Splendid Poseur Joaquin Miller:

Splendid Poseur: Joaquin Miller, American Poet M. Marion Marberry, 1953 Describes irreverently the fictions and facts in Miller's life *Splendid Poseur, Joaquin Miller, American Poet*, by M. M. Marberry M. M. Marberry, 1953 **Unsettling the Literary West** Nathaniel Lewis, 2003-01-01 The test of western literature has invariably been Is it real Is it accurate Authentic The result is a standard anything but literary as Nathaniel Lewis observes in this ambitious work a wholesale rethinking of the critical terms and contexts and thus of the very nature of western writing Why is western writing virtually missing from the American literary canon but a frequent success in the marketplace The skewed status of western literature Lewis contends can be directly attributed to the strategies of the region's writers and these strategies depend consistently on the claim of authenticity A perusal of western American authorship reveals how these writers effectively present themselves as accurate and reliable recorders of real places histories and cultures but not as stylists or inventors The imaginative qualities of this literature are thus obscured in the name of authentic reproduction Through a study of a set of western authors and their relationships to literary and cultural history Lewis offers a reconsideration of the deceptive and often undervalued history of western American literature With unequivocal admiration for the literature under scrutiny Lewis exposes the potential for startling new readings once western writing is freed from its insistence on a questionable authenticity His book sets out a broader system of inquiry that points writers and critics of western literature in the direction of a new and truly sustaining literary tradition **The Pacific Northwest** Raymond D. Gastil, Barnett Singer, 2010-04-23 The Pacific Northwest for the purposes of this book mostly Oregon and Washington has sometimes been seen as lacking significant cultural history Home to idyllic environmental wonders the region has been plagued by the notion that the best and brightest often left in search of greater things that the mainstream world was thousands of miles away or at least as far south as California This book describes the Pacific Northwest's search for a regional identity from the first Indian European contacts through the late twentieth century identifying those individuals and groups who at least struggled to give meaning to the Northwest experience It places particular emphasis on writers and other celebrated individuals in the arts detailing how their lives and works both reflected the region and also enhanced its sense of self *Queer Compulsions* Amy H. Sueyoshi, 2012-02-29 In September 1897 Yone Noguchi 1875 1947 contemplated crafting a poem to his new love western writer Charles Warren Stoddard Recently arrived in California Noguchi was in awe of the established writer and the two had struck up a passionate correspondence Still he viewed their relationship as doomed not by the scandal of their same sex affections but their introverted dispositions and differences in background In a poem dedicated to his dearest Charlie Noguchi wrote Thou and I O Charles sit alone like two shy stars east and west While confessing his love to Stoddard Noguchi had a child future sculptor Isamu Noguchi with his editor Lonie Gilmour became engaged to Washington Post reporter Ethel Ames and upon his return to Japan married Matsu Takeda all within a span of seven years According to author Amy

Sueyoshi Noguchi was not a dedicated polyamorist. He deliberately deceived the three women to whom he either pretended or promised marriage while already married. She argues further that Noguchi's intimacies point to little known realities of race and sexuality in turn of the century America and illuminate how Asian immigrants negotiated America's literary and arts community. As Noguchi maneuvered through cultural and linguistic differences, his affairs additionally assert how Japanese in America could forge romantic fulfillment during a period historians describe as one of extreme sexual deprivation and discrimination for Asians, particularly in California. Moreover, Noguchi's relationships reveal how individuals who engaged in seemingly defiant behavior could exist peaceably within prevailing moral mandates. His unexpected intimacies in fact relied upon existing social hierarchies of race, sexuality, gender, and nation that dictated appropriate and inappropriate behavior. In fact, Noguchi, Stoddard, Gilmour, and Armes at various points contributed to the ideological forces that compelled their intimate lives. Through the romantic life of Yone Noguchi, *Queer Compulsions* narrates how even the queerest of intimacies can more provocatively serve as a reflection of rather than a revolt from existing social inequality. In unveiling Noguchi's interracial and same sex affairs, it attests to the complex interaction between lived sexualities and socio-legal mores as it traces how one man negotiated affection across cultural, linguistic, and moral divides to find fulfillment in unconventional yet acceptable ways. *Queer Compulsions* will be a welcome contribution to Asian American gender and sexuality studies and the literature on male and female romantic friendships. It will also forge a provocative link between these disciplines and Asian studies.

Mathilde Blind James Diedrick, 2017-01-12. With Mathilde Blind. *Late Victorian Culture and the Woman of Letters*. James Diedrick offers a groundbreaking critical biography of the German born British poet Mathilde Blind (1841-1896), a freethinking radical feminist. Born to politically radical parents, Blind had by the time she was thirty become a pioneering female aesthete in a mostly male community of writers, painters, and critics, including Algernon Charles Swinburne, William Morris, Ford Madox Brown, William Michael Rossetti, and Richard Garnett. By the 1880s she had become widely recognized for a body of writing that engaged contemporary issues such as the Woman Question, the forced eviction of Scottish tenant farmers in the Highland Clearances, and Darwin's evolutionary theory. She subsequently emerged as a prominent voice and leader among New Woman writers at the end of the century, including Mona Caird, Rosamund Marriott Watson, and Katharine Tynan. She also developed important associations with leading male decadent writers of the fin de siècle, most notably Oscar Wilde and Arthur Symonds. Despite her extensive contributions to Victorian debates on aesthetics, religion, nationhood, imperialism, gender, and sexuality, however, Blind has yet to receive the prominence she deserves in studies of the period. As the first full length biography of this trailblazing woman of letters, Mathilde Blind underscores the importance of her poetry and her critical writings, her work on Shelley, biographies of George Eliot and Madame Roland, and her translations of Strauss and Bashkirtseff for the literature and culture of the fin de siècle.
