Split Image Anne Atkins,1987 **ThirdWay** ,1987-10 Monthly current affairs magazine from a Christian perspective with a focus on politics society economics and culture **Split Image** Anne Atkins,1987 Across the Spectrum Gregory A. Boyd,Paul Rhodes Eddy,2009-09 This accessible yet comprehensive primer explores the breadth of viewpoints on major issues in evangelical theology by examining positions taken by evangelicals on seventeen seminal issues The second edition retains the helpful features of the first edition and adds an appendix that addresses thirteen peripheral issues in contemporary evangelicalism Praise for the first edition The authors do what no book on the market does In one volume they faithfully present divergent views on the crucial issues that divide evangelicals and they do so in an unbiased succinct and lively manner This book is perfect as a supplemental text in an introductory theology course or as a manual for church study groups It will help everyone arrive at his or her own conclusions within the parameters of the evangelical tradition Dennis Okholm Azusa Pacific University Across the Spectrum succeeds with distinction in at least two respects First it represents a very useful tool for those who wish to begin grappling with different approaches to difficult theological problems The book will be most helpful to beginning students in evangelical theology the target audience Second the work presents various perspectives in fair and unbiased tones If used with care it will repeatedly reward the reader with its fair and even treatment of different theological views Nathan D Holsteen Bibliotheca Sacra I ve been waiting for this book for some time Due to its brief nontechnical format it can be used in a variety of ways in undergraduate theology courses Although a concise volume it succinctly outlines multiple arguments both pro and con for incredibly over two dozen issues in disputed largely non fundamental areas of doctrine The professor can present positions in favor of particular views or leave the issues open It s settled I m requiring it Gary R Habermas Liberty University A collective sigh of relief will arise from the evangelical student body when it discovers this book It helpfully and critically surveys the many legitimate evangelical theological options and convincingly demonstrates that there is no single authentically evangelical viewpoint on a wide range of controversial issues It constitutes a small library between two covers Roger E Olson George W Truett Theological Seminary Baylor University

Heartstrings Jill Briscoe,2016-03-01 Have you lost your joy Life s obstacles and disappointments can tempt Christians to lose hope and hang up their joy just as the Israelites hung their harps upon trees by the rivers of Babylon In Heartstrings Jill Briscoe discusses eight trees that believers hang their joy upon including grief grudge and gloom Through biblical stories and personal narrative Jill reminds us that hope and joy can be regained when we allow the Lord to touch the heartstrings of our souls Once this happens we are able to sing a new song to God and the world The Book of Womanhood Amy F Davis Abdallah,2016-06-30 There are many questions that surround Christian womanhood What does it mean When does it happen at a certain age status or maturity How do we know we re no longer girls And when we ve figured that out how will others know how to recognise us as a woman rather than a girl After all Christian women don t usually get a rite of passage in which

they are named a woman Seeing this need Amy Davis Abdallah has created such a rite and this book accompanies it there is no need to go through her rite of passage however to name yourself a woman The Book of Womanhood creates a path through the confusion that surrounds the identity of women by its flexible framework developing the reader s understanding of a woman s relationship with God their self others and creation Amy writes simply as one perhaps further along in her journey of womanhood than most and she doesn t write alone she includes the stories of Biblical women of friends young and old and even more The diverse voices come together as a cloud of witnesses encouraging us in our individual journeys The Book of Womanhood is about recognition reaching out not only to women but also to men who seek to understand and empower their wives daughters and friends to be the women God has formed them to be Read for empowerment read for transformation Read and become the woman of God you were created to be Gender Grace Mary Stewart Van Leeuwen,1990-05-03 From brain structure and role models to the creation drama and the new covenant Mary Stewart Van Leeuwen helps us to understand more clearly the forces and the freedoms that shape our lives **ThirdWay** ,1995-03 Monthly current affairs magazine from a Christian perspective with a focus on politics society economics and culture **In the Spirit** Candace L. Kohli,2024-11-14 How does the Christian produce good works in service of her neighbor after justification In Martin Luther s famous 1520 treatise The Freedom of a Christian the Reformer claimed that Christ s love springs spontaneously from the Christian s soul as good works In Luther s late medieval theological context however this statement was incoherent with philosophical theories of moral action which required an interplay between the soul and body This problem persists in Lutheran theology today where human passivity in justification is extended over the Christian s entire temporal life Yet Luther seemed to find solutions to this question in his late controversies with Johann Agricola over law and gospel This study looks to pneumatological developments in that controversy for resources that support a more coherent view of moral action in the Christian life *ThirdWay* ,1995-02 Monthly current affairs magazine from a Christian perspective with a focus on politics society economics and culture
