The Dark Angel Gothic Elements In Shelleys Works

Benjamin Franklin Fisher IV

The Dark Angel Gothic Elements In Shelley's Works:

The Dark Angel: Gothic Elements in Shelley's Works John V. Murphy, 1975 By establishing a relationship between Shelley's works and the Gothic tradition this study offers a new way of approaching the center of Shelley's thought Consideration of Shelley's application of the Gothic mode as an agency for psychological analysis is preceded by a brief introduction to Gothic sensibility

The Gothic's Gothic (Routledge Revivals) Benjamin Franklin Fisher IV, 2016-05-05 First published in 1988 this book aims to provide keys to the study of Gothicism in British and American literature It gathers together much material that had not been cited in previous works of this kind and secondary works relevant to literary Gothicism biographies memoirs and graphic arts Part one cites items pertaining to significant authors of Gothic works and part two consists of subject headings offering information about broad topics that evolve from or that have been linked with Gothicism Three indexes are also provided to expedite searches for the contents of the entries This book will be of interest to students of literature

Gothic Writers Douglass H. Thomson, Jack G. Voller, Frederick S. Frank, 2001-11-30 With its roots in Romanticism antiquarianism and the primacy of the imagination the Gothic genre originated in the 18th century flourished in the 19th and continues to thrive today This reference is designed to accommodate the critical and bibliographical needs of a broad spectrum of users from scholars seeking critical assistance to general readers wanting an introduction to the Gothic its abundant criticism and the present state of Gothic Studies The volume includes alphabetically arranged entries on more than 50 Gothic writers from Horace Walpole to Stephen King Entries for Russian Japanese French and German writers give an international scope to the book while the focus on English and American literature shows the dynamic nature of Gothicism today Each of the entries is devoted to a particular author or group of authors whose works exhibit Gothic elements beginning with a primary bibliography of works by the writer including modern editions This section is followed by a critical essay which examines the author's use of Gothic themes the author's place in the Gothic tradition and the critical reception of the author's works The entries close with selected annotated bibliographies of scholarly studies The volume concludes with a timeline and a bibliography of the most important broad scholarly works on the Gothic

The Complete Poetry of Percy Bysshe Shelley Percy Bysshe Shelley, 2012-07-01 Winner of the 2013 Richard J Finneran Award Society for Textual Scholarship Outstanding Academic Title Choice His name is Percy Bysshe Shelley and he is the author of a poetical work entitled *Alastor or the Spirit of Solitude* With these words the radical journalist and poet Leigh Hunt announced his discovery in 1816 of an extraordinary talent within a new school of poetry rising of late The third volume of the acclaimed edition of *The Complete Poetry of Percy Bysshe Shelley* includes *Alastor* one of Shelley's first major works and all the poems that Shelley completed for either private circulation or publication during the turbulent years from 1814 to March 1818 *Hymn to Intellectual Beauty* *Mont Blanc* *Laon* and *Cythna* as well as shorter pieces such as his most famous sonnet *Ozymandias* It was during these years that Shelley already an accomplished and practiced poet with three volumes of published verse authored

two major volumes earned international recognition and became part of the circle that was later called the Younger Romantics. As with previous volumes, extensive discussions of the poems' composition, influences, publication, circulation, reception, and critical history accompany detailed records of textual variants for each work. Among the appendixes are Mary W. Shelley's 1839 notes on the poems for these years, a table of the forty-two revisions made to *Laon and Cythna* for its reissue as *The Revolt of Islam*, and Shelley's errata list for the same. It is in the works included in this volume that the recognizable and characteristic voice of Shelley emerges: unmistakable, consistent, and vital.

