The Days Of Wine And Roses Are Over:

The Man Who Saved New York Seymour P. Lachman, Robert Polner, 2010-07-01 Winner of the 2011 Empire State History Book Award presented by New York State Archives Partnership Trust The Man Who Saved New York offers a portrait of one of New York's most remarkable governors Hugh L. Carey with emphasis on his leadership during the fiscal crisis of 1975. In this dramatic and colorful account Seymour P. Lachman and Robert Polner's examine Carey's youth, military service and public career against the backdrop of a changing, challenged and recession-battered city, state and nation. It was Carey's leadership, Lachman and Polner argue, that helped rescue the city and state from the brink of financial and social ruin. While TV comedians mocked and tabloids shrieked about the Big Apple's rising muggings, its deteriorating public services and the threats and walkouts by embattled police, firefighters and teachers, all amid a brutal recession, Carey and his team managed to hold on and ultimately prevailed, narrowly preventing a huge disruption to the state, national and global economy. At one point, the city came within a few hours of having to declare itself incapable of paying its debts and obligations, but in the end, stability and consensus prevailed and America's largest city stayed out of bankruptcy court. The center held. Based on extensive interviews with Carey and his family, as well as numerous friends, observers and former advisors including Steven Berger, David Burke, John Dyson, Peter Goldmark, Judah Gribetz, Richard Ravitch and Felix Rohatyn, *The Man Who Saved New York* aims to place Carey and his achievements at the center of the financial maelstrom that met his arrival in Albany. While others were willing to let the city go into default, Carey was strongly opposed, since it would not only affect the state as a whole but would have reverberations both nationally and internationally. In recounting the 1975 rescue of New York City and the aftershocks that nearly sank the state government, Lachman and Polner illuminate the often volatile interplay among elite New York bankers, hard-nosed municipal union leaders, the press and influential conservatives and liberals, from City Hall to the Albany Statehouse to the White House. Although often underappreciated by the public, it was Carey's force of will, wit, intellect, judgment and experiences that allowed the state to survive this unparalleled ordeal and ultimately to emerge on a stronger footing. Further, Lachman and Polner argue, Carey's accomplishment is worth recalling as a prime example of how governments, local, state and federal, can work to avoid the renewed threat of bankruptcy that now confronts many overstretched states and localities.

The Days of Wine and Roses are Over Daniel C. Kramer, 1997 *The Days of Wine and Roses Are Over* is an in-depth study of Hugh Carey's tenure as Governor of New York from 1975 through 1982. This book covers his life beginning with his youth, congressional career and 1974 gubernatorial primary and general election campaigns. The steps he took from 1975 through 1978 to keep both New York City and state out of bankruptcy are analyzed. He not only lobbied the federal government vigorously and successfully to secure aid for the city but compelled the metropolis to abandon a well-trodden path of financial recklessness. This book outlines his touchy relations with Democratic Party leaders and the State Legislature and narrates his surprisingly difficult, albeit successful, reelection bid in 1978, a campaign in which

he first had to defeat his own Lieutenant Governor before taking on his Republican challenger The Carey Administration had a hand in many important projects the modernization of New York City s subways and the rescue of homeowners living in the Love Canal neighborhood being just two before Carey committed several serious blunders which lowered voters opinion of him that he decided not to run for reelection in 1982 Through it all this man with the embarrassingly low poll ratings turned into a superb governor
