The Definite Maybe:

Oasis' Definitely Maybe Alex Niven, 2014-05-08 A brilliant study of Oasis debut album highlighting the band's massive cultural impact and the raw positive power of those early songs

Definitely, Maybe in Love Ophelia London, 2013-10-28

Definitely Maybe in Love is a modern take on Pride and Prejudice that proves true love is worth risking a little pride

Spring Honeycutt wants two things to ace her thesis and save the environment

Easy right

Uh No

When her professor suggests with a few changes the thesis could be published she's willing to do whatever it takes to make that happen

Except that means forming a partnership with the very hot very privileged very conceited Henry Knightly

He's her polar opposite and pushes all her buttons

When she finds there's more to Henry than his old money and argyle sweaters it's hard not to like him a lot

Suddenly choosing between what she wants and needs puts Spring at odds with everything she believes in

Definitely Maybe Arkady Strugatsky, Strugatsky Boris, 2014-02-04

In its first ever unexpurgated edition a sci-fi landmark that's a comic and suspenseful tour de force and puts distraction in a whole new light

It's not you it's the universe

Boris and Arkady Strugatsky were the greatest science fiction writers of the Soviet era their books were intellectually provocative and riotously funny full of boldly imagined scenarios and veiled but clear social criticism

Which may be why Definitely Maybe has never before been available in an uncensored edition let alone in English

It tells the story of astrophysicist Dmitri Malianov who has sent his wife and son off to her mother's house in Odessa so that he can work free from distractions on the project he's sure will win him the Nobel Prize

But he'd have an easier time making progress if he wasn't being interrupted all the time

First it's the unexpected delivery of a crate of vodka and caviar

Then a beautiful young woman in an unnervingly short skirt shows up at his door

Then several of his friends also scientists drop by saying they all felt they were on the verge of a major discovery when they got distracted

Is there an ominous force that doesn't want knowledge to progress

Or could it be something more natural

In this nail-bitingly suspenseful book the Strugatsky brothers bravely and brilliantly question authority an authority that starts with crates of vodka but has lightning bolts in store for humans who refuse to be cowed

Definitely Maybe Andy Bollen, 2025-05-22

Ride the Oasis rollercoaster ahead of Live 25

Oasis were Artful Dodgers from a housing estate who created stadium anthems that connected with millions

They became the band of the people by giving the people what they wanted rock n roll

Ahead of the Live 25 Tour

Definitely Maybe offers a unique take on their story

The euphoric highs spectacular implosions chaos excesses and sibling rivalry

How the Gallagher brothers captured the zeitgeist of the 1990s by embodying the hopes and frustrations of a disillusioned generation

In a rollercoaster ride from their humble beginnings in Manchester through Britpop jousts with Blur and legendary shows at Knebworth

Andy Bollen unveils how their relentless drive swagger Irish blood and English heart left an indelible mark on pop history

The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and thrilling novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
