

The Desecration Of Doves

Ethel Herr

The Desecration Of Doves:

The Desecration of Doves Arlene Ang, 2005-07 Contrary to the doctor's advice I am taking calcium tablets the previous occupant lost behind the sideboard in the hall He died alone in his sleep After six years in the same apartment my right leg still aches every time clouds come out Studies say that's the secret we always come back for more from Conversation with My Femur From the delicious allure of skinny dipping to the love confessions of a diseased spleen to an exiled Starfleet officer whose day job is in an adult strip club Arlene Ang explores the complex machinations of human relationships and the characters behind them Sometimes sensual and provocative sometimes black humored and surreal the poems in The Desecration of Doves display her sharp technique and inimitable voice

The Chaonian Dove A.J. Boyle, 2018-07-17 This is the first book length critical study of the three Virgilian works to be published in English for twenty years It examines in detail the thematic design and intent of the Eclogues Georgics and Aeneid and documents the development of their political moral and poetic pessimism It presents the interrelationship of the three texts their intertextuality as integral to their meaning The book is in three main parts Pastoral Meditation Didactic Paradox Epic Vision corresponding to the three Virgilian works A brief introductory chapter is concerned with questions of method and the problem of Virgil misread A chief focus of the book is Virgil's preoccupation with the relationship between poetry art art's values perceptions visions and the political historical world and the changing nature of Virgil's attitude to the socio moral responsibilities of Rome The evolution of Vergil's presentation both of Roman imperium and of man's place in nature and history is carefully delineated With close scrutiny of the language imagery structures and design of the three texts and of their verbal and thematic interrelationship the book offers a substantial reassessment of the major political psychological and moral ideas of Virgil's poetic oeuvre An intricate and persuasive picture emerges of Virgil's intellectual and poetic development and a radically new conception of Virgil's image of himself as poet The provision of translations makes the book accessible to the Latinless reader

Understanding Rita Dove Pat Righelato, 2006 Presents an introduction to the poetry of the Pulitzer Prize winning Rita Dove who was the first African American poet laureate of the US Charting Dove's evolution as a poet this title offers analyses of her artistic development bringing to light the musical sense of form and expression of history that permeates her work

The Eagle and the Dove Earl K. Thomas, 2003 An in depth look at the effects of the new morality on America and its people From misconceptions concerning the founding fathers to the lies and treachery of modern bureaucrats

The Dove and the Rose (Seekers Book #1) Ethel Herr, 1997-04-01 Historical Fiction Series From a Fascinating Era Caught in the sweeping changes connected with the European Reformation and Renaissance sixteenth century Holland under the reluctant leadership of William of Orange rebelled against the strong control of Spain's King Philip The war that ensued to squelch the rebellion and exterminate religious heresy at any cost sets the background for Ethel Herr's compelling series THE SEEKERS In The Dove and the Rose two young people are wrenched apart by the struggles of their parents Pieter Lucas is banished

from his home for refusing to abide by his father's commitment to the Beggars an extreme wing of Calvinism Aletta Engelshoven is not allowed by her father to see Pieter for fear of any association with the Beggars While they meet in secret Aletta promises her love to Pieter and that she will wait for him until the trouble passes Swirling tides of emerging religious political cultural and personal independence clash in this excellent first book in **THE SEEKERS** Pillar of Fire, 1924

Ulysses and the Irish God Frederick K. Lang, 1993 This is the most comprehensive and original of the studies dealing with Joyce's response to the idea of God accepted in Ireland and to the sacred images and rituals prevalent there It shows how in *Ulysses* he undermines and exploits the crucial elements of his rejected faith how he recalls the omnipotent Father to reveal his artistic powers the incarnated Son to celebrate his own human images and the consecrated host to imply his hidden spiritual presence Frederick K Lang has closely analyzed both Joyce's texts and his sources including important sources previously unidentified First he reveals that Joyce's transubstantiation of theology and liturgy in *Ulysses* is foreshadowed in his first short story *There by setting the Latin Mass* in an Irish home Joyce casts doubt upon the Church's ability to transform matter and in his revised version of the story he casts further doubt by including parallels with the Greek liturgy a rite he regarded as subversive of the Latin Mass Next Lang reinterprets Joyce's theory of literary art in light of its specific origins in Aquinas and the New Testament and in doing so he reveals the precise meaning of the term epiphany He proceeds to demonstrate that the earlier theory including the concept of epiphany underlies the Hamlet theory and that the famous reference to love is linked to God's narcissism and creativity How the literary artist resembles God is implied not only in the Hamlet theory but in the references to orthodox and heretical views of the Father-Son relation and the Eucharist views that explain Joyce's reincarnation as both Stephen Dedalus and Leopold Bloom In *Ulysses* the word reincarnation has an additional meaning Not only does Joyce's soul assume new flesh but so does the Word of God Along with the feast of Christ celebrated in Ireland on 16 June 1904 the novel assimilates first the Mass then the black mass and finally the Good Friday liturgy At the end of *Ulysses* Molly Bloom emerges as the genuine christine prophecied on the first page Joyce's offering of her body blood and water evokes both the Crucifixion and the Eucharist and thus makes flesh a Gospel read in Irish churches on the day he chose as Bloomsday This book is lucid and provocative Free of theory and jargon it not only gives Joyce scholars fresh information and new interpretations but would interest and enlighten any reader of *Ulysses* **BOOK JACKET** Title Summary field provided by Blackwell North America Inc All Rights Reserved *Intimate Strangers* Fredric Brandfon, 2023-05 Illuminating the history of Jews and Jewish Catholic relations in Rome *Intimate Strangers* investigates the unusual and uninterrupted relationship between Jews and Catholics as it has developed from the first century CE to the present **From Manger to Throne** Thomas De Witt Talmage, 1889 **The Routledge Handbook of Arabic Poetry** Huda Fakhreddine, Suzanne Pinckney Stetkevych, 2023-12-22 Comprised of contributions from leading international scholars The Routledge Handbook of Arabic Poetry incorporates political cultural and theoretical paradigms that help place poetic

projects in their socio political contexts as well as illuminate connections across the continuum of the Arabic tradition This volume grounds itself in the present moment and from it examines the transformations of the fifteen century Arabic poetic tradition through readings re readings translations reformulations and co optations Furthermore this collection aims to deconstruct the artificial modern pre modern divide and to present the Arabic poetic practice as live and urgent shaped by the experiences and challenges of the twenty first century and at the same time in constant conversation with its long tradition The Routledge Handbook of Arabic Poetry actively seeks to destabilize binaries such as that of East West in contributions that shed light on the interactions of the Arabic tradition with other Middle Eastern traditions such as Persian Turkish and Hebrew and on South South ideological and poetic networks of solidarity that have informed poetic currents across the modern Middle East This volume will be ideal for scholars and students of Arabic Middle Eastern and comparative literature as well as non specialists interested in poetry and in the present moment of the study of Arabic poetry
