The Diary Of A Russian Censor Abridged Edited And Translated By Helen Saltz Jacobson:

Russian Literary Journals, Dostoevsky, and Tolstoy in St. Petersburg, 1877 Linda M. Mayhew, 2025-10-14 In 1877 the atmosphere in Russia was highly contentious Amid war with the Ottoman Empire the nation was also grappling with intense intellectual and political conflicts Various groups and individuals were fervently engaged in shaping the country's future navigating a landscape marked by strict censorship and deep ideological divides This game set in St Petersburg immerses students into the vibrant and combative world of Russian literary journals Students assume the roles of editors writers and social activists navigating the complex intersection of literature and politics The periodicals they produce are filled with subtle political commentaries regarding the monarchy education religion and women in society all designed to slip past the censors As writers such as Fyodor Mikhailovich Dostoevsky and Count Lev Nikolaevich Tolstoy compete to publish their work they must align with intellectual factions Populists Slavophiles or Westernizers and find allies to advance their literary and political ambitions Editors face the dual challenges of maintaining their publication goals and appeasing the censors deciding which articles and novels make it to print In this game writers present their work at Elena Shtakenshneider's literary salon sparking discussions on themes such as the relationship of art to society women's roles access to education the Russian Orthodox Church and paths to political reform In this charged environment the success of a journal can determine its influence on Russia's future The editor of a thriving journal may even earn an audience with Tsar Alexander II with the opportunity to advocate for a constitutional monarchy endorse the existing autocratic structures or propose sweeping political and social changes

Saffron Shadows and Salvaged Scripts Ellen Wiles, 2015-09-15 This book tells an ethnographic story of a secret literary culture that has recently emerged from its cocoon Until 2012 Myanmar also known as Burma was ruled for fifty years by one of the most paranoid and repressive censorship regimes in history The military junta enforced strict reading and writing restrictions in line with their ideology feared writers potential to trigger change and did their best to keep Western books and influences out of the country As part of an unexpected move toward democracy the government has recently lifted the worst restrictions on reading and writing giving rise to a new era in the country's literature and literary culture While living in Myanmar in 2013 Ellen Wiles sought out the best of its contemporary writers and writing to begin uncovering the country's remarkable literary life and history This book contains the experiences and recent output of nine Myanmar writers

spanning three generations featuring interviews and English language translations of their work along with political legal and artistic explorations It includes men and women fiction and poetry reflecting the ripples of political and cultural change as they have moved across different groups and genres A rare portrait of a people and place in transition Wiles s work contributes both to the study of literature and culture in Myanmar and to the general study of art under censorship

Classics in Russia 1700-1855 Marinus Antony Wes,1992 What role did classical Graeco Roman culture play in eighteenth and nineteenth century Russian society on the institutional level as well as in the lives of individual Russian intellectuals Through a series of case studies of classics in action the book illustrates the tension between aims and results expectations and achievements Perspectives on Literature and Society in Eastern and Western Europe George F Cushing,Geoffrey Alan Hosking,1989-01-16 *Catalog of Copyright Entries. Third Series* Library of Congress. Copyright Office,1977 A Half-century of Greatness Frederic Ewen,2007-09 A Half Century of Greatness paints a vivid and dramatic picture of the creative thought of mid to late nineteenth century Europe and the influence of the unsuccessful Revolutions of 1848 It reveals often unexpected links between novelists poets and philosophers from England Germany Austria Hungary Russia and Ukraine especially Dickens Carlyle Mill the Bront s and George Eliot Hegel Strauss Feuerbach Marx Engels Wagner and several German poets the Hungarian poet Sndor Petfi Gogol Dostoevsky Bakunin and Herzen in Russia and the great Ukrainian poet Shevchenko The book was reconstructed and edited by Dr Jeffrey Wollock from Ewen s final manuscript It includes the author s own reference citations throughout a reconstructed bibliography and an updated further reading list This is Ewen s last work the long lost companion to his Heroic Imagination Together these books present a panorama of the social political and artistic aspects of European Romanticism especially foreshadowing and complementing recent work on the relation of Marxism to romanticism Anyone interested in what Lukacs called Romantic anticapitalism who appreciates such books as Marshall Berman s Adventures in Marxism 1999 Lwy Sayre s Romanticism against the Tide of Modernity 2001 or E P Thompson s The Romantics 1997 will find the Ewen volumes a welcome addition **Censorship** Derek Jones,2001-12-01 Censorship A World Encyclopedia presents a comprehensive view of censorship from Ancient Egypt to those modern societies that claim to have abolished the practice For each country in the world the history of censorship is described and placed in context and the media censored are examined art cyberspace literature music the press popular culture radio television and the theatre not to mention the censorship of language the most fundamental censorship of all Also included are surveys of major controversies and chronicles of resistance Censorship will be an essential reference work for students of the many subjects touched by censorship and for all those who are interested in the history of and contemporary fate of freedom of expression **Canadian Slavonic Papers** ,1976 **Censorship** Frank Caso,2008 From the Publisher Censorship is part of the Global Issues series which is designed to be a first stop resource for research on the key challenges facing the world today Each volume contains three sections beginning with an introduction that clearly

defines the issue followed by detailed case studies of the issue's impact in the United States and several other countries or regions. The second section draws together significant U.S. and international primary source documents and the third section gathers useful research tools such as brief biographies, facts and figures, an annotated bibliography, and more. A foreword written by an expert in the field complements each volume. A chronology, glossary, and index provide additional help.

Censorship suppresses human expression. It can be a means of limiting public dissension from an authoritarian and/or unpopular government, a method for protecting religious dogma from heresy, whether perceived or real, and a way of imposing a set of standards on communities or individuals. On the other hand, censorship in the forms of film ratings, V-chips, and Internet filters upholds parental authority. Thus censorship is viewed both as evil and as a tool against evil. Even in the 21st century, with its emphasis on information and globalization and with an electronic technology that disregards borders, censorship continues to dictate the lives of many.

Providing a comprehensive overview of the different forms that censorship can take, this book examines the history and current practices of censorship in five countries: the United States, Russia, China, Zimbabwe, and Egypt, and discusses key counterstrategies. Parts II and III of the book include primary source documents relating to censorship in these five countries, biographical information on key figures whose lives were or are linked with censorship, and a list of U.S. and international organizations and agencies that monitor and publicize censorship activity, provide legal assistance, and develop counterstrategies. An annotated bibliography, a glossary, and a chronology complete this invaluable resource.