The Neglected Shelley Alan M. Weinberg, Timothy Webb, 2016-03-16 New editions and facsimiles of Percy Bysshe Shelley's works are changing the landscape of Shelley studies by making complete compositions and fragments that have received only limited critical attention readily available to scholars. Building on the work begun in Weinberg and Webb's 2009 volume *The Unfamiliar Shelley*, *The Neglected Shelley* sheds light on the breadth and depth of Shelley's oeuvre, including the poet's earliest work written when he was not yet twenty and was experimenting with gothic romances and other striking forms of literary expression, such as two collections of provocative verse. There are discussions of Shelley's collaboration with Mary Shelley in the composition of *Frankenstein* and his skill as a translator of Greek poetry and drama, reflecting his urgent concern with Greek culture. His contributions to prose are the focus of essays on his letters, the subversive notes to Queen Mab, and his complex engagement with Jewish culture. Shelley's considerable corpus of fragments is well represented in contributions on the later narrative fiction *Athanasion*, *Athanasion*, and the significant group of unfinished poems including *Mazenghi*, *Fiordispina*, *Ginevra*, and *The Boat on the Serchio*, that treat Italian topics. Finally, there are explorations of subtle though neglected or underestimated works such as *Rosalind and Helen*, *The Sensitive Plant*, and the verse drama *Hellas*. *The Neglected Shelley* shows that even the poet's apparently slighter works are important in their own right and are richly instructive as expressions of Shelley's developing art of composition and the diverse interests he pursued throughout his career.

Sexual Enjoyment in British Romanticism David Sigler, 2015-02-27 How British Romantic writers reimagined sexual enjoyment and invented psychoanalysis in the process.

Imageless Truths Karen A. Weisman, 2016-11-11 In *Imageless Truths*, Karen A. Weisman offers a new reading of Shelley's work in the context of the poet's changing constructions of poetic fictions. Shelley's understanding of language in general and of the fictions and their rhetorical trope in particular evolved throughout his career, and Weisman argues that it is in his self-consciousness over these transformations that we can find the primary motivating factor in the poet's philosophical and literary development. Weisman discerns in Shelley an ongoing quest for a mode of fiction-making that can accommodate both the poet's belief in a metaphysical ultimate and his anxiety over the implications of grounding poetic fictions too firmly in the details of everyday life. If Shelley's awareness of fictionality is a major element in the poetry, it is an awareness that comes with the troubled sense of the limits of fiction. Weisman contends that it is this persistent, double-edged anxiety that distinguishes Shelley from the other English Romantics.

Her point is not intended to deny the validity or the continuing relevance of the deconstructionist perspective nor the value of its various claims for Shelley she is simply concerned that the instability of poetic fictions was eventually perceived as a given by Shelley as the beginning premise which he acknowledged and then tried to move beyond Imageless Truths will be of interest to students and scholars of English literature

Romantik 5 Cian Duffy, Karina Lykke Grand, Thor J. Mednick, Lis Møller, Elisabeth Oxfeldt, Ilona Pikkanen, Robert W. Rix, Anna Lena Sandberg, 2017-02-01 The articles in this number of Romantik include new research on reverie and dream as the locus of metaphor in Percy Bysshe Shelley's Prometheus Unbound an enquiry into the Royal Swedish Society for the Publication of Manuscripts Relating to Scandinavian History and the role it played in the construction of national memory and heritage a discussion of Philippe Jacques de Loutherbourg's and John Martin's iconographies of the sublime in the intersection between art and popular visual spectacle archival discoveries related to the publication of medieval romance in early nineteenth century Britain and a reassessment of The Prelude as a formation narrative arguing that William Wordsworth displays a conflicted attitude to the growth and progress usually found in the Bildungsroman The journal also contains reviews of new books on the romantic period published in the Nordic countries

Shelley Desmond King-Hele, 1984-06-14 Odisea nº 2: Revista de estudios ingleses José Francisco Fernández Sánchez, 2015-11-23 Revista de Estudios Ingleses es un anuario dirigido y gestionado por miembros del Departamento de Filología Inglesa y Alemana de la Universidad de Almería con el propósito de ofrecer un foro de intercambio de producción científica en campos del conocimiento tan diversos como la lengua inglesa literatura en lengua inglesa didáctica del inglés traducción inglesa para fines específicos y otros igualmente vinculados a los estudios ingleses
