McKenna, 2005 A psychotherapist and poker columnist offers tips on anticipating players behavior by analyzing their mental and physical approaches to the game *Beat the Craps Out of the Casinos* Frank Scoblete, 2005-04-25 Beat the Craps Out of the Casinos is the number one best selling craps title of all time And now this classic title has been completely updated for those gamblers who want to figure out how to beat the house Until now craps has been considered an unbeatable casino game because the house has the edge on every bet Beat the Craps Out of the Casinos changes all that by introducing you to the Supersystem *Horrible Prettiness* Robert Allen, 2000-11-09 Robert Allen's compelling book examines burlesque not only as popular entertainment but also as a complex and transforming cultural phenomenon When Lydia Thompson and her controversial female troupe of British Blondes brought modern burlesque to the United States in 1868 the result was electric Their impertinent humor streetwise manner and provocative parodies of masculinity brought them enormous popular success and the condemnation of critics cultural commentators and even women's rights campaigners Burlesque was a cultural threat Allen argues because it inverted the normal world of middle class social relations and transgressed norms of proper feminine behavior and appearance Initially playing to respectable middle class audiences burlesque was quickly relegated to the shadow world of working class male leisure In this process the burlesque performer lost her voice as burlesque

increasingly revolved around the display of her body Locating burlesque within the context of both the social transformation of American theater and its patterns of gender representation Allen concludes that burlesque represents a fascinating example of the potential transgressiveness of popular entertainment forms as well as the strategies by which they have been contained and their threats defused
