Spoken Christ Reading And Preaching The Transforming Word:

The Spoken Christ Willard F. Jabusch, 1990 **The New Interpreter's® Handbook of Preaching**, 2010-11-01 The New Interpreter's Handbook of Preaching is a major reference tool for preaching with articles on every facet of Christian sermon preparation and delivery This resource is both scholarly and practical It focuses on the most distinctive feature and greatest strength of homiletics as a discipline It is rooted in interdisciplinary scholarship and it develops theory geared to practice Its theory arises out of the study of both excellent preaching past and present and actual sermon preparation and composition When theory and practice critique each other it is possible to produce guidelines that assist greater excellence and economy in preaching the gospel Excellence in standards is an area in which homiletics needs to grow and this project will be both a means to encourage and develop it A guiding question throughout will be Will it preach The answers will be offered in the sense that here is something that works well rather than here is something to try Preachers will turn to this resource with the expectation that they will find scholarly treatment of topics brief bibliographies of relevant key books and articles along with practical methodological suggestions for preachers to employ The contributors are homileticians preachers and writers in various disciplines who are committed to the pulpit through practice Viva Vox Joshua D. Genig, 2015-03-01 In failing to take the sacramentality of the word of God seriously the preaching of the church has suffered negative consequences As a result preaching has often become at best a form of instruction or at worst an incantation of sorts rather than an integral part of deepening our relationship with Christ by functioning sacramentally to bring about divine participation with Jesus corporeal humanity in his living word In order to recover this sacramental reality this volume argues that one should consider the annunciation to Mary where with the sermon of Gabriel the corporeal Christ took up residence in the flesh of his hearer and delivered to her precisely what was contained within his own flesh the fullness of the Godhead Col 2 9 When understood as a biblical paradigm for the church it becomes clear that what happened to Mary can indeed happen to Christians of the present day Proclamation thus delivers the Christ to us *Glory to God: A Companion* Carl P. Jr. Daw, 2016-05-25 This informative resource provides a brief history of each hymn in the popular hymnal *Glory to God* Written by one of the foremost hymn scholars today the Companion explains when and why each hymn was written and provides biographical information about the hymn writers Church leaders will benefit from this book when choosing hymn texts for every worship occasion Several indexes will be included making this a valuable reference tool for pastors worship planners scholars and students as well as an interesting and engaging resource for music lovers The Reading and Preaching of the Scriptures in the Worship of the Christian Church, Volume 2 Hughes Oliphant Old, 1998 Hughes Oliphant Old surveys the history of preaching in the Greek schools of Alexandria and Antioch in the Syriac church and throughout the Christian Empire concluding with the preaching of Leo the Great Peter Chrysologos and Gregory I *Expository Sermons on John's Gospel Volume 5* Joe Tolin, Jr., 2015-05-25 This is the fifth and final volume of the expository sermons on John's Gospel
