need to hear *Christian Spiritual Formation* Diane J.
