The Development of American Romance Michael Davitt Bell,1980 *The Development of American Romance* Michael D. Bell,1980 *Selected Studies in Romantic and American Literature, History, and Culture* Charles J. Rzepka,2010 Charles J Rzepka's important contributions to scholarship on the Romantic period and twentieth century literature and culture are gathered together for the first time Included are award winning essays on Keats and Wordsworth critical studies of De Quincey and Austen and interventions into popular culture and detective fiction Together the essays are both a career retrospective and a roadmap of the innovations and controversies that have influenced literary studies from the early 1980s to the present **Faulkner's Media Romance** Julian Murphet,2017 A major new reading of Faulkner's work that scans the major novels for signs of the new media ecology of the 1920s and 30s Political Liberalism and the Rise of American Romanticism Scott M. Reznick,2024-07-18 *Political Liberalism and the Rise of American Romanticism* explores how American Romanticism developed in response to pervasive conflicts over democracy's moral dimensions in the early republic and antebellum eras By recovering the long under examined tradition of political liberalism for literary studies it traces how US writers reacted to ongoing moral and political conflict by engaging with liberal thinkers and ideas as they endeavored to understand how individuals beholden to a divergent array of moral convictions might nevertheless share a stable and just political world the very dilemma at the core of political liberalism This study demonstrates how those philosophical engagements sparked Romanticism's rise and eventual flourishing as US writers increasingly embraced Romantic literary modes emphasizing the imagination's capacity for creative synthesis and the role it plays in shoring up the habits of mind and feeling that are vital to a meaningful democratic culture It offers revisionary readings of works by Charles Brockden Brown Robert Montgomery Bird James Fenimore Cooper Harriet Beecher Stowe Frederick Douglass and Nathaniel Hawthorne to show how these Romantic writers were preoccupied with how individuals come to embrace their deepest convictions and what happens when they encounter others who see the world differently *The Romance of Real Life* Steven Watts,2019-12-01 Originally published in 1994 *The Romance of Real Life* aims to reconstruct historically the life and writings of Charles Brockden Brown in terms of their cultural connection Watts examines in detail Brown's early and later writings By looking at these often neglected works more closely he offers a new perspective on the well known novels from the late 1790s Watts's synthetic look at genre as well as chronology reveals broader connections between Brown's literature and American society and culture in the decades of the early republic Furthermore Watts situates Brown's writings in terms of the interplay of text context and the self with each factor recognized as mutually shaping the others *The Romance of Real Life* incorporates sensitivity to the social history of ideas in which both the form and content of language remain rooted in the material experience of real life *The Cambridge History of Literary Criticism: Volume 4, The Eighteenth Century* H. B. Nisbet,Claude Rawson,2005-12-08 This is a comprehensive 1997 account of the history of literary criticism in Britain and

Europe between 1660 and 1800 Unlike previous histories it is not just a chronological survey of critical writing but a multidisciplinary investigation of how the understanding of literature and its various genres was transformed at the start of the modern era by developments in philosophy psychology the natural sciences linguistics and other disciplines as well as in society at large In the process modern literary theory at first often implicit in literary texts themselves emancipated itself from classical poetics and rhetoric and literary criticism emerged as a full time professional activity catering for an expanding literate public The volume is international both in coverage and in authorship Extensive bibliographies provide guidance for further specialised study *Between History and Romance* Giffra-Adroher, Pere, 2000 It demonstrates that even though Washington Irving's sojourn in Spain from 1826 until 1829 marked a distinct shift in the literary commodification of things Spanish the transition from an enlightened to a romantic representation of Spain was a process triggered by a group of writers who produced Spanish travel narratives of lasting influence **Inchbald, Hawthorne and the Romantic Moral Romance** Ben P Robertson, 2015-10-06 Explores the connections between British and American Romanticism focusing on the novels of Elizabeth Inchbald 1753 1821 and Nathaniel Hawthorne 1804 64 This study argues that Inchbald and Hawthorne are representative of a larger British American cultural confluence during the eighteenth and nineteenth centuries

Encyclopedia of the Romantic Era 1760-1850 Christopher John Murray, 2013-05-13 In 850 analytical articles this two volume set explores the developments that influenced the profound changes in thought and sensibility during the second half of the eighteenth century and the first half of the nineteenth century The Encyclopedia provides readers with a clear detailed and accurate reference source on the literature thought music and art of the period demonstrating the rich interplay of international influences and cross currents at work and to explore the many issues raised by the very concepts of Romantic and Romanticism
