The Demands Of Justice:

The Demands of Justice James P. Sterba, 1981-01-01 **Perfecting Justice in Rawls, Habermas and Honneth** Miriam Bankovsky, 2012-02-23 Brings a deconstructive perspective to theories of justice in the early and later work of Rawls Habermas and Honneth [The Ambiguity of Justice: New Perspectives on Paul Ricoeur's Approach to Justice](#) ,2020-07-13 The Ambiguity of Justice offers a collection of essays on Ricoeur's thought on justice and on the different views that influenced this thought in particular those of Arendt Honneth Haffner Rawls Levinas and Boltanski Although Ricoeur's idea of justice has undoubtedly caught much attention already only a few monographs have been published so far that explicitly address this topic The contributors of this book a mix of both well established Ricoeur scholars and young promising scholars in this field address the difficulties in Ricoeur's thought on justice by maintaining his spirit of dialogue not only by showing how Ricoeur himself repeatedly searches for dialogue in his writings on justice but also by arguing that Ricoeur's thought allows contributions to contemporary debates about justice **Assessing the Impact of Transitional Justice** Hugo Van der Merwe, Victoria Baxter, Audrey R. out at the local level Transitional justice mechanisms including trials and truth commissions have become firmly entrenched as part of the United Nations tool kit for successful post conflict recovery It is now commonly assumed that by establishing individual accountability for human rights violations and initiating truth seeking and reconciliation programs individuals and societies will be assisted to come to terms with the violent past and states will make the transition to peaceful stable liberal democracies Set against the backdrop of East Timor s referendum and the widespread violence of 1999 this book interrogates the gap between the official claims made for transitional justice and local expectations Drawing on a wide range of sources including extensive in depth interviews with victims survivors community leaders and other actors it produces a nuanced and critical account of the complex interplay between internationally sponsored trials and truth commissions national justice agendas and local priorities The Dynamics of Transitional Justice fills a significant gap in the existing social science literature on transitional justice and offers new insights for researchers and practitioners alike
