

The Debate About The Bible: Inerrancy versus Infallibility

Introduction

The debate about whether the Bible is inerrant has been waged for decades. Is the Bible true in all aspects? Is the Bible inerrant or infallible? The topic is taken up by author Stephen T. Davis in his book *The Debate About The Bible* where he discusses the possibility and definitions of inerrancy. The purpose here is to summarize, and analyze, the book and the points brought forward by the author; however, the purpose is not to substantiate the points or prove them wrong. The argument of the inerrancy of the Bible is a long standing debate with points of dispute such as arguments for inerrancy, against inerrancy, and infallibility, of which there may not be a definite answer.

Author's Background

Stephen T. Davis has been an ordained minister since 1965.³ Davis is the author and/or editor of fifteen books and seventy academic articles.⁴ Not only has Davis authored many articles and books, he holds many degrees.
